**See the Light** Kate McMurray, 2019-01-28 Kate McMurray brings friends-to-lovers to the Great White Way Up-and-coming Broadway actor Jeremy was given two days to get up and get out. Dumped by his long-term boyfriend and suddenly homeless, he needs a sofa and a sympathetic ear, stat. Enter Max, aspiring makeup artist and Jeremy's BFF and former roommate. Max has been in love with his best friend forever. Now that Jeremy is back in his home, his old feelings are back, too. He's happy to help his friend, but this time...it's complicated. When Jeremy gets his big break in a new show, the message of the play hits home. "Live life to the fullest" means recognizing how he really feels about Max, and that's not complicated at all. Jeremy's in love, and wants to move full steam ahead. But Max has waited too long for Jeremy to look at him this way, and he doesn't want to risk his heart. If this is just a rebound fling, or if Jeremy is only interested in Max because he's convenient, it will not only shatter him—it will ruin the best friendship he's ever known. **The Musical Theatre Composer as Dramatist** Rebecca Applin Warner, 2023-01-26 Dramaturgy is at the heart of any musical theatre score, proving that song and music combined can collectively act as drama. The Musical Theatre Composer as Dramatist: A Handbook for Collaboration offers techniques for approaching a musical with the drama at the centre of the music. Written by a working composer of British musical theatre, this original and highly practical book is intended for composers, students of musical theatre and performing arts and their collaborators. Through detailed case studies, conceptual frameworks and frank analysis, this book encourages the collaboration between the languages of music and drama. It offers a shared language for talking about music in the creation of musical theatre, as well as practical exercises for both composers and their collaborators and ways of analysing existing musical theatre scores for those who are versed in musical terminology, and those who are not. Speaking directly to the contemporary artist, working examples are drawn from a wide range of musicals throughout Part One, before a full case study analysis of Everybody's Talking About Jamie brings all the ideas together in Part Two. Part Three offers a range of practical exercises for anyone creating new musicals, particularly composers and their collaborators.

I Take My Coffee Black Tyler Merritt, 2021-09-14 In the wake of his deeply powerful viral videos (Before You Call the Cops and Walking While Black), Tyler Merritt shares his experiences as a black man in America with truth, humor, and poignancy. Tyler Merritt's video Before You Call the Cops has been viewed millions of times. He's appeared on Jimmy Kimmel and Sports Illustrated and has been profiled in the New York Times. The viral video's main point—the more you know someone, the more empathy, understanding, and compassion you have for that person—is the springboard for this book. By sharing his highs and exposing his lows, Tyler welcomes us into his world in order to help bridge the divides that seem to grow wider every day. In *I Take My Coffee Black*, Tyler tells hilarious stories from his own life as a black man in America. He talks about growing up in a multi-cultural community and realizing that he wasn't always welcome, how he quit sports for musical theater (that's where the girls were) to how Jesus barged in uninvited and changed his life forever (it all started with a Triple F.A.T. Goose jacket) to how he ended up at a small Bible college in Santa Cruz because he thought they had a great theater program (they didn't). Throughout his stories, he also seamlessly weaves in lessons about privilege, the legacy of lynching and sharecropping and why you don't cross black mamas. He teaches readers about the history of encoded racism that still undergirds our society today. By turns witty, insightful, touching, and laugh-out-loud funny, *I Take My Coffee Black* paints a portrait of black manhood in America and enlightens, illuminates, and entertains—ultimately building the kind of empathy that might just be the antidote against the racial injustice in our society.

**Thom Pain (based on nothing) [Revised TCG Edition]** Will Eno, 2019-01-08 “It’s sad, isn’t it? The dead horse of a life we beat, all the wilder, all the harder the deader it gets. On the other hand, there are some nice shops in the area.” Thom Pain has come to a certain point in his life. Maybe you have too. His entire existence is ordinary; but that ordinariness is a revelation and a wonder and a curiosity. To him at least. He’d better hope so. It’s all he has (except maybe a dictionary and an old love letter). Comic and disturbing, this provocative monologue charts one man’s anguished journey from shattered childhood dreams and trauma to the tenuous, if guarded, optimism of adulthood, told in dangerous intimacy by a voice loaded with wry humor and deceptive charm.

SLEEPWALKING: a young insomniac stumbles across a host of fellow late night New Yorkers while contemplating why she is always awake. LIGHTNING: Desperate to get pregnant, a woman debates tampering with her birth control and the consequences that may befall her from a higher power. BREASTS: A young woman ponders her complicated relationship with her breasts in the aftermath of cancer surgery. LUCY: A scientist haunted by an old affair and her inability to save the African Elephants attempts to move ahead in her own life.

**Beat the Devil** David Hare,2020-08-28 Covid-19 seems to be a sort of dirty bomb, thrown into the body to cause havoc. On the same day that the UK government finally made the first of two decisive interventions that led to a conspicuously late lockdown, David Hare contracted Covid-19. Nobody seemed to know much about it then, and many doctors are not altogether sure they know much more today. Suffering a pageant of apparently random symptoms, Hare recalls the delirium of his illness, which mixed with fear, dream, honest medicine and dishonest politics to create a monologue of furious urgency and power.

*Life Interrupted* Spalding Gray,2005 Brings together an original short story and a poignant love letter to New York City with selections from the monologue--about a devastating accident that occurred while vacationing in Ireland and its painful aftermath--that he left unfinished at the time of his tragic 2004 suicide. 30,000 first printing.
