This prayer journal is perfect for your prayer time. What's inside this book: Prayer lists Prayer Journals

Women as Imams Simonetta Calderini, 2020-12-10 There is a long and rich history of opinion centred on female prayer leadership in Islam that has occupied the minds of theologians and jurists alike. It includes outright prohibition, dislike, permissibility under certain conditions and, although rarely, unrestricted sanction, or even endorsement. This book discusses debates drawn from scholars of the formative period of Islam who engaged with the issue of female prayer leadership. Simonetta Calderini critically analyses their arguments, puts them into their historical context, and, for the first time, tracks down how they have informed current views on female imama (prayer leadership). In presenting the variety of opinions discussed in the past by Sunni and Shi'i scholars, and some of the Sufis among them, the book uncovers how they are, at present, being used selectively, depending on modern agendas and biases. It also reviews the roles and types of authority of current women imams in diverse contexts spanning from Asia, Africa and Europe to America. The research offers readers the opportunity to gain nuanced answers to the question of female imama today that may lead to informed discussions and to change, if not necessarily in practices then at the very least in attitudes. This ground-breaking book interrogates the cases of women who are reported to have led prayer in the past. It then analyses the voices of current women imams, many of whom engage with those women of the past to validate their own roles in the present and so pave the way for the future.

Prayer Journal for Women Jahid. H Publisher, 2021-12-29 *Update: we have fixed the issue with the letter Y not being printed on larger titles* If you are a Christian woman of God, this beautifully designed 52-week prayer journal for women is the perfect way to pray, reflect and strengthen your faith. A weekly journaling space to write what's in your heart
A weekly space to practice gratitude
Its beautiful and clear design make it the perfect spiritual gift for women
Get this Bible journal for women and start to reflect and strengthen your faith today.

Feminism, Law, and Religion Marie Failinger, Elizabeth Schiltz, Susan J. Stabile, 2016-04-15 With contributions from some of the most prominent voices writing on gender, law and religion today, this book illuminates some of the conflicts at the intersection of feminism, theology and law. It examines a range of themes from the viewpoint of identifiable traditions such as Judaism, Christianity, Islam and Buddhism, from a theoretical and practical perspective. Among the themes discussed are the cross-over between religious and secular values and assumptions in the search for a just jurisprudence for women, the application of theological insights from religious traditions to legal issues at the core of feminist work, feminist legal readings of scriptural texts on women's rights and the place that religious law has assigned to women in ecclesiastic life. Feminists of faith face challenges from many sides: patriarchal remnants in their own tradition, dismissal of their faith commitments by secular feminists and balancing the conflicting loyalties of their lives. The book will be essential reading for legal and religious academics and students working in the area of gender and law or law and religion.

Every Woman's Prayer Journal Tyndale, 2025-03-18 Living a life of extraordinary purpose begins with extraordinary prayer. Every Woman's Prayer Journal guides you through a focused time of Scripture-inspired prayer to add depth and intentionality to your prayer time and Bible study. Each day's prayer journaling session includes space for praise, confession, thanksgiving, and requests, all guided by the truths of God's Word. Grow closer to God and experience the joy and power of praying Scripture with this perfect companion to the Every Woman's Bible. You'll become an extraordinary woman of prayer and an inspiration to others. Features include: 100 encouraging NLT Scriptures organized by topic 100 Bible-based prayer sessions of praise, confession, thanksgiving, and requests Each journaling session ends with a prayer for every woman to embrace the truths of Scripture Scripture from the easy-to-understand New Living Translation Beautiful photography and illustrations Elevate your prayer life with powerful, Scripture-based prayers that will equip, embolden, and inspire your deep, authentic call to extraordinary purpose.

Trans Formations Alex Clare-Young, 2024-05-31 Trans Formations is not a book about trans and non-binary Christians it is a book by trans and non-binary Christians. Who they are, what they experience, and what they understand stretches beyond trans-apologetics to formative anthropological and theological notions without which the body of anthropological and theological knowledge is incomplete. They have things to say about God and about being human and their yet-to-be-accessed insights matter. Whilst there is an abundance of material about trans ethics, there is little trans-written theology or theological anthropology that is formative, rather than trans critical or trans-apologetic. Situated within a queer paradigm,

this book presents the identities, insights, and ideas of ten diverse trans and non-binary Christians. Alex Clare-Young, through their own identity, experiences, and insights of researching alongside nine other wonderful human-beings, writes their trans formational journey into being. Will you be transformed?

Church of Our Granddaughters Carrie Frederick Frost,2023-02-16 Church of Our Granddaughters is a visionary work of theology and ethics that looks hopefully and lovingly two generations into the future, imagining the Orthodox Church's practices and realities rightfully aligned with its core theological teachings and truths regarding women. This reverent but bold work offers the necessary insight and inspiration to create a community that welcomes all its members, our granddaughters as well as our grandsons, thus allowing the Orthodox Church to better incarnate its mission of service and transfiguration.

Beyond Sectarianism Adam S. Ferziger,2015-07-15 In 1965 social scientist Charles S. Liebman published a study that boldly declared the vitality of American Jewish Orthodoxy and went on to guide scholarly investigations of the group for the next four decades. As American Orthodoxy continues to grow in geographical, institutional, and political strength, author Adam S. Ferziger argues in *Beyond Sectarianism: The Realignment of American Orthodox Judaism* that one of Liebman's principal definitions needs to be updated. While Liebman proposed that the "committed Orthodox" —observant rather than nominally affiliated—could be divided into two main streams: "church," or Modern Orthodoxy, and "sectarian," or Haredi Orthodoxy, Ferziger traces a narrowing of the gap between them and ultimately a realignment of American Orthodox Judaism. Ferziger shows that significant elements within Haredi Orthodoxy have abandoned certain strict and seemingly uncontested norms. He begins by offering fresh insight into the division between the American sectarian Orthodox and Modern Orthodox streams that developed in the early twentieth century and highlights New York's Congregation Kehilath Jeshurun as a pioneering Modern Orthodox synagogue. Ferziger also considers the nuances of American Orthodoxy as reflected in Soviet Jewish activism during the 1960s and early 1970s and educational trips to Poland taken by American Orthodox young adults studying in Israel, and explores the responses of prominent rabbinical authorities to Orthodox feminism and its call for expanded public religious roles for women. Considerable discussion is dedicated to the emergence of outreach to nonobservant Jews as a central priority for Haredi Orthodoxy and how this focus outside its core population reflects fundamental changes. In this context, Ferziger presents evidence for the growing influence of Chabad Hasidism – what he terms the "Chabadization of American Orthodoxy." Recent studies, including the 2013 Pew Survey of U.S. Jewry, demonstrate that an active and strongly connected American Orthodox Jewish population is poised to grow in the coming decades. Jewish studies scholars and readers interested in history, sociology, and religion will appreciate Ferziger's reappraisal of this important group.

Prayer Journal for Women Rosi Mele,2020-03-31 Prayer Journal for Women: 52 Weeks Scripture, Devotional, & Guided
