**Always My Comfort** Taylor Jade,2023-04-29 He's Jaxon Dexter-the rival...and my baby daddy. I made a big mistake. In my defense, I had just caught my boyfriend cheating on me, and I'd had a few too many shots of tequila on an empty stomach. But when I try to refill my birth control three months later, I realize just how badly I've messed up. I'm pregnant. And the father? He's that guy from the bar: the new pitcher for the Atlanta Braves, the one that's supposed to replace my ex. My ex isn't going down without a fight, even if that means dragging me and Jaxon into his mess. But one thing to know about Jaxon Dexter...you don't touch what belongs to him. And whether I like it or not, I'm his.

**Broken Bonds** Taylor Jade,2024-08-16 We're enemies stranded together during a hurricane... When I meet my older brother's best friend, Ace, for the first time, we immediately hate each other. He's rude, cocky, arrogant, and everything I can't stand. When a hurricane sweeps through Florida, laying destruction in its wake, I'm left stranded at my parents' beach house... And Ace is the only person who can come to my rescue. Only problem is... we can't get out in time. We're stuck in the beach house together. And when it floods... He's the only person I can rely on to get me to safety. Something changes on our days-long journey, and before I know it, I'm falling for him. He's broken and hurting, and I just want to fix him. But Ace is a closed-off book, and he doesn't know how to let anyone in. To let anyone close. Can we weather our own storm? Or is Ace too destroyed to let me in? \*\*Please note: this book contains elements some readers may not find enjoyable. Please read the "note from the author" at the beginning of the book before deciding if Broken Bonds is the right book for you.\*\*

*Leisure Activities in the Outdoors* Mandi Baker, Neil Carr, Emma J. Stewart, 2021-10-13 The benefits of being outdoors in a leisure context are widely acknowledged across a range of disciplinary perspectives (including tourism, therapeutics, education and recreation). These benefits include the development of: health and wellbeing; social skills; leadership and facilitation skills; personal, emotional and reflective abilities; confidence and identity creation. Drawing on a variety of perspectives, geographies and approaches, this book explores the opportunities that leisure in the outdoors provides for learning, developing and challenging. The authors in this collection challenge dominant discourses of outdoor leisure through their selection of outdoor activities, theoretical approaches and modes of representation. All offer fresh insights and thinking into how leisure in the outdoors can be understood. The book covers a range of outdoor conceptualisations that challenge the reader to think deeply and broadly about the common threads which bind the broad field of outdoor leisure together. The experiences explored in this book range from suburban outdoors to wild places, surfing to mindful reflection, and trail walking to Nordic skiing, and encompass a broad spectrum of people.

**The Breaking Point** Marci Bolden,2023-12-05 For most of her life, Taylor O'Shea preferred being a loner. After her mother was incarcerated when Taylor was seven, she grew up hard—thanks in part to her construction-worker grandfather who made her tough as nails. Finally, in Chammont Point, Taylor, for the first time, finds friends who love her for her rough edges, not in spite of them. With her best friends in tow, she heads to Arizona to face the woman whose bad choices shaped the very woman Taylor has become. But the family reunion brings disappointment and even more surprises, leaving Taylor with more questions than answers. Now that Taylor's discovered she has a half-brother, Lonnie, she sets out to find him. Helping him rebuild a life worth living becomes a mission that may save not just Lonnie but Taylor herself. Sometimes, however, helping family can push you to the breaking point.
