Hunting Adeline H. D. Carlton, 2022 The Diamond: Death walks alongside me, but the reaper is no match for me. I'm trapped in a world full of monsters dressed as men, and those who aren't as they seem. They won't keep me forever. I no longer recognize the person I've become, And I'm fighting to find my way back to the beast who hunts me in the night. They call me a diamond, But they've only created an angel of death. The Hunter: I was born a predator, With ruthlessness ingrained in my bones. When what's mine is stolen from me in the night, like a diamond hidden within a fortress, I find that I can no longer contain the beast. Blood will paint the ground as I tear apart this world to find her. And bring her back to where she belongs. No one will escape my wrath, especially not those who have betrayed me--Amazon.com.

Jalna: Books 5-8 Mazo de la Roche, 2013-08-19 Perhaps the most classic novels of Mazo de la Roche's monumental family saga are these four, which were the first books written in the series, though they fall in the middle of her books' multi-generation narrative. These, including the original novel Jalna, were the books that first established the world of Jalna in the minds of readers and de la Roche herself, and set the stage for the twelve sequels and prequels that were to follow. The Gothic Quest - A History of the Gothic Novel Montague Summers, 2016-09-22 "The Gothic Quest - A History of the

Gothic Novel” is a 1938 treatise by Montague Summers on the subject of the Gothic novel, looking at its origins, evolution, and role in contemporary literature. Augustus Montague Summers (1880 – 1948) was an English clergyman and author most famous for his studies on vampires, witches and werewolves—all of which he believed to be very much real. He also wrote the first English translation of the infamous 15th-century witch hunter's manual, the “Malleus Maleficarum”, in 1928. Contents include: “The Romantic Feeling”, “Notes to Chapter I”, “The Publishers and the Circulating Libraries”, “Notes to Chapter II”, “Influences from Abroad”, “Notes to Chapter III”, “Historical Gothic”, “Notes to Chapters IV”, “Matthew Gregory Lewis”, etc. Other notable works by this author include: “A Popular History of Witchcraft” (1937), “Witchcraft and Black Magic” (1946), and “The Physical Phenomena of Mysticism” (1947). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.
