Unstoppable Pharoah Mitchell,2013-06-06 Computers get upgrades all the time. This book is designed to give you an upgrade by helping you take control of yourself spiritually from within, and it would help you create a greater version of yourself, helping you take control of situations in your life by taking control of yourself. Your relationships, your happiness, and your well-being will all change by you taking control of yourself. This book will help you create a life designed by your own choosing. You are the writer, the director, and the star of your own life. It is time to create a life of your own choosing. This book will help you become the star over your life by helping you see the world with the eyes of an empowered personyou! I asked the universe, Why have you created me? To suffer? To be in agony? To be unnecessarily wandering through life and then die? Why did you create me? Answer! It answered with one word: unstoppable! Unstoppable is about you creating a life designed by you. It teaches you how to take control over the situations in your life by you taking control of yourself. It gives you the power to empower yourself and to be the author of the stage play called your life. It teaches you how to write a happy ending that never ends. Until now most of us have been living the life that we thought was beyond our control. Unstoppable is designed to wake you from your sleep and introduce you to the transcendent qualities that are lying

dormant within you. You are the universe's greatest gift to humanity; you just don't know it yet. Unstoppable will unleash you to the world with a newfound ability and power that you never thought you had. This book will help you understand why you are the way you are, understand why people are the way they are, why your life may not be on the right track that you wanted it to be, and how you can take control of your life, and you'll discover your life's purpose. Everything that has happened to you in your life prepared you for this moment. What most religions won't tell you is that you have the most powerful creative mechanism within you. This is your subconscious mind. This is where everything is created every situation in your life, every breakup, and every heartbreak. This is the secret to creation whatever you create in your mind, you create in your world, positive or negative. The thoughts you hold consistently in your mind create the world around you. When you begin to understand the concept that you create your world through your thoughts, you can look at the world through the I can mentality. I can take control over the situations in my life, my relationships, my finances, my peace of mind, and my happiness. When you understand that you are the creator of the situations around you, you become a creator of the situations that happen to you in your life. You begin to look at the world through a mature spiritual mind-set. This book will help you, a real person, have contact with the greatest power in the universe, and it is waiting right now to burst out of you. You have always felt deep down inside that you were created for a divine purpose. This book would help introduce you to yourself and the greatness that lies within you. Enjoy the book, and I will see the more awakened, more powerful, more enlightened, and more confident you at the end of the book. I look forward to hearing about your testimonies and accomplishments.

Lonely No More Margaret Paul, PhD,2024-03-12 FEEL ALIVE AND CONNECTED ONCE AGAIN! Lonely No More: The Astonishing Power of Inner Bonding takes the reader on a spiritual journey of self-discovery and personal transformation, exploring the often-conflicting relationship between the false beliefs of the ego wounded self, how those false beliefs leave a person lonely and disconnected, and how to achieve true spiritual connection. Through engaging narratives and practical exercises, this book offers valuable insights into achieving a balanced, fulfilling relationship with both the self and the Divine. Throughout the book, I explore various spiritual principles and misconceptions that often hinder individuals from accessing the ever-present love and wisdom that is here for all of us. By debunking common myths, I equip readers with the tools and knowledge needed to break free from limiting beliefs and foster spiritual growth. Here's a sampling of what you will learn: The difference between getting and sharing love. The difference between self-responsibility and self-sacrifice. The difference between our true soul self and our ego wounded self. A road map for healing loneliness by promoting self-awareness, inner healing and personal responsibility. Healing other related conditions like anxiety, depression, shame, addictions and relationship problems. The opposite of loneliness is not a never-ending blissful, happy, problem-free state. It is feeling alive and connected once again. The ability to feel deeply, to express the gamut of one's emotions in a healthy way, and to connect to yourself, others and life overall to address challenges and triumphs in a way that says "yes" to life, is the goal of this book.
