Solacers Arion Golmakani,2024-05-03 *Solacers* tells the touching story of a 5-year old child's search for family life and safety following the divorce of his parents in Iran during the 1960's. The first child of a heartless father and a discarded mother is left to fend for himself on the streets of Mashhad, seeking food and shelter wherever he can. His lonely early years are an unbelievable tale of cruelty and betrayal on the part of nearly everyone who might be expected to help, save for one aunt who does her best to keep him from starving. But living a harsh and solitary existence has one advantage for this little boy: other than forcing him to be self-reliant, no one attempts to indoctrinate him on rural Iranian society's archaic cultural values and religious beliefs. And so he never accepts his wretched state as fate, choosing instead to dream big dreams about getting an education, having his own family, and starting a new life possibly in the faraway land called America. He makes a plan and by the age of 17 he boards a plane to the land of possibilities, where his dreams eventually also take flight. A story of hope, determination, and forgiveness, *Solacers* is a remarkable tale of resilience and optimism, with lessons for us all, say Hans J. Massaquoi, retired managing editor of *Ebony* Magazine and the author of best-selling book, *Destined to Witness: Growing Up Black in Nazi Germany*. Golmakani gives voice to children everywhere who long for nurturing and hunger for security.

Profile Pieces Sue Joseph, Richard Lance Keeble, 2015-10-14 This book examines the history, theory and journalistic practice of profile writing. Profiles, and the practice of writing them, are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself. While the subject, often through the medium of their press representative, struggles to retain control of the interview space, the journalist seeks to subvert it. This interesting and multi-layered interaction, however, has rarely been subject to critical scrutiny, partly because profiles have traditionally been regarded as public relations exercises or as 'soft' journalism. However, chapters in this volume reveal not only that profiling has, historically, taken many different forms, but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals. The volume looks at the profile's historical beginnings, at the contemporary manufacture of celebrity versus the 'ordinary', at profiling communities, countries and movements, at profiling the destitute, at sporting personalities and finally at profiling and trauma.

Good News Barb Hilliard, Sandy Trimble, 2001 Designed for K-5 classrooms, these creative bulletin board ideas link Bible themes to classwork. The authors have created 110 different concepts, with complete instructions and illustrations. Following the school year, the bulletin boards can be used as springboards to promote discussion and as reminders of the

central message in a particular lesson. The authors have also outlined ideas for classroom activities, suggestions for appropriate books, field trip ideas, party plans, cooperative learning activities, and Web sites. Faith lessons are generously sprinkled throughout. A section called Bible Heroes from A to Z provides brief retellings of heroic deeds that bring Bible heroes to life. Even students who know their Bible well will enjoy these 5-minute short stories. The Bible has been a teaching tool since it was written, and Good News: Thematic Bulletin Boards for Christian Classrooms makes it easy.

8-8-88, Symbols of a Life Path Catharine Arnold, 2003 Telling someone that his or her life is whatever fate has in store for them is one thing. Now try telling them that they had a hand in designing that fate. With a strong belief in a higher power and faith in her place in life is how Catharine shows her perspective of life. Karma, reincarnation and a refusal to use words like coincidence or accident are the basis of this belief system she has acquired for herself. 8-8-88 Symbols of a Life Path is a liberal dose of spiritualism mixed with conservative common sense. Being a Libra, Catharine shows her natural urge to balance the two. 8-8-88 Symbols of a Life Path has so many meanings to the author as she explains how she advanced her spiritual sense because of these symbols she recognized. These were obvious symbols in her life path that only confirmed her beliefs. A couple of predictions from a psychic were only a fun thing tried a few times for entertainment purpose only. Then the predictions fulfilled themselves and the symbols thought of, as a coincidence became reality. When someone shows you your life chart and suddenly it becomes fulfilled to the last detail you tend to pay attention to the signs along the way. Now whose reality does she see and how does she base that perception? Catharine takes a look at the possibilities that may be behind the symbols she has been shown and the probability that she placed them there to help her see that karmic trail she must follow. A third child a dozen years after her second and a series of medical problems including cervical cancer were seen as symbols to Catharine. To look at these changes in a sense of them being a burden or a misfortune is to limiting a thought for her. The symbols in her life path were put there because of the way they needed to shape her life. We all have a purpose and a time for everything we do. Our guides give us symbols along the way we just need to recognize them as the signs they are. It's never about what has happened to you, it's only about how you responded to it.
