

Durkheim Theory Of Religion

Anne Warfield Rawls

The Elementary Forms of the Religious Life Emile Durkheim, 2016-09-01 In this book we propose to study the most primitive and simple religion which is actually known, to make an analysis of it, and to attempt an explanation of it. A religious system may be said to be the most primitive which we can observe when it fulfils the two following conditions: in the first place, when it is found in a society whose organization is surpassed by no others in simplicity; and secondly, when it is possible to explain it without making use of any element borrowed from a previous religion. We shall set ourselves to describe the organization of this system with all the exactness and fidelity that an ethnographer or an historian could give it. But our task will not be limited to that: sociology raises other problems than history or ethnography. It does not seek to know the passed forms of civilization with the sole end of knowing them and reconstructing them. But rather, like every positive science, it has as its object the explanation of some actual reality which is near to us, and which consequently is capable of affecting our ideas and our acts: this reality is man, and more precisely, the man of to-day, for there is nothing which we are more interested in knowing. Then we are not going to study a very archaic religion simply for the pleasure of telling its peculiarities and its singularities. If we have taken it as the subject of our research, it is because it has seemed to us better adapted than any other to lead to an understanding of the religious nature of man, that is to say, to show us an essential and permanent aspect of humanity.

The Elementary Forms of Religious Life Émile Durkheim, 2008-04-17 In *The Elementary Forms of Religious Life*, Durkheim investigated the enduring source of human social identity and fellowship by studying the simplest form of documented religion, totemism among the Aborigines of Australia. His book about the origin and nature of religion and society continues to enthrall sociologists, anthropologists, ethnographers, philosophers, and theologians.

Durkheim's Sociology of Religion WSF Pickering, 2009-05-28 Religion is central to Durkheim's theory of society, and his work laid most of the foundations of the sociology of religion. Daring and brilliant though his analysis was, its bold claims and questionable premises has made it the subject of ongoing academic debate. Durkheim's work on the subject reached a peak with the publication in 1912 of what turned out to be a classic in its field, *The Elementary Forms of the Religious Life*. No other book has explained Durkheim's views on religion using the whole corpus of his writings. Dr Pickering shows how Durkheim's position developed and explains the themes and theories that run through Durkheim's work. This includes

Durkheim's attitude towards secularisation and Christian churches, as well as his notion of the contemporary cult of the individual.

Durkheim on Religion Emile Durkheim, 2011-01-27 The famous French sociologist Emile Durkheim is universally recognised as one of the founding fathers of sociology as an academic discipline. He wrote on the division of labour, methodology, suicide and education, but his most prolific and influential works were his writings on religion, which culminated in his controversial book *The Elementary Forms of the Religious Life*. Although his influence continued long after his death in 1917, this is the first book to provide a detailed look at the whole of his work in the field of religion. *Durkheim on Religion* is a selection of readings from Durkheim's writings on religion, presented in order of original publication, ranging from early reviews to articles and extracts from his books. Also included are detailed bibliographies and abstracts together with contributions by such writers as Van Gennep, Goldenweiser and Stanner. This book will be invaluable to those studying sociology and anthropology, but will also be of interest to those studying the history or philosophy of religion, as well as to anyone with an interest in Durkheim.

The Elementary Forms of the Religious Life Emile Durkheim, 2015-04-17 *The Elementary Forms of the Religious Life* is the classic and unabridged work on the sociology of religion by one of the founders of the modern science of sociology—now presented in a library-quality hardcover edition. [Look for the modern edition published by Quid Pro with a red cover; it avoids the proofreading and formatting errors of many new editions.] Emile Durkheim examines religion as a social phenomenon, across time and geographic boundaries. Some of the most elemental forms of social organization are analyzed, along with their religious beliefs and practices, to determine what is fundamental and shared by societies about religion and faith. By examining some of the most basic forms of religion, particularly in aboriginal Australia and native America, and using a creative sociological and anthropological approach, Durkheim discovered the core of what separates religion from ritual, mysticism, science, and mere magic—what makes the soul more than a spirit. He lays bare the notion that the primitive rite, or any religion, is mainly about fear. Part of the Classics of the Social Sciences Series from Quid Pro Books, and finally in a library-quality hardcover edition, this contemporary republication includes embedded page numbers from the standard print editions, for continuity of citations across print platforms and Quid Pro's eBook edition (also with the red cover). Standard pagination is a very useful feature for research, classwork, and group assignments. This work is simply part of the canon of its field (both in cultural anthropology and in the sociology of religion), and is presented by Quid Pro in contemporary paperback and eBook formats. It includes 2012 Notes of the Series Editor, Steven Alan Childress, Ph.D., J.D., a senior professor of law at Tulane University.

Emile Durkheim's Sociological Theory of Religion and of Knowledge Maurice Okpo Ene, 1973

The Elementary Forms of the Religious Life Émile Durkheim, 2014-03 This Is A New Release Of The Original 1915

Edition.

