

Sinuhe El Egipcio Reparto

Mika Waltari

Sinuhe, el Egipcio Mika Waltari, 1951

Guía del cine Carlos Aguilar, 2014-10-30 El presente volumen encierra el diccionario de películas más extenso y variado en lengua española, e incluye películas de toda índole y nacionalidad, desde el cine mudo hasta el presente año. Cada entrada incluye los datos fundamentales (título español y original, año y país de producción, director, guión, fotografía, música, duración e intérpretes), más una sinopsis orientativa. Asimismo, incluye dos índices, el de directores con las películas recogidas en la obra, relacionadas por orden cronológico, y el de títulos originales, con sus correspondientes españoles. Obra singular en la bibliografía cinematográfica española (que contempla de modo particular la producción nacional), constituye un libro imprescindible para todos aquellos relacionados con el Cine, en el arco comprendido desde el aficionado hasta el profesional.

Guía del cine Carlos Aguilar Gutiérrez, 2018-09-27 El presente volumen encierra el diccionario de películas más extenso y variado en lengua española, e incluye películas de toda índole y nacionalidad, desde el cine mudo hasta el presente año. Cada entrada incluye los datos fundamentales (título español y original, año y país de producción, director, guión, fotografía, música, duración e intérpretes), más una sinopsis orientativa. Asimismo, incluye dos índices, el de directores con las películas recogidas en la obra, relacionadas por orden cronológico, y el de títulos originales, con sus correspondientes españoles.

Paul Newman Shawn Levy, 2011-03-11 La primera gran biografía de Paul Newman, uno de los grandes actores de todos los tiempos. Existen pocas miradas tan inolvidables como la de Paul Newman. En su rostro apolíneo se reflejaron todos los matices de la condición humana a lo largo de una de las carreras cinematográficas más brillantes, firmes y coherentes del siglo XX. Todo el mundo recordará siempre sus ojos azules y su sonrisa, pero ¿quién fue realmente Paul Newman? Shawn Levy, uno de los más respetados críticos de cine estadounidenses, construye en este libro imprescindible el primer gran retrato biográfico del legendario actor. Con vigoroso pulso narrativo, Levy nos cuenta sus orígenes en Cleveland, sus primeros y difíciles pasos como actor de teatro y televisión, sus años de formación en el mítico Actors Studio o su impresionante salto a la fama gracias a un papel que debería haber interpretado James Dean. También aparece aquí el Newman más desconocido: su largo matrimonio con Joanne Woodward, su difícil paternidad, su faceta de empresario y su tardía entrega a la dirección cinematográfica. El resultado es un apasionante relato sobre la vida íntima y pública de un

magnífico actor, sobre las experiencias de un gran hombre y, en definitiva, sobre el cine y el mundo en el siglo pasado. La crítica ha dicho... «Profusamente investigado. [...] Poder deleitarse con las ideas de Newman basta para revivir, aunque sea brevemente, a esta estrella única en su especie. Y para volver a echarle terriblemente de menos cuando se pasa la última página». USA Today «Levy revela las grietas [...] sin dejar de apreciar con profundidad al hombre». People «Este libro bien documentado nos recuerda por qué nos encantaba tener a Newman entre nosotros». New York Daily News «Nítido, inteligente e incisivo». Boston Phoenix «Un gran homenaje a Newman». Time «Un relato rico. [...] Es testamento de la capacidad narrativa de Levy que consiga hacer que una hoja de lechuga suene tan espectacular como trabajar con Robert Redford o Tom Cruise. [...] Se lee solo». Cleveland Plain Dealer «Elocuente y perspicaz. [...] La biografía de Levy, meticulosamente investigada, es el retrato más revelador que se pueda esperar». Christian Science Monitor «Una excelente y entrañable visión de conjunto de Paul Newman [...], una maravillosa medida del hombre». Pittsburgh Post-Gazette «Fascinante. Una biografía rica, sólida y muy amena de un gran icono del cine estadounidense». The Oregonian

De héroes y dioses. 50 películas sobre la antigüedad Rafael de España Renedo, 2017-04-27 Como el cine nació en Europa (con permiso de Edison), no ha de resultar extraño que le gustara evocar aquellas épocas que habían sido las fuentes de lo que conocemos como civilización occidental: el Oriente mediterráneo por sus vinculaciones religiosas, Grecia por su arte y su literatura, Roma por su sentido de la organización social y política, y Egipto por considerarse un «descubrimiento» de los arqueólogos europeos. El primer personaje histórico que protagoniza una película, en una fecha tan temprana como 1896, es el emperador Nerón, seguido un poco después por Jesucristo. Este libro propone un recorrido por más de cien años de cine sobre la antigüedad a través de 50 títulos, empezando en Italia en 1908 con la primera versión de *Los últimos días de Pompeya*, y acabando en el Japón de 2012 con *Thermæ Romæ*, una curiosa fusión de manga y péplum.

Un resplandor inicial Daniel Guebel, 2021-10-21 Yo escribí para enseñarme a leer, anota Daniel Guebel en este libro donde revisa uno por uno los que escribió hasta hoy. De Occidente a Oriente, del Quijote a *Las mil y una noches*, la biblioteca personal es una clave para entender de qué está hecha su escritura, cómo se llega a tener un estilo, una voz, un tono propio, una sintaxis, a dar con una peripecia literaria. La ilusión de la luz también forma la trama que brilla en las palabras. Pero la escritura y la lectura están cosidas por dentro, forman un argumento consistente que va detrás de un resplandor, de una sensualidad que persigue una forma, un dejo de melancolía o de incompletud, que guarda su sentido en el corazón de la obra.

De la antropología filosófica a la antropología de la salud Rosa María Boixareu, 2016-01-29 Hará bien el lector en sentir curiosidad por este texto y en satisfacerla. Parece un manual de antropología que fija su atención en la salud, el padecimiento y la enfermedad, y la pregunta por la muerte. Pero, aunque parezca un manual, ¿lo es? Ciertamente se trata de una obra de difícil clasificación. Ofrece una descripción diversa y plural sobre la búsqueda humana del bienestar, un bienestar del que se brindan distintas miradas y experiencias, lecturas e interpretaciones; un bienestar que nos construimos

y que nos construyen. De la antropología filosófica a la antropología de la salud propone al lector (profesional de la salud o no) una plataforma de reflexión filosófica desde la cual intentar dar respuesta a las preguntas que le plantea el presente en términos de mejora, de posibilidades y oportunidades de bienestar. Éste es un libro con vocación didáctica, con sensibilidad social, que pretende despertar la curiosidad del lector y estimularlo para que construya su propio escenario práctico en relación con el bienestar. No es un punto y final ni un recetario, sino que se ofrece como un punto de partida, como un reto para el presente con la mirada puesta, también, en otros lugares y tiempos distintos a los propios.
