

Cuando La Ira Estalla

Roy Ashutosh

Cómo mantener la calma... cuando la ira estalla June Hunt, 2011

El poder oculto de la amabilidad Lawrence Lovasik, 2014-05-01 Aprender a ser amable no esconde secretos mágicos ni complicados. Solo exige prestar una mayor atención a las cosas que se hacen y a cómo se hacen. Este libro enseña a detectar los malos hábitos en el trato con los demás, a vencer la avaricia, la ira, el juicio negativo o la impaciencia. Todo ello exige un mínimo esfuerzo diario, practicando la caridad cristiana mediante pequeños detalles: aprender a hablar y a corregir con amabilidad, dar buen ejemplo, fomentar el buen humor, etc. Lawrence G. Lovasik (Pennsylvania, 1913-1986), hijo de padres eslovacos y el mayor de ocho hermanos, fue ordenado sacerdote en 1938. Tras completar sus estudios en Roma y desarrollar una labor misionera en zonas industriales de carbón y acero en Estados Unidos, fundó en 1955 la congregación de las Hermanas del Divino Espíritu. Dedicó la mayor parte de su vida a predicar retiros espirituales. Es autor de numerosos libros, donde ahonda de manera especial en la necesidad de la oración y la Eucaristía, y en el poder transformador de la gracia.

Antología escolar de literatura castellana Arturo María Cayuela (S.J.), 1924

Reactivar el sentido común Isabelle Stengers, 2022-05-30 Poner a los científicos en contra de un «público dispuesto a creer lo que sea», al que hay que mantener a distancia, es un desastre político. Los que saben se convierten en los pastores de un rebaño entendido como necesariamente irracional. Una parte de ese rebaño parece hoy, en efecto, haber perdido el sentido común. Pero ¿no es porque ha sido humillado, empujado a hacer causa común con lo que más enloquece a sus pastores? Y los otros, los indóciles y rebeldes que se activan para hacer germinar otros mundos posibles, son tratados como enemigos. Si la ciencia es una aventura – según la expresión del filósofo Whitehead –, estamos también ante un desastre científico, porque los científicos necesitan de un medio que rumie (que diga si..., pero) o resiste u objete. Cuando el sentido común se vuelve enemigo, el mundo se empobrece, la imaginación desaparece. Allí podría estar el rol de la filosofía: hacer la soldadura entre la imaginación y el sentido común, reactivándolo, y civilizar una ciencia que confunde sus logros con la consumación del destino humano. El mundo ha cambiado desde los tiempos de Whitehead. La debacle ha sucedido a la decadencia que, según él, caracterizaba nuestra civilización. Hoy tendremos que aprender a vivir sin la seguridad de nuestras demostraciones, a consentir un mundo que se volvió problemático, en el que ninguna autoridad tiene poder de arbitrar, en el que hay que aprender a hacer sentido común.

Tratado del alma Joan Lluís Vives i Marc,1925

Obras Completas Jaime Luciano Balmes,1926

El triunfo del amor Carlos Díaz Valero,José Díaz-Plaza,1913

Cine, metáforas y psicoterapia Isabel Caro Gabalda,2020-07-02 Gracias al cine en este libro se tratan cuestiones relevantes de la psicoterapia. Para ello se propone un juego: convertir elementos clave de diversas películas en metáforas que ponen en la mente del lector argumentos importantes para comprender la psicoterapia. Las películas y sus tramas, sus personajes, nos emocionan y nos llegan de distintas maneras, al igual que nos emocionan los pacientes que acuden en busca de ayuda. Vivir es mucho más emocionante que una película y los pacientes, como seres humanos, son mucho más complejos que un personaje cinematográfico. Igualmente, la trama de la psicoterapia es única. Sin embargo, las películas elegidas como metáforas de aspectos importantes de la psicoterapia nos permiten acercarnos a ella de una manera original y diferente. ¿Qué es la psicoterapia? ¿Cuáles son los requisitos básicos y las exigencias a las que se enfrentan los terapeutas en su práctica clínica? ¿Cómo se presenta el paciente, ante el terapeuta, y qué se le demanda? ¿Cuál es el contexto, y ética, de la práctica psicoterapéutica? Estas y otras muchas preguntas relacionadas con la psicoterapia se intentan responder en esta obra. En ella, académicos destacados y psicoterapeutas pertenecientes a los principales enfoques desarrollan aquello que, desde su experiencia y conocimientos, caracteriza mejor a lo más importante del quehacer psicoterapéutico. Este es un libro ameno que va dirigido a cualquier persona interesada en la psicoterapia, desde estudiantes a profesionales o público en general. Sin embargo, todos deben aceptar el reto aquí propuesto de profundizar en el conocimiento de los aspectos más relevantes de la psicoterapia, con la guía que cada una de las películas elegidas metaforiza para el lector.

OM SHANTI - PAZ MUNDIAL MIRA LA INDIA A TRAVÉS DE MIS OJOS Roy Ashutosh, El autor aporta a través de sus experiencias una mirada crítica pero optimista a uno de los mayores desafíos de la humanidad, lograr la paz y la armonía en nuestro planeta y una nueva forma de resolver problemas de raíz como el papel del capitalismo y la codicia en el origen de la desigualdad. Él nos lleva en un viaje de introspección y reflexión y todo ello a través de una mirada muy multifacética del país India. Con una visión global y un corazón abierto, el autor nos recuerda que la verdadera religión es la humanidad y que la única patria es el amor y la compasión hacia nuestros semejantes. A través de estas páginas, nos invita a unirnos en un

viaje hacia la paz mundial, donde cada paso nos acerca un poco más a ese anhelado ideal de armonía entre todos los habitantes de nuestro querido planeta Tierra.
