Dressed in Black Lisa MacKinney,2025-03-18 The first full-length history of the Shangri-Las, one of the most significant—and most misunderstood—pop groups of the 1960s. Sisters Mary and Betty Weiss, together with twins Mary Ann and Marguerite Ganser, were schoolgirls when they formed the Shangri-Las in 1963, and had a meteoric rise to fame with songs like “Leader of the Pack” and “Remember (Walking in the Sand).” Their career was cut short for reasons largely beyond their control, derailed by the machinations of Mafia-linked record executives, and heartbreak and tragedy followed. Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri-Las’ story, dispelling many myths and long-standing mysteries along the way. Equally importantly, *Dressed in Black* radically rewrites the accepted narrative of the Shangri-Las’ place in rock history. As young women, they were permitted little agency within a male-dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers, songwriters, and label owners. For decades, this has served as an excuse for critics to deny the musical input of the group members, to trivialize the Shangri-Las as a girl group, and to assign their work a lesser rank in the canon of authentic rock and roll. MacKinney’s great achievement here is to foreground the Shangri-Las’ considerable abilities and musicality, and establish the centrality of their performance of their songs to the group’s underappreciated artistic achievement. This is not to deny the critical role in the group’s success of professional songwriters (including Ellie Greenwich and Jeff Barry) and writer/producer George ‘Shadow’ Morton, a pioneering and eccentric figure whose self-mythologizing has generated a level of obfuscation that rivals that of the Shangri-Las themselves. MacKinney’s clear-sighted account reveals Morton in a completely new light—and as part of a complex ecosystem of musical relationships. Morton wrote and produced highly emotional material specifically for the Shangri-Las because he knew they had the skills to make his mini-operas not only believable, but enthralling. The group members, particularly Mary Weiss, channeled personal anguish into their extraordinary performances, which are central to the songs’ impact—no less so than for such classic singers as Ella Fitzgerald and Elvis Presley, who also relied on producers and songwriters for their body of work. The Shangri-Las’ impassioned delivery elicited a massive response from their audience of fellow teenagers at the time and has continued to connect profoundly with audiences ever since. MacKinney backs up these arguments with in-depth analysis of key Shangri-Las’ recordings, and makes a powerful case that their achievements warrant a far more prominent place for the Shangri-Las in the history of popular music.

If I Can Make It There, I Can Make It Anywhere M. Stefan Strozier, 2017-03-10 In this comprehensive, first and one-of-its-kind book, playwright and producer M. Stefan Strozier will guide you through how to produce a play or a musical in New York or Regional Theater, and how to become a professional producer yourself. The author will explain how to successfully produce theater on a shoestring, based on real experience and budgets in New York, where he was able to mount full productions at a tenth of what everyone else was doing. All aspects of theater are covered in great detail, from acting to lights to finding investors, and much more. Every obstacle is anticipated and given a solution. Tips and information are included on obtaining 501c3 non-profit status and operating a non-profit theater company.
