

La Invencion De La Razon Chatelet Resumen

François Châtelet, Jean-Marie Vincent

Razón de Estado y cultura política en la monarquía de los Austrias Eduardo Fernández García, 2022-04-28 A la educación de los príncipes se destinó una parte muy relevante de los tratados sobre política publicados en los reinos hispánicos durante la época de los Austrias. En ellos se volcaron las principales aportaciones de la teoría política española de los siglos XVI y XVII, sin tener que aguardar a las formulaciones maquiavélicas, bodinianas o boterianas. Dieron forma la cultura política hispánica de la Modernidad conjuntando teoría y pragmática del poder, providencialismo, virtud política y realismo. Conformaron mediante potentes tópicos retóricos, junto con las obras historiográficas, las artes visuales y el teatro, un relato dinástico y un discurso sobre el ejercicio moralizado del gobierno que sirvió para las fases expansivas bajo la rúbrica de conservación y aumento de la monarquía, y para la declinación en forma de restauración de España. Encontraron en la razón de Estado un mecanismo mejor que el subterfugio de la disimulación para explicar las prerrogativas exorbitantes que requería el gobierno de reinos con una extensión geográfica descomunal y una complejidad institucional notable en una monarquía compuesta con un sistema polisinodial. Y lo hicieron, en muchas ocasiones de la pluma de extraordinarios pensadores, para ofrecer soluciones netamente propias a problemas de un mundo inestable en incesante competencia por la hegemonía continental.

La escritura de la historia Michel De Certeau, 2025-05-20 La escritura moderna de la historia honra a los muertos encerrándolos en sus tumbas. Michel de Certeau nos muestra en la presente obra cómo el pasado -la muerte, el Otro- no puede ser neutralizado o reprimido por ningún saber.

Diccionario Biografico Universal, o resumen histórico de los personajes célebres de todos los paises ... desde los tiempos mas remotos ... redactado ... bajo la direccion de Don J. Sala Juan SALA (of Madrid.), 1862

Repensando el siglo XIX desde América Latina y Francia Arturo Andrés Roig, Yamandú Acosta, 2009

El Laberinto de Laurent Mercier Artemio García Fernández, 2015-09-16 Lo que no iba a ser más que un trabajo de archivo e investigación, se convierte poco a poco en una fuente inesperada de información que introduce al protagonista en un mundo totalmente desconocido para él. Sus pesquisas le acercarán a la imponente figura de un hombre valiente y honesto - Ramón González Peña - a través del cual conocerá el país de sus abuelos y también el odio y la ira que los empujó al exilio. Comprenderá entonces muchos de los secretos que sus mayores contaban a sus padres entre susurros; secretos que

entrañaban pasajes horribles, hechos deleznales, traiciones fraternales...la historia del país de sus ancestros sí, pero también conocerá lo más oscuro y despreciable de la política de su país a través de intrincadas y rocambolescas tramas sociales y políticas. Todo ello hará que Laurent Mercier no pueda seguir siendo el mismo que era antes de bucear entre los legajos encontrados en el viejo hotel del Boulevard de Saint Germaine, pues, habrá comprendido finalmente, cuál es su verdadera identidad...la suya, la de su familia y la de su pueblo.

Spinoza Cristian Andrés Tejeda Gómez,2020-03-02 ¿Cuál es la mejor forma de gobierno? Una pregunta contraria al pensamiento de Baruch Spinoza. La premisa fundamental de esta investigación es que lo político en el autor puede ser leído como una tendencia en dos direcciones opuestas: ampliación de poder y concentración de poder. En ese sentido, el escrutinio político siempre debe ser determinado por los efectos que una determinada organización genera en el seno social y no como la búsqueda de un ideal de gobierno que sirva como modelo comparativo. Por eso, en la senda de Maquiavelo, Spinoza puede ser considerado un realista político. Este libro puede ser leído como una introducción a Spinoza y se delinean algunas ideas fundamentales para su estudio general. Pero también puede ser leído como una propuesta original para entender las claves de su pensamiento político.

Elementos para un análisis del fascismo Maria Antonietta Macciocchi,1978

Historia general de la cultura: Desde el siglo XV Manuel Ferrandis Torres,1934

Diccionario enciclopédico hispano-americano de literatura, ciencias y artes ,1890

Diccionario enciclopédico hispano-americano de literatura, ciencias y artes ,1890

Jean-Paul Sartre José Luis Rodríguez García,2004 Si existe una presencia inolvidable en el teatro filosófico y político del siglo XX es la de J.P. Sartre. Pero si su presencia es fundamental no es porque propusiera ofertas filosóficas o políticas certeras. La seducción que provoca su obra es debida, sobre todo - como se ilustra en este texto-, a la pasión intelectual que la anima. Pasión por fundamentar la realización de la libertad individual y social. Sin embargo, la aventura sartreana es la historia de un extraño fracaso. Desde el primario nietzscheanismo -subrayado por Louette o Lévy- hasta la apuesta final por la potencia de lo imaginario, la aventura de Sartre es limitada por la pretensión de concertar libertad y proyecto colectivo. No hay escritor en el siglo XX que asumiera con semejante esfuerzo el reto de nuestra contemporaneidad

Crisis de la sociedad salarial y reparto del trabajo José Enrique Medina Castillo,1999 Intento de abordar los cambios experimentados en el mundo de trabajo en los últimos decenios, así como los escenarios futuros previsibles y deseables,

teniendo presente, tanto su carácter de problema económico como su naturaleza de relación social jurídicamente regulada. En la primera parte de la investigación se expone la situación del empleo considerado de forma global. La segunda parte trata el reparto del empleo y la reducción del tiempo de trabajo como alternativas al desempleo 12.
