When Friendship Hurts Jan Yager, 2010-05-11 Taking its place alongside relationship classics *The 7 Habits of Highly Effective People* and *How to Win Friends and Influence People*, Dr. Jan Yager's *When Friendship Hurts*, in print since being published twenty-two years ago, is now available in a second edition containing new original research. Friendship expert, coach, and sociologist Dr. Jan Yager's prescriptive book on toxic friendships, what to do about them, and how to find or improve the positive friendships we all deserve, also has an updated Preface, bibliography, and resources section. The Preface shares Dr. Yager's more recent research that asks the question, "Have you ever had a friendship that made you physically or emotionally sick?" She was surprised to find that such strong reactions were more common than she originally thought. Forty-three percent of the ninety men and women she surveyed answered "Yes" to that question. In the new Preface, she shares their most common reactions. Another new feature of Dr. Yager's classic book includes cartoons at the beginning of each chapter by artist Cathy Wilcox and originally done for the Australia/New Zealand edition. *When Friendship Hurts* has helped countless men and women to better understand why they get involved in a toxic friendship, and then explore possible ways to mend it, let it fade, or end it.

But Now I See Gerald M. Bilkes, 2025-03-11 The Gospel of John witnesses to the life, death, and resurrection of Jesus Christ. Yet it is apparent from John's account that not everyone who perceived Jesus with their physical eyes saw Him for who He truly is. In *But Now I See*, Gerald M. Bilkes walks us through a study of this gospel, sharing the same intent as the apostolic author, "that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name" (John 20:31). As you read about how Jesus is the light; the Lamb of God; the way, the truth, the life; the resurrection; the Vine; and so much more, may you also come to say, "We beheld his glory" (John 1:14).

Samuel Richardson and the theory of tragedy James Smith, 2015-04-29 Samuel Richardson and the theory of tragedy is a bold new interpretation of one of the greatest European novels, Samuel Richardson's *Clarissa*. It argues that this text needs

to be rethought as a dangerous exploration of the ethics of tragedy, on the scale of the great arguments of post-Romantic tragic theory, from Hölderlin to Nietzsche, to Benjamin, Lacan and beyond. Taking the reader through the novel from beginning to end, it also acts as a guidebook for newcomers to Richardson's notoriously massive text, and situates it alongside Richardson's other works and the epistolary novel form in general. Filled with innovative close readings that will provoke scholars, students and general readers of the novel alike, it will also serve as a jumping off point for anyone interested in the way the theory of tragedy continues to be the privileged meeting point between literature and philosophy.

The Friend, 1911

The Works of Maria Edgeworth, Part I Vol 2 Marilyn Butler, 2019-09-25 This volume contains Edgeworth's best courtship novel *Belinda*, which replaces mercenary fortune-hunting with a deeper quest for marital compatibility, valorising irrationality and love over reason and duty. MARIA EDGEWORTH was born in 1768. Her first novel, *Castle Rackrent* (1800) was also her first Irish tale. The next such tale was *Ennui* (1809), after which came *The Absentee*, which began life as an unstaged play and was then published (in prose) in *Tales of Fashionable Life* (1812), as were several of her other stories. They were followed in 1817 by the last of her Irish tales, *Ormond*. Maria Edgeworth died in 1849. Edited with an introduction and notes by Marilyn Butler.

Destination Elsewhere Ruth Balint, 2021-11-15 In this unique history from below, *Destination Elsewhere* chronicles encounters between displaced persons in Europe and the Allied agencies who were tasked with caring for them after the Second World War. The struggle to define who was a displaced person and who was not was a subject of intense debate and deliberation among humanitarians, international law experts, immigration planners, and governments. What has not adequately been recognized is that displaced persons also actively participated in this emerging refugee conversation. Displaced persons endured war, displacement, and resettlement, but these experiences were not defined by passivity and

speechlessness. Instead, they spoke back, creating a dialogue that in turn helped shape the modern idea of the refugee. As Ruth Balint shows, what made a good or convincing story at the time tells us much about the circulation of ideas about the war, the Holocaust, and the Jews. Those stories depict the emerging moral and legal distinction between economic migrants and political refugees. They tell us about the experiences of women and children in the face of new psychological and political interventions into the family. Stories from displaced persons also tell us something about the enduring myth of the new world for people who longed to leave the old. Balint focuses on those persons whose storytelling skills became a major strategy for survival and escape out of the displaced persons' camps and out of the Europe. Their stories are brought to life in *Destination Elsewhere*, alongside a new history of immigration, statelessness, and the institution of the postwar family.

Redeemer, Friend and Mother Josephine Massyngberde Ford, 1997 How wide a range of ideas was used by early Christians to proclaim redemption through Jesus Christ? What did the followers of Jesus do about concepts of shame, death, suffering, forgiveness, and friendship? And how did their beliefs relate to the lives and thoughts of actual persons in the Graeco-Roman world including women? Author J. Massyngbaerde Ford opens a new vista on the ancient world of Bible times.
