When Nothing Else Matters Michael Leahy, 2012-12-11 As one of the greatest, most celebrated athletes in history, Michael Jordan conquered professional basketball as no one before. Powered by a potent mix of charisma, near superhuman abilities and a ferocious drive to dominate the game, he achieved every award and accolade conceivable before retiring from the Chicago Bulls and taking an executive post with the Washington Wizards. But retirement didn't suit the man who was once king, and at the advanced age of thirty-eight Michael Jordan decided it was time to reclaim the court that was once his. *WHEN NOTHING ELSE MATTERS* is the definitive account of Jordan's equally spectacular and disastrous return to basketball. Having closely followed Jordan's final two seasons, Michael Leahy draws a fascinating portrait of an intensely complex man hampered by injuries and assaulted by younger players eager to usurp his throne. In this enthralling book Jordan emerges as an ambitious, at times deeply unattractive character with, unsurprisingly, a monstrous ego. *WHEN NOTHING ELSE MATTERS* is an absorbing portrait not only of one athlete's overriding ambition, but also of a society so in thrall to its sports stars that it is blind to all their faults.

Telerheumatology Christine Peoples, 2022-07-14 This book details the practice of telerheumatology. Telemedicine is defined as the delivery of healthcare and the exchange of healthcare information across distances. Following, telerheumatology is the delivery of rheumatology care through telemedicine. There exists an increasing demand from patients, caregivers, and healthcare systems for access to academic specialists through telemedicine. This has been the case for the past several years and the demand has only increased with the ongoing COVID-19 pandemic. There is currently a lack of rheumatologists in rural areas and that is expected to spread to a general lack by 2025. Telerheumatology offers an excellent and timely solution to fill these gaps and provide care. Telerheumatology care has been shown to be feasible and quite effective. The current COVID-19 pandemic has thrust the concept of telemedicine into the spotlight. However, not all telerheumatology care is the same and there exists many nuances and differences when examining telerheumatology care across the United States and the world. After comprehensively reviewing the origins of telerheumatology, this work defines in detail the current practice of telerheumatology, along with the specific impact of the COVID-19 pandemic and all applications of telerheumatology. Expert authors also provide a detailed roadmap for providers to initiate, sustain, and grow a telerheumatology program. The book concludes by covering future directions of telerheumatology, including areas for

expansion, improvement, and innovation. After reading this work, the editor and all the contributing authors hope that it will inspire, provoke thought and discussion, and lead to increased adaptation of providing telerheumatology care by rheumatologists and rheumatology providers.

The Cosmic Lady Was Right Marshall Motz, 2009-09-28 No ordinary memoir, this book aspires to be more than a mere exercise in narcissism. A street person in a zany California beach town at the end of the author's days provides the theme: planet Earth is the Galaxy Lunatic Training Asylum upon which each of us has been planted with one purpose, namely to rise from the stupidity and the darkness around us into the light, to regain in fact our sanity. Mama Earth is really tired of it all, the Lady opines, and recommends a journey inward. Taking a literary look back at his life, he sees she was right. In a series of poignant vignettes, it becomes clear that he and the whole country have been progressively descending into hopeless lunacy. Ah but theres more; there's an agend here. It seems its all been a macho ego trip---the whole of human history in fact--an unfortunate male mistake, a mere prelude to the new paradigm, the return of the goddess---meaning the spiritual androgyny that Jesus talks about in the Gospel of Thomas. We need to restore the balance between male and female. In a hilarious final chapter set in the aforementioned California city, it all comes together: Mama Earth, the Goddess Sophia and the Cosmic Lady, who is vindicated in an eschatological grand finale. She was right all along.

The Roadmap of Loss Liam Murphy, 2024-01-03 It's 1997 in Melbourne, Australia, and Mark Ward is struggling to make sense of the world following the sudden death of his mother. His father, Dylan, had abandoned him and his mother when Mark was still a child, and Mark has always believed he died in a car accident shortly afterwards. For most of his life, he has carried an unjustifiable sense of guilt about his father's absence, overlaid with memories of him as a cruel and unloving man. Clearing out his mother's house, a bereft, rapidly deteriorating Mark is shocked to discover a collection of letters written to her by Dylan - some of which postdate his supposed death. Discussing life and love, fears and dreams, set against the backdrop of his bohemian travels across the United States, Dylan's letters become beacons for Mark, who sees in them a final chance to achieve closure, as well as his own redemption. With a burning suspicion that Dylan may still be out there, Mark decides to retrace the journey taken by his estranged father twenty years earlier. Moving through the country with only a beat-up car as company and the letters of a stranger for guidance, Mark is faced with the enormity and polarity of late nineties America. Bouncing from one city and bizarre situation to the next, he encounters a tapestry of people along the way - many of them eccentric, some malign, some nurturing, others as lost as he is. Alone in a foreign land, the search for peace soon becomes a battle with loneliness, addiction and nihilism as Mark begins to see in himself reflections of the father he grew up resenting. Raw and uncompromising, *The Roadmap of Loss* explores human fallibility and vulnerability, the courage of letting go of the past, and the power of forgiveness.

Unforgiven Shelley Shepard Gray,2024-05-21 They're each other's best hope for redemption--and love Ex-con Seth Zimmerman has spent the last three years making amends by helping the vulnerable in his former Amish community. Lately, this mission includes calling on Tabitha Yoder, whose divorce from her abusive husband has isolated her from the community. Even though she never comes out of her house to talk to him, Seth knows she watches him from the window while he chops wood, clears her driveway, and drops off food. An uneasy friendship is just starting to take hold between them when small gifts begin to appear at Tabitha's home--gifts that can only be from her ex-husband. Seth might be Tabitha's only hope at maintaining her hard-won freedom from the man whose violent outbursts had almost cost her life. But coming to her rescue might mean he ends up behind bars once again.
