The Hunger Games (Hunger Games, Book One) Suzanne Collins, 2009-09-01 This Special Edition of The Hunger Games includes the most extensive interview Suzanne Collins has given since the publication of The Hunger Games; an absorbing behind-the-scenes look at the creation of the series; and an engaging archival conversation between Suzanne Collins and YA legend Walter Dean Myers on writing about war. The Special Edition answers many questions fans have had over the years, and gives great insight into the creation of this era-defining work. In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to participate in the annual Hunger Games, a fight to the death on live TV. Sixteen-year-old Katniss Everdeen regards it as a death sentence when she steps forward to take her sister's place in the Games. But Katniss has been close to death before—and survival, for her, is second nature. Still, if she is to win, she will have to start making choices that weigh survival against humanity and life against love.

Betrothed in Blood Erin Madison, 2022-01-24 There's a price on her head, an annoying amulet around her neck and an awful curse haunting her steps. The stakes have never been higher—the whole world will go black if Maia does nothing. Even the remote villages chase her away after their children prophesy death... Who's death? She's too scared to ask, but her only hope is a rumor of a rumor—Minthian refugees in Azteco City. They could be the answer to her prayers. They could cure her... Only days before the curse is prophesied to destroy everything, Maia charges into the heart of King Emilio's kingdom—she knows it's a trap, but she doesn't have a choice... Is it only a coincidence that Connor is in Azteco City too? Even with the stakes so high, she's desperate to see him. Until she learns about his parade of dates and his extravagant bachelor lifestyle. She's certain he's forgotten about her—just like everyone else. What she doesn't know is that King Roan is missing. Connor is desperately searching for him—but he's searching for someone else too—someone he can't stop thinking

The Fiancée Farce Alexandria Bellefleur,2023-04-18 Lambda Literary award winner and national bestselling author Alexandria Bellefleur returns with a steamy sapphic rom-com about a quiet bookseller and a romance novel cover model who agree to a modern-day marriage of convenience... Tansy Adams' greatest love is her family's bookstore, passed down from her late father. But when it comes to actual romance... Tansy can't get past the first chapter. Tired of her stepfamily's questions about her love life, Tansy invents Gemma, a fake girlfriend inspired by the stunning cover model on a bestselling book. They'll never actually meet, so what's the harm in a little fib? Yet when real-life Gemma crosses Tansy's path, her white lie nearly implodes. Gemma van Dalen is a wild child, the outcast of her wealthy family, and now the latest heir to Van Dalen Publishing. But the title comes with one tiny condition: she must be married in order to inherit. When Gemma discovers a beautiful stranger has been pretending to date her for months, she decides to take the charade one step further—and announces their engagement. Gemma needs a wife to meet the terms of her grandfather's will and Tansy needs money to save her struggling bookstore. A marriage could be mutually beneficial, if they can fool everyone into thinking it's a love match. Unexpected sparks fly as Tansy and Gemma play the role of affectionate fiancées, and suddenly the line between convenient arrangement and real feelings begins to blur. But the scheming Van Dalen family won't give up the company without a fight, and Gemma and Tansy's newfound happiness might get caught in the fallout...

The Princess of Convenient Plot Devices, Vol. 1 (light novel) Mamecyoro,2022-12-13 A fujoshi would normally jump at the chance to live in a BL world, and it seems like Maki Tazawa has hit the jackpot after being reincarnated into her favorite novel, *The Noble King*. The privileged life of Princess Octavia and ample opportunity to witness BL in 3D might sound perfect, but...all this comes at a cost. As much as she adores her OTP—the main character, Sil, and his lover, Prince Sirius—she draws the line at being used to solve the problem of producing a royal heir! After all, doesn't she deserve true love and a happily ever after of her own?! This princess is on a mission to find a match and change her fate—while she's still got time!

The Backup Plan Jill Shalvis,2023-01-17 New York Times bestselling author Jill Shalvis returns to Sunrise Cove with a heartwarming tale of three people who are brought together when they're bequeathed an old Wild West inn that has the potential to pull their lives apart, but instead turns into the gift of a lifetime. When Alice receives a call about an unexpected windfall, she's stunned to learn the gift is a falling-apart-at-the-seams old Wild West B&B she once considered home—and she's inherited it along with two strangers. Except they weren't always strangers. Once upon a time, they were friends. One is her ex-BFF Lauren. The other is Knox, the only guy to ever break her heart, all while never even knowing she existed. It turns out their lives are unknowingly entangled because they once separately helped the same woman without expecting anything in return. Years later, Alice, Lauren, and Knox are broken in their own way, with their own history—and secrets—causing them to start out on the wrong foot with each other. But according to the will, they must renovate and be partners in the inn for one year or else lose their inheritance. Stuck together, they make a list of rules to keep the peace—rules that end up doing the opposite, but by some miracle they find what they didn't even know they were looking for—acceptance, true friendship, and in a case (or two!), true love.
