

Books About Nurses Fiction

Erica Eisdorfer

The Nurse's Story Carol Gino, 2010-10-12 With uncompromising honesty, Carol Gino strips the TV image to reveal the gritty truths of a nurse's life.

The Nurse's Secret Amanda Skenandore, 2022-06-28 A young female grifter in 1880s New York cons her way into America's first nursing school, but a spate of unexplained murders follows in her wake... "A spellbinding story, a vividly drawn setting, and characters that leap off the pages. This is historical fiction at its finest!"—Sara Ackerman, USA Today bestselling author of *The Codebreaker's Secret* Based on Florence Nightingale's nursing principles, Bellevue is the first school of its kind in the country. Where once nurses were assumed to be ignorant and unskilled, Bellevue prizes discipline, intellect, and moral character, and only young women of good breeding need apply. At first, Una balks at her prim classmates and the doctors' endless commands. Yet life on the streets has prepared her for the horrors of injury and disease found on the wards, and she slowly gains friendship and self-respect. Just as she finds her footing, Una's suspicions about a patient's death put her at risk of exposure, and will force her to choose between her instinct for self-preservation, and exposing her identity in order to save others. Amanda Skenandore brings her medical expertise to a page-turning story that explores the evolution of modern nursing—including the grisly realities of nineteenth-century medicine—as seen through the eyes of an intriguing and dynamic heroine.

The War Nurse Tracey Enerson Wood, 2021-07-06 Any readers who enjoyed the mix of romance, intrigue, and medical accuracy of *Call the Midwife* will love *The War Nurse*.—New York Journal of Books [An] impeccably researched, well-drawn, based-on-a-true-story tale, written by a former RN...*The War Nurse* shines an important light on a woman whose story was, until now, lost to time.—Kristin Harmel, New York Times bestselling author of *The Book of Lost Names* Based on a true story, *The War Nurse* is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France. She asked dozens of young women to lay their lives on the line during the Great War. Can she protect them? Superintendent of Nurses Julia Stimson must recruit sixty-four nurses to relieve the battle-worn British, months before American troops are ready to be deployed. She knows that the young nurses serving near the front lines will face a challenging situation, but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen, France. The primitive conditions, a convoluted, ineffective system, and horrific battle

wounds are enough to discourage the most hardened nurses, and Julia can do nothing but lead by example—even as the military doctors undermine her authority and make her question her very place in the hospital tent. When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other, overwhelming the hospital's limited resources, and threatening the health of her staff, Julia faces an unthinkable choice—to step outside the bounds of her profession and risk the career she has fought so hard for, or to watch the people she cares for most die in her arms. Fans of Martha Hall Kelly's *Lost Roses* and Marie Benedict's *Lady Clementine* will devour this mesmerizing celebration of some of the most overlooked heroes in history: the fierce, determined, and brave nurses who treated soldiers in World War I. Praise for *The War Nurse*: Through careful research, this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations. —Julia Kelly, international bestselling author of *The Last Garden in England* and *The Light Over London* A rich, gripping history of one woman's lifelong battle against systemic prejudice. —Stewart O'Nan, award-winning author of *The Good Wife* Once again, Tracey Enerson Wood, with her impeccable research and evocative prose, kept me glued to the page. Wood has a talent for bringing strong, yet lesser-known women from history, to life. —Linda Rosen, author of *The Disharmony of Silence* A riveting and surprisingly timely story of courage, sacrifice, and friendship forged at the front lines. —Kelly Mustian, author of *The Girls in the Stilt House* If you, like me, are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action, then *The War Nurse* is for you. —Diane Dewey, author of *Fixing the Fates* Fans of Patricia Harman will love Wood's treatment of medical expertise in a historical setting. —Booklist

