

Cambios Sociales En La Infancia

José Félix Tezanos, Constanza Tobío

El cambio social en España, 2006-11 Esta publicación nace con el objeto de ofrecer una visión global del conjunto de cambios y transformaciones sociales que están afectando a la sociedad española. En este contexto es indispensable recoger la adecuada comprensión de cada uno de los vectores de cambio, pues de ello, dependerá el conocimiento del conjunto de transformaciones sociales en curso. Por este motivo, el Centro de Estudios Andaluces ha pedido a nueve sociólogos de reconocido prestigio que, desde la atalaya de sus amplios conocimientos de la sociedad española, expongan su visión del cambio social en España, poniendo de relieve los retos de futuro a los que debemos enfrentarnos.

España 2025 - Estructura y cambio social José Félix Tezanos, Constanza Tobío, 2025-06-23 En esta obra se analiza la estructura y la evolución de la sociedad española en el horizonte de finales del primer cuarto del siglo xxi. Se trata de un trabajo que está basado en una amplia información empírica y que ha sido fruto de la labor de 145 Catedráticos/as y Profesores/as de Sociología, Ciencia Política y Economía, en el que se aportan informaciones y análisis sobre múltiples tendencias sociales en varios aspectos de la sociedad española. Los cinco volúmenes de esta obra dan continuidad a la labor de investigación y de análisis realizada ininterrumpidamente por el Centro de Investigaciones Sociológicas (CIS) a lo largo de los últimos años. En los distintos volúmenes se abordan aspectos como las características demográficas de la población española, la familia y las relaciones interpersonales, las brechas de género, el papel de las mujeres, la juventud, la problemática de la vivienda, las migraciones, el mundo rural, la estructura económica, el empleo y el consumo, el paro, la estratificación social y la desigualdad, el poder, la política, las instituciones, los actores sociales, la vida cotidiana, las creencias, la cultura, las identidades o el papel de la ciencia, entre otros.

Infancia y juventud en riesgo social Agustín Bueno Bueno, 2010 Este libro aborda el conflictivo lugar que ocupan los niños y los jóvenes en la sociedad de nuestros días. Diversos profesionales (psicólogos, trabajadores sociales, profesores), especializados en distintos programas de intervención comunitaria, reflexionan sobre los riesgos a los que se expone habitualmente la población infantil y juvenil. Los estudios recogidos aquí abogan por unos presupuestos económicos que tiendan a paliar las deficiencias del sistema, pero también por la necesidad de desarrollar programas concretos y de formar a profesionales bien preparados, capaces de afrontar los retos que plantea el siglo XXI. Agustín Bueno es doctor en Psicología por la Universidad Complutense y profesor de Psicología Social en la Escuela de Trabajo Social de Alicante desde hace más

de treinta años.

Estudios sociales sobre la infancia en México María de Lourdes Herrera Feria, 2007

Redes sociales, infancia, familia y comunidad Madariaga Orozco, Camilo, Abello Llanos, Raimundo, Sierra García, Omar, 2014-08-06 Esta publicación es el resultado de la experiencia investigativa y práctica del Centro de Investigaciones en Desarrollo Humano (cidhum) de la Universidad del Norte en el marco del Proyecto Costa Atlántica, programa que trabaja desde hace más de 20 años con comunidades de escasos recursos de la región Caribe. El libro rescata el valor del vínculo social mediante el estudio de las redes sociales y del papel de la familia y la comunidad como sistemas de soporte clave no sólo para la sobrevivencia infantil, sino también para el desarrollo integral del niño y su ambiente.

Familia, infancia y privación social Luis Ayala Cañón, Rosa Martínez López, Mercedes Sastre, 2006 La multiplicación de estudios sobre la extensión, tendencias y determinantes de la pobreza infantil en los países ricos ha puesto de manifiesto la persistencia de tasas más elevadas en este colectivo que en el resto de la población, circunstancia que se investiga en este libro.

Psicopatología Del Niño y Del Adolescente Jaime Rodríguez Sacristán, 1998 La presente obra es el resultado de un exhaustivo estudio sobre los principales problemas de los niños y adolescentes en el campo de la salud mental, centrando su atención en las manifestaciones singulares que se presentan debido a variables dependientes de la edad.

Abusos sexuales y traumas en la infancia Silvina Cohen Imach, 2017-06-01 El abuso sexual de los niños es uno de los traumas más complejos y sintomáticos de nuestra sociedad. Durante mucho tiempo fue ocultado, tanto en el campo de lo íntimo y familiar como en el de las instituciones educacionales. Según Silvina Cohen Imach, durante los últimos treinta años se ha producido una visibilización y una puesta en palabras de esta problemática que requiere de una interrogación profunda acerca de lo que el abuso, la sexualidad y el trauma le exigen a la clínica. En palabras de la autora, en estas líneas analizo uno de los síntomas sociales más acuciantes de nuestra época desde la mirada clínica del psicoanálisis de niños y adolescentes. Partir de la clínica con niños para interrogar los síntomas actuales nos sitúa en un escenario que articula y entreteje los decires desde la práctica y la teoría. Interrogarnos por los abusos en la infancia nos lleva sin dudas a interrogar mitos y constelaciones familiares que sostienen en silencio los abusos cometidos hacia los más pequeños. Es por ello que en este libro se trata de devolverle al niño su palabra, tal como la escuchamos a diario en los consultorios para construir a partir de su decir nuevos saberes específicos en relación con esta problemática. Abusos sexuales y traumas en la infancia propone una serie de cuestiones que van desde la historización de los conceptos de infancia y maltrato, hasta los instrumentos de evaluación e intervención necesarios para los casos de abuso. Completa el panorama del libro un corolario de casos clínicos en los que se analizan y se visualizan las complejidades y las consecuencias de esta temática. Una vasta experiencia en el área hace de este nuevo libro de Silvina Cohen Imach una herramienta imprescindible para pensar una práctica y una teoría

que se correspondan con la realidad social que estas cuestiones implican.

Familia y cambio social ,1999

La familia ante el cambio social Jesús Hernández Arístu,Andreu López Blasco,2001

Familia y cambio social en España Rosa Conde,1982 Obra conjunta que, desde distintas perspectivas teóricas y metodológicas, enfoca la problemática del cambio familiar en España. El libro se presenta organizado en tres partes: Trasfondo demográfico; Familia y Sociedad; Dilema social: mujer e igualdad.

Children and the Changing Family An-Magritt Jensen,Lorna Mckee,2003 Explora cómo los cambios sociales y familiares están cambiando la vida de la infancia. El libro se centra en tres cambios fundamentales : empleo de los padres, composición de la familia e ideología. Demuestran cómo la vida de los niños dentro de las familias se transforma de acuerdo con cambios económicos y demográficos y con las decisiones que esos padres toman en respuesta a esos cambios.