Three Faces of God Donald A. Nielsen, 1998-11-05 Three Faces of God offers a new interpretation of Emile Durkheim's social philosophy. It challenges the current view of him as primarily a scientific sociologist who identified sociology with the study of collective representations. Nielsen argues that Durkheim was a sociological monist who developed a concept of social substance and a theory of society, religion and the categories of understanding strikingly similar to Spinoza's philosophy. The book provides a comprehensive examination of Durkheim's major and minor writings, especially his theory of religion and the categories, and compares his work with Aristotle, Bacon, Kant, and Renouvier. The author places Durkheim's thought in the context of an encounter between traditional religious ideals, especially Judaism, and modernizing scientific and philosophical currents.

Reappraising Durkheim for the study and teaching of religion today / edited by Thomas A. Idinopulos and Brian C. Wilson. Thomas A. Idinopulos, Brian Courtney Wilson, 2002 Reappraising Durkheim for the Study and Teaching of Religion Today brings together ten new essays in which noted sociologists, psychologists, phenomenologists, philosophers, and historians of religion grapple with the questions Durkheim raised and the solutions he proposed for the academic study of religion.

Teaching Durkheim Terry F. Godlove Jr., 2004-12-23 Emile Durkheim's work on religion occupies a central place in religious studies classrooms today. At the undergraduate level, Durkheim is widely taught in large Introduction to Religion courses and in upper division seminars in theory and method. His work is also taught in graduate Religious Studies departments of all stripes, from those grounded in the social sciences to those rooted in phenomenology and history of religions. This diverse classroom use within religious studies is reproduced in neighboring disciplines, where Durkheim's work on religion is regularly introduced in courses in sociology, anthropology, history, and philosophy, as well as in such interdisciplinary programs as Jewish studies and women's studies. This volume is designed as a resource for teachers and students of Durkheim on religion, providing practical advice about productive ways to approach central texts and difficult pedagogical issues. It represents diverse points of views and a range of disciplines. The essays in Part One address large issues arising from the whole of Durkheim's work on religion, such as what material to assign in what sorts of courses, and on how to present the material to students of varying background and motivation. Part Two turns to context, with essays assessing the available English translations of the Elementary Forms of Religious Life, and exploring how to teach the historical, critical, and biographical framework of Durkheim's work on religion. Part Three takes up questions of how to incorporate Durkheim's work in courses concerned with ethics, gender studies, and social theory.

The Elementary Forms of the Religious Life, a Study in Religious Sociology Emile Durkheim, 2018-10-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.

This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Emile Durkheim's Sociological Theory of Religion and of Knowledge Maurice Okpo Ene, 1973

Durkheim's Sociology of Religion Stephen E Fowl, David Hein, Pro Pro Pro, Charles R Henery, James Robinson, David L Smith, Tatha Wiley, Richard Bourne, Geoffrey Ahern, W S F Pickering, 2009-09-01 As the world grows increasingly complex, as society becomes more and more fractured, as from day to day and even moment to moment basic attitudes and convictions shake and personal loyalties shift, human beings need more, not less, good counsel for Christian living. This book reaches into the treasury of Anglican spirituality and draws out pearls of wisdom for today's needs. Here the reader will discover spiritual guides both clergy and laity who speak directly to their own hearts, minds, and souls. The Anglican tradition has shown an abiding concern for a holy living that leads to a holy dying; and this book offers earnest, practical devotion to inspire and to instruct the Christian pilgrim in the path of discipleship. Here readers will find not simply a general collection of spiritual writings but rather direct words of spiritual counsel. Moreover, readers will encounter passages selected for both their authoritative content and their surpassing beauty. This book takes seriously the Anglican emphasis on a form of religion that quickens the mind, forms the conscience, guides the will, and lifts the spirit.

Teaching Durkheim Terry F. Godlove, 2004-12-23 Emile Durkheim's work on religion occupies a central place in religious studies classrooms today. Part Two turns to context, with essays assessing the available English translations of the *Elementary Forms of Religious Life*, and exploring how to teach the

historical, critical, and biographical framework of Durkheim's work on religion. Part Three takes up questions of how to incorporate Durkheim's work in courses concerned with ethics, gender studies, and social theory.

Religion, Emergence, and the Origins of Meaning Paul Cassell, 2015-05-12 Why is religion so important to individuals and societies? What gives religion its profound meaningfulness and longevity? Enhancing perspectives taken from sociology and ritual theory, *Religion, Emergence, and the Origins of Meaning* describes how 'emergence theory' – developed to make sense of life and mind – explains why religious communities are special when compared to ordinary human social groups. Paul Cassell argues that in religious ritual, beliefs concerning unseen divine agencies are made uniquely potent, inviting and guiding powerful, alternative experiences, and giving religious groups a form of organization distinct from ordinary human social groups. Going beyond the foundational descriptions of Émile Durkheim and Roy Rappaport, Cassell utilizes the best of 21st century emergence theory to characterize religion's emergent dynamics.

