How to Write Lyrics Rikky Rooksby, 2021-09-15 *Lyrics* sheds light on all aspects of writing lyrics for music and will make lyricists and songwriters feel more confident and creative when they tackle lyrics. It's perfect for all songwriters: those who don't like their own lyrics and find lyrics difficult to write, experienced writers looking for a creative edge, and those offering lyrics to set to music in a partnership. The book discusses channeling personal experiences into lyrics, overcoming writer's block, the right lyrics for a bridge, the separation between lyrics and poetry, exploring imagery and metaphor, avoiding clichés, and more. It also offers tips on the various styles of lyrics, from protests, spirituals, and confessionals to narratives and comic songs. New to this edition are artist and song references throughout to reflect musical history to date. Also, a new section provides examples of taking lyric ideas right through the drafting process, illustrating development and re-drafting and using a handful of contrasting approaches.

Before and Again Barbara Delinsky, 2018-06-26 From Barbara Delinsky, the New York Times bestselling author of *Blueprints* and *Sweet Salt Air*, a brand-new novel about a woman in hiding finding the courage to face the world again. Mackenzie Cooper took her eyes off the road for just a moment but the resulting collision was enough to rob her not only of her beloved daughter but ultimately of her marriage, family, and friends—and thanks to the nonstop media coverage, even her privacy. Now she lives in Vermont under the name Maggie Reid, in a small house with her cats and dog. She's thankful for the new friends she's made—though she can't risk telling them too much. And she takes satisfaction in working as a makeup artist at the luxurious local spa, helping clients hide the visible outward signs of their weariness, illnesses, and injuries. Covering up scars is a skill she has mastered. Her only goal is to stay under the radar and make it through her remaining probation. But she isn't the only one in this peaceful town with secrets. When a friend's teenage son is thrust into the national spotlight, accused of hacking a powerful man's Twitter account, Maggie is torn between pulling away and protecting herself—or stepping into the glare to be at their side. As the stunning truth behind their case is slowly revealed, Maggie's own carefully constructed story begins to unravel as well. She knows all too well that what we need from each other in this difficult world is comfort. But to provide it, sometimes we need to travel far outside our comfort zones. From a multimillion-selling master of women's fiction, *Before and Again* is a story of the relationships we find ourselves in—mothers and daughters, spouses and siblings, true companions and fair-weather friends—and what kind of sacrifices we are or aren't

willing to make to sustain them through good times and bad.

Hooks in Popular Music Tim Byron, Jadey O'Regan, 2022-11-22 This volume is the first book-length study of hooks in popular music. Hooks - those memorable musical moments for listeners such as a riff or catchy melodic phrase - are arguably the guiding principle of much modern popular music. The concept of the hook involves aspects of melody, rhythm, harmony, production, lyrical and cultural meaning - and how these interact within a song's topline and backing track. Hooks are also inherently related to the human capacities for memory and attention, and interact with our previous experiences with music. Understanding hooks in popular music requires a new interdisciplinary approach drawing from popular music studies, pop musicology, and music psychology, and this book draws from each of these disciplines to understand the hooks present in a broad range of popular music styles from the last thirty years.

Home with You Shirlee McCoy, 2018-02-27 A tragedy brings sudden responsibilities—and more—to a stubbornly single professor in a “sweet [and] enjoyable” tale by the USA Today–bestselling author. The Bradshaw brothers never dreamed they'd return to their hometown. But tragedy has brought them back together in Benevolence, Washington, where they're finding generosity, surprising revelations—and unexpected love . . . Sullivan Bradshaw is in way over his head. A car crash killed his brother, Matthias, and critically injured his sister-in-law. It's Sullivan's turn to care for the couple's six children and the ancestral farm, but the die-hard bachelor and art professor is hardly family-man material. What he needs is the perfect nanny-miracle worker-saint. What he gets is pretty Rumer Truehart, a free spirit who will change everything he ever thought he wanted . . . Rumer learned the hard way that nothing is for sure, much less forever. And she certainly understands why Sullivan's unhappy childhood makes him a strictly no-commitments kind of guy. But she can't help being drawn to this thoughtful, gentle man. And when trouble strikes, she's determined to win his trust—and show him love can be a promise for keeps. Praise for Shirlee McCoy's *Sweet Haven* “Fans of Debbie Macomber will appreciate McCoy's sweet, funny, heartwarming romance with its friendly, small-town setting.” —Booklist “A delicious small-town treat.” —Library Journal

The Complete Lyrics of Irving Berlin Robert Kimball, Linda Emmet, 2005-12 (Applause Books). Gathered together in one volume for the first time, here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was nineteen he was publishing his songs and quickly found fame with Alexander's Ragtime Band in 1911. In the extraordinary six decades that followed, Berlin wrote one popular hit after another: *Blue Skies* * *Always* * *Cheek to Cheek* * *White Christmas* * *God Bless America* * *There's No Business Like Show Business* * and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with *Annie Get Your Gun*. He penned three Astaire and Rogers films *Top Hat*, *Carefree*, and *Follow the Fleet* as well as the scores of *Holiday Inn*, *Easter Parade*, and other films. The breadth of his

accomplishment is staggering.

My Life as Eva Eva Gutowski, 2019-04-09 From the popular YouTube tastemaker Eva Gutowski comes her nationally bestselling lifestyle and advice book on the ups and downs of life, told in her hilarious, charming, and genuine voice. What's up guys? It's me, Eva! You may know me from my YouTube channel, MyLifeAsEva. If that's the case, then you might also know that I have a munchkin cat named Paris, a weird obsession with patterned sock collecting, and the tendency to say "HOLY SCHNITZEL!" at all the wrong moments. Like...embarrassing moments. I'm so lucky to have my fans—over eight million besties and counting! It has been amazing to meet so many of you since I started making videos. Growing up, books are what got me through life—a lot of the good times, and the really bad times. And no matter how challenging life got, I promised myself that I would get through it, in hopes that someday I'd have the chances to help people who need that one piece of great advice at just the right time. So here's a book by me, totally for you. I'll tell you a ton of my secrets, a lot of fail stories, and how I made it through—and how you can, too! Think of my book like a best friend you can turn to at any time. Xo Eva
