Dietrich Bonhoeffer

Life Together Dietrich Bonhoeffer, 1978-10-25 After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world. His Letters and Papers from Prison became a prized testimony to Christian faith and courage, read by thousands. Now in Life Together we have Pastor Bonhoeffer's experience of Christian community. This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. It gives practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in common, everyday work, and Christian service is treated in simple, almost biblical, words. Life Together is bread for all who are hungry for the real life of Christian fellowship.

Life Together Dietrich Bonhoeffer, 2015-11-01 Dietrich Bonhoeffer, one of the most influential Christian martyrs in history, bequeathed to humanity a legacy of theological creativity and spirituality that continues to intrigue people from a variety of backgrounds. Life Together gathers Bonhoeffer's 1938 reflections on the character of Christian community, based on the common life that he and his seminarians experienced at the Finkenwalde Seminary and in the "Brother's House" there. The stimulus for the writing of Life Together was the closing of the preacher's seminary at Finkenwalde by the Nazis. While Bonhoeffer wrote with his own seminary community in mind, he intended Life Together to have a more universal impact, and spoke of a mission and responsibility of the church as a whole. Using the acclaimed DBWE translation, adapted to a more accessible format, this new edition features supplemental material from Victoria J. Barnett and an insightful introduction by Geoffrey B. Kelly to clarify the theological meaning and social importance of Bonhoeffer's work.

A gathering of academic theologians, New Worshiping Community practitioners, and leaders from within Presbyterian councils met at Pittsburgh Theological Seminary to start the conversation. *New Worshiping Communities* documents those discussions and provides theological and biblical foundations to the 1001 New Worshiping Communities movement in the Presbyterian Church (U.S.A.). Pour Out Your Heart Jeremy Linneman, 2025-03-18 Do you feel like everything depends on you? That you must grind and hustle to have a flourishing life? If so, it's no surprise that stress, anxiety, and burdens may be weighing you down. And there's no doubt that you probably struggle to pray—or believe that prayer does much in your life. What if it wasn't all on you? What if God wanted to not only bear your burdens, but change you and work on your behalf as you engage with him and labor in ministry? In *Pour Out Your Heart*, pastor Jeremy Linneman reveals a deeper, more vibrant prayer life that could be yours. Where some approach prayer in a one-sided way, Linneman approaches prayer as both communion with God and an act of boldness seeking God's transformative power to work mightily in our world. Throughout the book, you will: Rediscover your identity as a beloved child of the Father and learn to pour out your heart like water to him (Lam. 2:19) Develop a life of inner joy and peace through contemplative, childlike prayer Learn how to find fresh strength and faith for life's difficulties through bold, intercessory prayer Explore ancient prayer rhythms and resources that help you face life's challenges We were not created to do life in our own strength. We can see the transformative power of God's presence at work, in our own lives and in our world. The way is simple: you pour out your heart in the presence of our loving, all-powerful Father, and he pours back his love and power into you.

How to Have an Enemy Melissa Florer-Bixler,2021-06-20 Does Jesus' call to love our enemies mean that we should remain silent in the face of injustice? Jesus called us to love our enemies. But to befriend an enemy, we first have to acknowledge their existence, understand who they are, and recognize the ways they are acting in opposition to God's good news. In *How to Have an Enemy: Righteous Anger and the Work of Peace*, Melissa Florer-Bixler looks closely at what the Bible says about enemies—who they are, what they do, and how Jesus and his followers responded to them. The result is a theology that allows us to name our enemies as a form of truth-telling about ourselves, our communities, and the histories in which our lives are embedded. Only then can we grapple with the power of the acts of destruction carried out by our enemies, and invite them to lay down their enmity, opening a path for healing, reconciliation, and unity. Jesus named and confronted his enemies as an essential part to loving them. In this provocative book, Florer-Bixler calls us to do the same.

Life Together and Prayerbook of the Bible Dietrich Bonhoeffer,2004-12-08 On the nature of Christian community and a theological interpretation of the Psalms.

The Imperfect Disciple Jared C. Wilson,2017-05-02 Too many discipleship books are written for clean, perfect people who know all the right Sunday school answers. *The Imperfect Disciple* is for the rest of us--people who screw up, people who are weary, people who are wondering if it's safe to say what they're really thinking. For the believer who is tired of quasi-spiritual lifehacks being passed off as true, down-and-dirty discipleship, here is a discipleship book that isn't afraid to be honest about the mess we call real life. With incisive wit, warm humor, and moving stories, Jared Wilson shows readers how the gospel works in them and in their lives when - they can't get their act together - they think God is giving them the silent treatment - they think church would be better without all the people - they're not happy with the person in the mirror - and much more Wilson frees readers from the self-doubt and even the misplaced self-confidence they may feel as they walk with Jesus down the often difficult road of life. The result is a faith that weathers storms, lifts burdens, and goes forth to make more imperfect disciples.

Human Flourishing in a Technological World Jens Zimmermann,2023-08-23 *Human Flourishing in a Technological World* addresses the question of human identity and flourishing in the light of recent technological advances. The chapters in Part I provide a philosophical-theological evaluation of changing major anthropological assumptions that have guided human self-understanding from antiquity to modernity: How did we move from a religious and mostly embodied anthropology of the person to the idea that we can upload human consciousness to computing platforms? How did we come to imagine that

machines can actually be intelligent, or even learn in human fashion? Moreover, what metaphysical changes explain our mostly uncritical embrace of a technological determination of being and thus of how reality works? In Part II, the focus turns to the practical implications of our changing understanding of what it means to be human. Covering some of the most pressing current concerns about human flourishing, these chapters deal with the impact of technology on education, healthcare, disability, leisure and the nature of work, communication, aging, death, and the nature of wisdom for human flourishing in light of evolutionary biology. The volume includes the text of a lecture by virtual reality engineer and computer scientist Jaron Lanier, and a discussion between Lanier and other contributors.

You Will Be Made to Care Erick Erickson, Bill Blankschaen, 2016-02-22 Religious liberty is under attack in America. Your freedom to believe may not last much longer. To all those who say they don't care about the culture war, Erick Erickson has only one response: The Left will not let you stay on the sidelines. You will be made to care. Now the former Editor-in-Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion—secularism—one intent on systematically imposing its agenda and frightening doubters into silence. The book features first-hand accounts from Christians who've been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening—not anymore. *You Will Be Made to Care* offers hope for preserving freedom of conscience with practical steps that believers, families, pastors, church leaders, and citizens can take to resist tyranny and experience a resurgence of faith in America.

Meditating on the Word Dietrich Bonhoeffer, 1986-01-25 “Daily, quiet reflection on the Word of God as it applies to me becomes for me a point of crystallization for everything that gives interior and exterior order to my life,” wrote Dietrich Bonhoeffer to his colleagues at the warfront in the winter of 1942. Now back in print after a decade, this collection of Bonhoeffer's writings, sermons, and letters on meditation—including his unfinished meditation on Psalm 119—reveals his deep love for the Bible as a focus for his prayer life and a support in his courageous political life. “Why do I meditate?” asks Bonhoeffer. “Because I am a Christian. Therefore, every day in which I do not penetrate more deeply into the knowledge of God's Word in Holy Scripture is a lost day for me.”