Doctors & Nurses Lucy Ellmann, 2013-02-14 By the author of *Ducks*, Newburyport, shortlisted for the Man Booker Prize 2019 and the Goldsmiths Prize 'As lunatic and splenetic and distinctive as anything that will be published this year ... I begin to suspect she may be some sort of genius' Telegraph 'It is somehow hard not to be optimistic in the hands of a writer so angry and intelligent ... *Doctors & Nurses* is a novel bracingly alive, making more polite books cadaverous by comparison' Guardian The tranquillity of a rural backwater - SHATTERED! The ancient arts of medicine - EXPOSED! Her darling cleft-chinned doctor - FORCED TO FIGHT FOR HIS LIFE! It was a time of wiping. A time of bandaging. Of patients and their incessant needs. In a world where nurses never wash their hands, and doctors are the lowest of the low, one enormous nurse stands up for LOVE - a nurse that will make you fart with fear...

Heroines Behind the Lines Series (Set of 4 books) Jocelyn Green, 2015-03-01 This set includes all four books of the *Heroines Behind the Lines* Series: *Wedded to War*, *Widow of Gettysburg*, *Yankee in Atlanta*, and *Spy of Richmond*. The *Heroines Behind the Lines* Series highlights the crucial contributions made by women during the Civil War. In *Wedded to War*, Charlotte chooses a life of service over privilege, just as her childhood friend had done when he became a military doctor. She soon discovers that she's combatting more than just the rebellion by becoming a nurse. Will the two men who

love her simply stand by and watch as she fights her own battles? Or will their desire for her wage war on her desire to serve God? In *Widow of Gettysburg*, the farm of Union widow Liberty Holloway is disfigured into a Confederate field hospital, bringing her face to face with unspeakable suffering—and a Confederate scout who awakens her long dormant heart. Will Liberty be defined by the tragedy in her life, or will she find a way to triumph over it? In *Yankee in Atlanta*, soldier Caitlin McKae wakes up in Atlanta after being wounded in battle. The Georgian doctor who treated her believed Caitlin's only secret was that she had been fighting for the Confederacy disguised as a man. To avoid arrest or worse, Caitlin hides her true identity and makes a new life for herself in Atlanta. When Sherman's troops edge closer to Atlanta, Caitlin tries to escape north, but is arrested on charges of being a spy. Will honor dictate that Caitlin follow the rules, or love demand that she break them? In *Spy of Richmond*, Union loyalist Sophie Kent attempts to end the war from within the Confederate capital, but she can't do it alone. As Sophie's spy network grows, she walks a tightrope of deception, using her father's position as newspaper editor and a suitor's position in the ordnance bureau. When her espionage endangers the people she loves, she's forced to make a life-and-death gamble.

American Nurses in Fiction Barbara Melosh, 1984

The Wet Nurse's Tale Erica Eisdorfer, 2009-08-06 A debut novel set in Victorian England with a delightfully cheeky heroine who will have everyone talking. Susan Rose is not your average Victorian heroine. She's promiscuous, lovable, plump, and scheming. Luckily for Susan, her big heart is covered by an equally big bosom, and her bosom is her fortune- for Susan becomes a professional wet nurse, like her mother before her, and she makes it her business to know all the intrigues and scandals that the upper crust would prefer to keep to themselves. When her own child is caught up in a family scandal, Susan must use all of her street smarts to rescue her baby from the powerful mistress of the house. The scheme she weaves is bold and daring, and could spell ruin if she fails-but Susan Rose has no intention of failing.

One Flew Over the Cuckoo's Nest Ken Kesey,2002-12-31 Ken Kesey's bracing, insightful novel about the meaning of madness and the value of self-reliance, and the inspiration for the new Netflix original series *Ratched* Boisterous, ribald, and ultimately shattering, Ken Kesey's *One Flew Over the Cuckoo's Nest* is the seminal novel of the 1960s that has left an indelible mark on the literature of our time. Here is the unforgettable story of a mental ward and its inhabitants, especially the tyrannical Big Nurse Ratched and Randle Patrick McMurphy, the brawling, fun-loving new inmate who resolves to oppose her. We see the struggle through the eyes of Chief Bromden, the seemingly mute half-Indian patient who witnesses and understands McMurphy's heroic attempt to do battle with the awesome powers that keep them all imprisoned.

