Jacob Zeitlin,Homer Edwards Woodbridge

Revenge, Compensation, and Forgiveness in the Ancient World Thomas Kazen,Rikard Roitto,2024-03-21 Handling moral infringement is complicated and this was as true in antiquity as it is today. Should one retaliate, demand compensation, be merciful, ignore the infringement, or forgive? Thomas Kazen and Rikard Roitto compare how Greeks, Romans, Jews, and Christians in antiquity navigated different ideas, practices, and rituals for moral repair. How did they think about morality and did this affect ideas about moral repair? What practices of moral repair did they use, within and beyond the court? In what different ways did they involve the gods in interpersonal conflicts through ritual? Insights from contemporary research on human behaviour guide the comparative work, since, as the authors argue, human moral behaviour and cognition is the result of both innate and cultural factors.

God's Paintbrush at Dawn Heather S. Coombes,Doug Tanner,2023-04-11 The photographer, Doug Tanner, a keen early morning runner, started e-mailing his photographs of sunrises and other wonders of nature to his coauthor to encourage her through a difficult stage of grief. Heather added some quotes from spiritual writers and meditations written by herself. The pictures inspired them to share their wonder of nature and God's creation more widely beyond the local Redlands area in Queensland, Australia, where they live.

Symbol and Truth in Blake's Myth Leopold Damrosch Jr.,2014-07-14 In a controversial examination of the conceptual bases of Blake's myth, Leopold Damrosch argues that his poems contain fundamental contradictions, but that this fact does not imply philosophical or artistic failure. Originally published in 1981. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. Systematic Theology: Volume I - The Doctrine of God Augustus Hopkins Strong, 2017-04-09 The opening book in this three volume set, it focuses exclusively on the person of God. Within the grounds of this work are the person of God, the authority of scripture and the works of God in our world. These topics are becoming more relevant today as people are constantly questioning the person of the Father.

Pedro Calderón de la Barca and the World Theatre in Early Modern Europe Rasmus Vangshardt, 2023-11-20 Rasmus Vangshardt offers an original interpretation of one of the most famous images of literary history, the *theatrum mundi*. By applying methods of comparative literature, hispanic studies, and theology, he reconsiders the world theatre's historical peak in early modern Europe in general and the Spanish Golden Age in particular. The author presents a new close reading of Pedro Calderón's *El gran teatro del mundo* (c. 1633-36) and outlines the historical and systematic framework for a *theatrum mundi* of celebration. This concept entails using art to justify human existence in the face of changing conceptions of the cosmos: an early modern aesthetic theodicy and a justification of the world in that liminal space between drama and ritual. By discussing historiographical theories of early modern Europe, especially those of Hans Blumenberg and Bruno Latour, and through conversations with Shakespearean drama and Spanish Golden Age classics, Vangshardt also argues that the *theatrum mundi* of celebration questions traditional assumptions of great divides between the Middle Ages and Early Modernity and challenges theories of a European-wide early modern sense of crisis.

Introduction to Early Church History Perry Edwards, 2023-03-14 As an introduction to early church history, this book is not intended to cover any subject exhaustively. Its goal is to provide an overview of the most significant leaders of the church while adding stories of ordinary Christians who remained faithful to the Lord in the face of persecution. It will introduce readers to how the church, in its first five centuries, sought to answer the primary theological questions of the day. This book is meant to whet the appetite of those who have never read early church history and refresh the minds of those who have. For some, the reading of this book will be the beginning of a journey that will lead to a deep and abiding love for the history of God's sovereign working in the church and in the world.

a genuine prayer.

Vindicated Jennifer LeClaire,2024-10 How do you rejoice when you're facing the greatest pain you've ever known? This book will help me trust and rejoice in the Lord's presence in all circumstances. I will have the patience and the faith to know that by His own righteous standards, God will right all the wrongs done to me. Shortly after her husband abandoned her and their child, Jennifer LeClaire found herself facing ten years in prison based on a false accusation for a crime she didn't commit. After Jennifer met Jesus in jail, God overturned the accusations and brought complete vindication. But even after salvation, she faced spiritual abuse, betrayals, slander, theft, and many other injustices. This powerful book features thirty easy-to-read chapters that provide biblical strategies, Holy Spirit comfort, and prophetic insight on the following: Knowing God as your vindicator Understanding God's blueprint for vindication Resisting the temptation to vindicate oneself Tearing down victim mentalities that sabotage one's vindication Receiving vindication in the courts of heaven Tapping into generational vindication How to wait on vindication God's way Seeing double vindication And much more By learning the principles in this book, readers will rejoice when they are wronged because they will be convinced that God will take what the enemy meant for evil and turn it for good in their lives.