The New Blackwell Companion to the Sociology of Religion Bryan S. Turner, 2016-10-03 THE NEW BLACKWELL COMPANION TO THE Sociology of Religion "...I enjoyed reading this book for its in-depth examination of the complexities of the social forces that are shaping and are being shaped by religious groups around the world. I certainly see this being of theoretical value for researchers engaging the new religious realities of our world." *Sociology of Religion: A Quarterly Review* "... The new companion is a timely and valuable work, validly updating the original companion and a good addition to the reference shelves of any academic or specialist library." Reference Reviews Reflecting recent developments in the field, this companion provides a comprehensive introduction to the sociology of religion with a clear emphasis on comparative and historical approaches. Covering all the areas relevant to undergraduate courses in this area, the Companion begins by laying down the anthropological and sociological foundations of the study of religion and their contemporary developments. It continues with an analysis of both traditional and contemporary forms of organization, such as church-sect typologies as well as "megachurches" and modern forms of spirituality. The secularization and post-secular society debates are considered in depth along with the globalization process, fundamentalism, charismatic movements, and revivalism. It also discusses the sociology of Buddhism, Christianity, Hinduism, Islam, Judaism, and religions of China, as well as the areas of American exceptionalism from de Tocqueville onwards, religious nationalism, women and piety movements, and the spirituality of Native American communities. Considering new developments in social theory and religion, the collection concludes with a discussion of recent work that attempts to understand the future of religion, blending the sociology of modern societies, anthropological ethnography, and philosophical inquiry.

On Durkheim's Elementary Forms of Religious Life N.J. Allen, W.S.F. Pickering, W. Watts Miller, 2012-10-12 This is the first collection of essays to be published on Durkheim's masterpiece *The Elementary Forms of Religious Life*. It represents the work of the most important international Durkheim scholars from the fields of anthropology, philosophy and sociology.

The essays focus on key topics including: * the method Durkheim adopted in his study * the role of ritual and belief in society * the nature of contemporary religion The contributors also explore cutting-edge debates about the notion of the soul and collective rituals.

Epistemology and Practice Anne Warfield Rawls, 2005-03-03 In this original and controversial book Professor Rawls argues that Durkheim's *The Elementary Forms of Religious Life* is the crowning achievement of his sociological endeavour and that since its publication in English in 1915 it has been consistently misunderstood. Rather than a work on primitive religion or the sociology of knowledge, Rawls asserts that it is an attempt by Durkheim to establish a unique epistemological basis for the study of sociology and moral relations. By privileging social practice over beliefs and ideas, it avoids the dilemmas inherent in philosophical approaches to knowledge and morality that are based on individualism and the tendency to privilege beliefs and ideas over practices, both tendencies that dominate western thought. Based on detailed textual analysis of the primary text, this book will be an important and original contribution to contemporary debates on social theory and philosophy.

Defending the Durkheimian Tradition Jonathan S. Fish, 2017-03-02 This book provides an exciting, accessible and wide-ranging guide to the development of classical and contemporary Durkheimian thought. Jonathan Fish offers a re-reading of the writings of Emile Durkheim and Talcott Parsons on religion. He aims to move beyond rationalistic readings which have neglected the key significance of collective human emotion in Durkheim's accounts of the link between society, religion and morality. He goes on to look at the development of these ideas in the work of Parsons and more recent Durkheimian thinkers. Making an important contribution both to studies of Durkheim and the Durkheimian tradition and to the sociology of emotion, the book is distinctive in arguing that religion is an essential backdrop for understanding emotion. In making this claim the author provides a key to re-establishing links between the sociology of religion and the wider discipline of sociology.

The Elementary Forms of Religious Life Émile Durkheim, 2008-04-17 'If religion generated everything that is essential in society, this is because the idea of society is the soul of religion.' In *The Elementary Forms of Religious Life* (1912), Émile Durkheim set himself the task of discovering the enduring source of human social identity. He investigated what he considered to be the simplest form of documented religion - totemism among the Aborigines of Australia. Aboriginal religion was an avenue 'to yield an understanding of the religious nature of man, by showing us an essential and permanent aspect of humanity'. The need and capacity of men and women to relate socially lies at the heart of Durkheim's exploration, in which religion embodies the beliefs that shape our moral universe. *The Elementary Forms* has been applauded and debated by sociologists, anthropologists, ethnographers, philosophers, and theologians, and continues to speak to new generations about the origin and nature of religion and society. This new, lightly abridged edition provides an excellent introduction to

Durkheim's ideas. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

This is likewise one of the factors by obtaining the soft documents of this **Durkheim Theory Of Religion** by online. You might not require more period to spend to go to the ebook start as with ease as search for them. In some cases, you likewise pull off not discover the statement Durkheim Theory Of Religion that you are looking for. It will extremely squander the time.

Durkheim Theory Of Religion Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide

range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Durkheim Theory Of Religion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried

on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various

fields. It is worth noting that while accessing free Durkheim Theory Of Religion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Durkheim Theory Of Religion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF

books and manuals waiting to be discovered right at your fingertips.

FAQs About Durkheim Theory Of Religion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper

lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Durkheim Theory Of Religion is one of the best book in our library for free trial. We provide copy of Durkheim Theory Of Religion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Durkheim Theory Of Religion. Where to download Durkheim Theory Of Religion online for free? Are you looking for Durkheim Theory Of Religion PDF? This is definitely going to save you time and cash in something you should think about.
