Save the Cat! Writes a Novel Jessica Brody, 2018-10-09 The first novel-writing guide from the best-selling Save the Cat! story-structure series, which reveals the 15 essential plot points needed to make any novel a success. Novelist Jessica Brody presents a comprehensive story-structure guide for novelists that applies the famed Save the Cat! screenwriting methodology to the world of novel writing. Revealing the 15 beats (plot points) that comprise a successful story--from the opening image to the finale--this book lays out the Ten Story Genres (Monster in the House; Whydunit; Dude with a Problem) alongside quirky, original insights (Save the Cat; Shard of Glass) to help novelists craft a plot that will captivate--and a novel that will sell.

Truman Capote Truman Capote, 1987 Truman Capote once said, The thing I like to do most in the whole world is talk ..., and talk he does in the more than two dozen interviews collected in this book. The topics are often gossip about the famous people Capote ran with, but always he provides revealing information about his writings--the authors who inspired him, his meticulous methods of research and composition, and his personal reverence for the craft of authorship. He was, as the editor notes, fiercely devoted to his art, and keenly aware of his place in the world of letters. While his detractors, such as Ernest Hemingway and Gore Vidal, spoke out long and loud against the feisty and media-minded writer from Louisiana, Capote here has the last word. What emerges is a portrait of the author as pop cult figure--unabashed in his pursuit of fame and fortune but unstinting in his devotion to becoming one of America's major prose stylists. These interviews range from the first he granted after the publication of his first novel through his shockingly personal self-interview which appeared at the end of his last major work.
