The Mindset of a Godly Woman Living Single in a Secular World! Glory,2015-02-28 This is a small but powerful book. In this book, theres healing for those who are broken, theres deliverance for those who need to be delivered, and theres restoration for those who need to be restored. You will read about some of my trials and tribulations that only God has taken me through. If you are in the need of God, come on a journey where you will have to face the reality of life, but note that God has his way of bringing you to the storm and delivering you through it. Now, it wont be easy, but God has used me to share my testimonies and help someone get their breakthrough through this page-turner! I also have a couple of my friends testimonies in here to encourage you. By the time you finish reading this book, you will be uplifted, restored, inspired, and healed, all because of Gods grace and mercy! I give God all the honor and glory because it was he who has been Pulling Me Through!!

Another Jesus Allen Roesch,2005 In the fear of God, and in all solemnity, I must tell you that if you are a conservative Seventh-day Adventist male there is a very real possibility that you have accepted Another Jesus. I must also tell you, the stakes are far too high not to find out. In the same fear of God and the same solemnity, I say to every conservative Seventh-day Adventist female that although the likelihood that you have accepted this same false Christ is definitely less, the possibility is still there. And even if you have not, the men that you love so much--your husband, your father, your sons--may have. I realize that what I have just said may be pretty disturbing, but I believe with all my heart that it is true, and that the seriousness of the situation calls for solemn words and solemn pleas. I am convinced that multitudes of sincere, Spirit-of-Prophecy-loving Seventh-day Adventists have accepted an understanding of Christ and of righteousness that will cause them to lose out on eternity. Please, try to realize how real is Christ's warning: If it were possible, they shall deceive the very elect.

LGBTQ and Same Sex Marriage Gregory Kincaide, 2023-02-20 Gregory Kincaide is a well-respected minister in the Church of God. He has served the church in many capacities—including preacher, teacher, worship leader, and counselor—and worked extensively in the prison ministry. He was ordained in 1988 by the Tennessee Ministerial Assembly. Minister Kincaide is currently making full proof of his ministries by publishing Christian books and doing the work of evangelism. He received his Bachelor of Arts degree from Langston University. His driving passion and calling is preaching the gospel of Jesus Christ. In *LGBTQ and Same-Sex Marriage*, Minister Kincaide addresses these two highly controversial subjects of major concern in the church, deferring to God’s Word as the final arbitrator and authority. Each page in the book includes questions and Bible verses to encourage personal study and self-examination. The book serves as an excellent tool to assist every reader, whether a maturing Christian or non-Christian, to better understand what the Bible teaches. Minister Kincaide’s personal belief is that no one has enough wisdom and knowledge to improve upon what God has already established.

The Science of the Soul in Colonial New England Sarah Rivett, 2012-12-01 *The Science of the Soul* challenges long-standing notions of Puritan provincialism as antithetical to the Enlightenment. Sarah Rivett demonstrates that, instead, empiricism and natural philosophy combined with Puritanism to transform the scope of religious activity in colonial New England from the 1630s to the Great Awakening of the 1740s. In an unprecedented move, Puritan ministers from Thomas Shepard and John Eliot to Cotton Mather and Jonathan Edwards studied the human soul using the same systematic methods that philosophers applied to the study of nature. In particular, they considered the testimonies of tortured adolescent girls at the center of the Salem witch trials, Native American converts, and dying women as a source of material insight into the divine. Conversions and deathbed speeches were thus scrutinized for evidence of grace in a way that bridged the material and the spiritual, the visible and the invisible, the worldly and the divine. In this way, the “science of the soul” was as much a part of seventeenth- and eighteenth-century natural philosophy as it was part of post-Reformation theology. Rivett’s account restores the unity of religion and science in the early modern world and highlights the role and importance of both to transatlantic circuits of knowledge formation.

Lies Women Believe Nancy DeMoss Wolgemuth, 2018-02-06 Counter the lies that keep you from abundant living. Satan is the master deceiver; his lies are endless. And the lies Christian women believe are at the root of most of their struggles. Many women live under a cloud of personal guilt and condemnation, says Nancy DeMoss Wolgemuth. Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners. In this bestseller, *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to

counter and overcome Satan's deceptions: God's truth!

A Feminist Companion to Tobit and Judith Athalya Brenner-Idan, Helen Efthimiadis-Keith, 2015-10-22 A Feminist Companion to Tobit and Judith extends the work of the hugely influential and respected Feminist Companion series, which continues to set the standard for feminist approaches to the Hebrew Bible and related texts. In the present volume Athalya Brenner-Idan (with Helen Efthimiadis-Keith) draws together a range of scholarly commentators and addresses the core issues relating to feminist interpretations of the two texts at hand. The volume examines attitudes to gender, identities, exile, social mores, beliefs, clothing, food and drink, personal relationships, and biblical reception. The contributors are: Beverly Bow and George Nickelsburg, Athalya Brenner-Idan, Ora Brison, Helen Efthimiadis-Keith, Renate Egger-Wenzel, Beate Ego, Emma England, Jennifer Glancy, Jan Willem van Henten, Naomi Jacobs, Amy-Jill Levine, Pamela Milne, and Barbara Schmitz.
