

# A Broom At Midnight

**Remo Bufano**

*A Broom at Midnight* Roger J. Horne, 2021-10-06 Preserved in medieval and early modern witch-lore, the image of the witch embarking upon flight has become iconic from a historic and folkloric perspective. In the accounts of previous ages, however, it was commonly understood that witches flew in spirit form rather than corporeal form, leaving the physical body behind as the practitioner voyaged into the otherworld to procure knowledge, learn charms, visit boon or bane upon others, and attend the spiritual gathering of the witches' sabbat. In this unique offering, the author organizes the lore and charms of the transvective arts around thirteen central lessons and approaches in methodology, acting as gates through which the practitioner may cross. Some approaches offered here may be familiar to folk and traditional witches, such as via veneficium (by way of poison) and via equarum (by way of steed), while others, like via imaginibus (by way of image) and via tempestatis (by way of storm) draw on historic lore and charms in order to innovate upon old craft while maintaining the spirit that flavors these beloved arts. By mastering the often overlooked work of sabbatic ekstasis, the witch is brought into direct contact with familiar spirits, powers of the land and of ancestry, and with the primal sources of witchcraft itself, yielding an inexhaustible and ever-unfolding curriculum of the art magical.

Buster Midnight's Cafe Sandra Dallas, 2007-04-01 May Anna Kovacks was discovered on the dusty streets of Butte, Montana and went on to become a Hollywood star. War, fame, marriage, love, and heartbreak came and went. What never changed was the bond she shared with her two best friends, Effa Commander and Whippy Bird. When scandal, murder, and betrayal made a legend of May Anna, only Effa and Whippy Bird could set the record straight.

*Forbidden City* Vanessa Hua, 2023-04-18 NATIONAL BESTSELLER • A teenage girl living in 1960s China becomes Mao Zedong's protégée and lover—and a heroine of the Cultural Revolution—in this “masterful” (The Washington Post) novel. “A new classic about China’s Cultural Revolution . . . Think Succession, but add death and mayhem to the palace intrigue. . . . Ambitious and impressive.”—San Francisco Chronicle ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, PopSugar • Longlisted for the Joyce Carol Oates Prize On the eve of China’s Cultural Revolution and her sixteenth birthday, Mei dreams of becoming a model revolutionary. When the Communist Party recruits girls for a mysterious duty in the capital, she seizes the opportunity to escape her impoverished village. It is only when Mei arrives at the Chairman’s opulent residence—a forbidden city unto itself—that she learns that the girls’ job is to dance with the Party elites. Ambitious and

whip-smart, Mei beelines toward the Chairman. Mei gradually separates herself from the other recruits to become the Chairman's confidante—and paramour. While he fends off political rivals, Mei faces down schemers from the dance troupe who will stop at nothing to take her place and the Chairman's imperious wife, who has secret plans of her own. When the Chairman finally gives Mei a political mission, she seizes it with fervor, but the brutality of this latest stage of the revolution makes her begin to doubt all the certainties she has held so dear. *Forbidden City* is an epic yet intimate portrayal of one of the world's most powerful and least understood leaders during this extraordinarily turbulent period in modern Chinese history. Mei's harrowing journey toward truth and disillusionment raises questions about power, manipulation, and belief, as seen through the eyes of a passionate teenage girl.

**The Bewitching Hour** Barbara Johannsen,2009-10-31 Shortly after witch Gema McKnight met Professor Derrick Scottsdale, she realized she loved him. A witch in love with a mortal? Even the mystic protector Gema's mother sent to

protect her thinks it is a bad idea. The match seems unlikely--but then Halloween arrives and the bewitching hour chimes. Derrick is set to inherit the family fortune--if he can survive the devious plan his Uncle Leonard has arranged. The witch loves the Professor and though she is reluctant to reveal her heritage to him, she refuses to stand by and let him be harmed. Can the young witch foil the evil uncle's plan and save her beloved professor? Will the teacher still want the witch when he witnesses her bizarre talents? Will the centuries old protector stand idly by and allow her young charge to take on evil Uncle Leonard?
