A Collection Of 115 Mission Statements Lida Willick, 2021-07-06 Have you ever wonder why does virtually every company has a mission statement? Companies large such as Rolls-Royce, Coca-Cola, JP Morgan, or small companies take the time to develop their mission or vision statements. Why? This book will provide a clear definition of a mission and vision statement, company core values and show you some of the best samples. This book includes some original mission statements from companies such as Yahoo! so you can see how businesses may have changed their purpose and vision over time. You'll also read about Twitter and the viral mocking responses they received after announcing their new statement (which later Twitter had to clarify wasn't their actual mission statement but simply a 'strategy statement'). In this book, you will learn: - the definition of a company mission statement - what are company core values with useful examples - the difference between a mission and vision statement - how companies use them to guide their business strategy - how it helps businesses even on a day-to-day decision-making level - why they matter more than ever in business - how to write a mission statement that works for your business - the most powerful and brilliant four-word vision statement sample (you'll probably never guess which company

The Art of Communication Hilda K. Weisburg, 2022-10-05 Librarians will learn communication skills that help them develop as leaders, build community, and advocate for their libraries. Librarians understand the importance of making the value of the library known to stakeholders. In this informative and conversational book, Hilda K. Weisburg gradually builds librarians' communication skills, which are intrinsic to the success of library programs and services. Being able to effectively communicate as a sender and receiver of messages is a vital leadership skill, and librarians must master all the multi-faceted ways people exchange information in order to grow as leaders. Throughout the book, librarians will learn communication basics and the obstacles that interfere with successful communication. The chapters in part one detail the three components of communication; part two prepares librarians to cope with difficult communications; and part three gives librarians further techniques to ensure their messages are cohesive and strategic as they reach out to stakeholders. The book's goal is for librarians to feel confident about using their newly learned communication skills for advocacy. As their value to the library community grows, they will be able to strategically use the relationships their communications have built to create positive change.
