The Woman Back from Moscow: In Pursuit of Beauty Ha Jin, 2023-11-21 Through the life of a remarkable woman—based on pioneering stage director Sun Weishi (1921-1968)—this epic novel immerses us in the multifaceted history of China's Communist Party. A powerful, insightful account from the National Book Award-winning author, who came of age during the Cultural Revolution. As a promising young actress, Sun Weishi made the critical decision to pursue her studies in Moscow—with the blessing of her influential adoptive father, Zhou Enlai, and Mao himself. The valuable insights she gained there during World War II, most notably the significance of characters' inner lives, would enable her to excel back in China, where she produced works by Chekhov and Gogol, and other socially progressive dramas, such as an adaptation of Uncle Tom's Cabin. Her striking career as China's first female director of modern spoken drama (Huaju) would be derailed with the advent of the Cultural Revolution in 1966, however, which put her once again at odds with an old enemy—Jiang Qing, a fellow actress who schemed her way to the top as Mao's fourth and final wife. Through the decades-long rivalry between these two complex women, and their differing approaches to the men in power who shaped their lives, Ha Jin deftly explores the ideals of communism and the reality of the Chinese Communist Party. At the same time, the novel captivates us with Sun Weishi's personal struggles and triumphs, as she navigates friendship, love, art, and politics amidst the great events of the twentieth century.

The Secret History of the CIA Joseph John Trento, 2001 In *The Secret History of the CIA*, celebrated investigative reporter and intelligence expert Joseph J. Trento uncovers the whole story of America's most secret organization, from its formation after World War II to steer Cold War intelligence operations, through its sordid, illegal attempts to assassinate foreign leaders, arm vicious dictators, and topple democratically elected governments, to the awful failure of 9/11. And despite its obsession with security, it was riddled with double agents, traitors, and moles.--Jacket.
