**Living A Course in Miracles** Jon Mundy, 2011-02-01 The essential guide to one of the most influential spiritual works ever written. In 1976, a mysterious “Inner Voice” called out to a woman named Helen Schucman, dictating a system of belief that ultimately became A Course in Miracles. This book, totaling 1,333 pages, went on to sell more than two million copies around the world. Its lessons are meant to be digested one at a time; those who study ACIM do so over years, often struggling to progress through its resonant but difficult-to-comprehend truths. Jon Mundy—who knew the Course's founders and the text from the very beginning—is the perfect guide to the book's central tenets. Using passages from ACIM, he illuminates its teachings on such subjects as the self, forgiveness, desire, health, money, addiction, and the afterlife. Through Jon's lively storytelling and in-depth knowledge of the Course's wisdom, readers gain wisdom that might otherwise have taken them a lifetime to grasp.

**Living with Miracles** D. Patrick Miller, 2011-05-12 The first comprehensive guide to studying A Course in Miracles, for readers at all levels of experience. The channeled writings of A Course in Miracles have touched millions of lives. And yet ACIM can be surprisingly difficult to navigate. From its often complex concepts about the nature of the ego, reality, and love; to the many intense, surprising, personal changes it can bring into readers' lives, ACIM presents a challenge for even the most motivated students. Now D. Patrick Miller—the leading historical chronicler of ACIM and a highly respected authority on its teachings—provides the definitive how-to manual for engaging with ACIM. His guide distills years of hard-won insights and helps students navigate the sometimes intense experience. *Living with Miracles* is designed to make even the novice comfortable when approaching ACIM. Miller leads the reader through the most common emotions, reactions, and questions that arise when studying ACIM; provides insights and tips about pacing yourself, as well as when and how to take breaks from study; and gives advice on working through early misconceptions and difficult later stages. He also provides useful, absorbing historical material, stories from practitioners around the world who reflect honestly on their experiences, and a resources section with ideas for those looking to continue their study of this remarkable spiritual teaching.

Where MACIM lays out the theoretical foundation of

the Course, PACIM provides a year of practical lessons to transform your experience to peace, and WACIM provides answers to common questions.