Fetch Nurse Connie Jean Fullerton,2015-06-04 London, 1945 and as the end of the war is declared and the troops start returning home, the nurses of the East End are joining in the celebrations. For Nurse Connie Byrne the end of the war signals the beginning of a new chapter and as the revelries go on around the city, Connie's mind is on another celebration that she'll be able to arrange - the wedding to her sweetheart, Charlie, set to take place as soon as he arrives home. But when Connie meets Charlie off the train at London Bridge, she finds that his homecoming isn't quite going to go according to plan... Connie's busy professional life, and the larger-than-life patients in the district, offer a welcome distraction, but for how long? If nursing in the East End has taught Connie anything, it's that life is full of surprises...

Book Chat William George Jordan,Adr Schade van Westrum,1888

Nursing Is for Men Too Kevin Traille,2015-02-25 Come and take a ride with me along this fictional journey through the field of nursing. Come have your questions about nursing answered. What exactly do nurses do? Is nursing difficult? Can I do it? Is it too late to change my career? Is nursing for men too? This book can be your guide to a new future should you choose nursing as a career. I hope that while you read this you can substitute yourself into the story and see yourself in a new light.

Beside a Burning Sea John Shors,2008-09-02 From the author of *Beneath a Marble Sky* comes an inspiring new novel of a man and a woman from different worlds whose love is put to the ultimate test as they struggle to survive an extraordinary set of circumstances. View our feature on John Shors' *Beside a Burning Sea*. One moment, the World War II hospital ship *Benevolence* is patrolling the South Pacific on a mission of mercy—to save wounded American soldiers. The next, *Benevolence* is split in two by a torpedo, killing almost everyone on board. A small band of survivors, including an injured Japanese soldier and a young American nurse whom he saves from drowning, makes it to the deserted shore of a nearby island. Akira has suffered five years of bloodshed and horror fighting for the Japanese empire. Now, surrounded by enemies he is supposed to hate, he instead finds solace in their company—and rediscovers his love of poetry. While sharing the mystery and beauty of this passion with Annie, the captivating but tormented woman he rescued, Akira grapples with the pain of his past while helping Annie uncover the promise of her future. Meanwhile, the remaining castaways endure a world not of their making—a world as barbaric as it is beautiful, as hateful as it is loving. With the blend of epic storytelling and

emotional intensity that distinguishes him as a unique talent, John Shors reveals a powerful story of redemption focusing on unlikely lovers, heroes and villains, and war-torn countries—all, in their own ways, fighting to survive.

Beyond Picture Books Barbara Barstow, Judith Riggle, 1989

The Rose of Sebastopol Katharine McMahon, 2009-03-05 The #1 international bestseller about love, war and betrayal from the author of *The Alchemist's Daughter*. In 1854, adventurous Rosa Barr travels to the Crimean battlefield with Florence Nightingale's nursing corps. For Mariella Lingwood, Rosa's cousin, the war is contained within the letters she receives from her fiancé, Henry, a celebrated surgeon who also has volunteered to work in the shadow of the guns. When Henry falls ill, Mariella impulsively takes an epic journey to the ravaged landscape of the Crimea and the tragic city of Sebastopol. What she finds there, as her world begins to crumble, is that she has much to learn about secrecy, faithfulness, and love...

As recognized, adventure as without difficulty as experience roughly lesson, amusement, as skillfully as treaty can be gotten by just checking out a book **Books About Nurses Fiction** next it is not directly done, you could acknowledge even more on the order of this life, with reference to the world.

While this might not be the Books About Nurses Fiction full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Books About Nurses Fiction eBooks, including some popular titles.

FAQs About Books About Nurses Fiction Books

What is a Books About Nurses Fiction PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the

layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Books About Nurses Fiction PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Books About Nurses Fiction PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Books About Nurses Fiction PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert

PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Books About Nurses Fiction PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or

various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
