How to Get Out of Your Own Way Tyrese Gibson, 2011-04-07 Actor, singer, songwriter Tyrese Gibson crafts a memoir filled with every emotion and life experience one could possibly imagine. With personal experiences paired with reflective questions based on his extremely popular blog piece, The Love Circle, Tyrese hopes to inspire readers to pursue their dreams and not let life's obstacles stand in the way. How to Get Out of Your Own Way is organized into a series of fundamental questions that helped Tyrese redefine who he was as a human being, and evolve into a new man. Tyrese stresses that life becomes infinitely richer when one takes the time to know him or herself and understand the true meaning of peace and fulfillment. This book is a guide to helping yourself, using his experiences as a learning tool. It's not about talking down to people, it's about elevating them, Tyrese says. Some of Tyrese's chapter-based questions include: How much do you love yourself? How much do you want for yourself? Why do men cheat? What is your bottom line? Are you ready for the next level? Quotes and Reviews: Tyrese wholeheartedly shares his life experiences and how he discovered a new road map of conscious compassion and love to define his true potential. -- Deepak Chopra, author of The Soul of Leadership How to Get Out of Your Own Way is a triumph. Tyrese will shock and amaze you with how he overcame the odds and became a superstar. This star of the Transformers sequel will show you how to transform your life in this amazingly candid book! -- Rev Run I've watched Tyrese for many years - I've watched him succeed; I've watched him fail; I've seen him as a beneficiary of serendipity, and I've watched him suffer at his own hand. And in the recent years, as we've become friends, I've witnessed Tyrese Gibson learn how to get out of his own way as he wrestled his destiny from the fickle hands of fate. -- Will Smith

Get Out of Your Own Way Guide to Life Justin Loeber, 2017-11-07 Based on one CEO's inspiring journey, this motivational guide shows how to build on your strengths, eliminate weaknesses, and achieve your own success. Do you want to be known as a tremendous talent . . . or a lazy, unfocused slacker? Whether you're a Millennial yearning to join corporate America, a

Boomer ready for reinvention, a closeted LGBTQ+ individual, or even a nerd nauseated with perfection, this in-your-face, funny, no-nonsense, socio-business, coming-of-ageless handbook can help you find true, inner-personal success. Inside, you'll learn ten easy steps, such as: • Work on Your Work Ethic • Own the Power of Thoughtfulness • Find Perfection in Imperfection • Rule Your Plane • and more This book is based on Loeber's quirky personal life experiences that all started in 1970s, disco-era New York City. Justin worked as a waiter, a Wang Word Processing Operator, (remember Wang?), a substitute go-go dancer, and was discovered by pop icon Gary Numan in London. He was one step from stardom in his own right as a solo pop-recording artist—only to lose it all. Then, in a 180-degree turn—and without a college degree—went from a temp at Random House to an executive vice president at HarperCollins in a little more than a decade. In 2006, Loeber created mouth: digital + public relations, a boutique agency in NYC—repping over 550 clients to date. Get Out of Your Own Way Guide to Life will give you the courage to: • Shake down your fear, which is squelching your dream • Find the “it” that makes you “tick” • Take a Risk, which in the end, isn't risky after all • Put down the electronics, look up; and transfer from the passenger to the pilot of your life So, Get out of your own way! Dream big! Do it now!

The Precious Jules Shawn Nocher, 2022-06-28 A deeply felt family narrative that examines the fine line between selfishness and what passes for love. After nearly two hundred years of housing retardants, as they were once known, the Beechwood Institute is closing the doors on its dark history, and the complicated task of reassigning residents has begun. Ella Jules, having arrived at Beechwood at the tender age of eight, must now rely on the state to decide her future. Ella's aging parents have requested that she be returned to her childhood home, much to the distress of Ella's siblings, but more so to Lynetta, her beloved caretaker who has been by her side for decades. The five adult Jules children, haunted by their early memories of their sister, and each dealing with the trauma of her banishment in their own flawed way, are converging on the family home, arriving from the far corners of the country—secrets in tow—to talk some sense into their aging parents and get to the root of this inexplicable change of heart. The Precious Jules examines the thin line between selfishness and what passes for love. This family story asks what is best for one child in light of what is perceived as the greater good, and just what is the collective legacy of buried family secrets, shame, and helplessness. The Precious Jules is a deeply felt family

narrative that will make you fall in love with these flawed and imperfect characters standing on the threshold of an awakening they never expected.

Talking to Writers Dean Nelson, 2025-11-13 Am I a writer? Where should I get ideas? Is my writing any good? How did my favorite authors make it big? The act of writing is a daunting task for many people, and becoming a “writer” means so much more than putting pen to paper. Dean Nelson embraces the questions that plague writers by turning to some of the best-known authors of our time. With encouragement, advice, and refreshing honesty, writers discuss their own beginnings, struggles, and victories in a manner that will make readers say, “I can do that.” In *Talking to Writers: The Craft of Nonfiction*, readers will hear from Anne Lamott about what she means by writing to heal herself, from David Brooks about what it takes to craft an informed opinion, from Tracy Kidder about the need for revision, and from Elizabeth Gilbert about being humble. Among the many other featured writers are Jeannette Walls, Cornel West, Nick Hornby, George Plimpton, Susan Orlean, and more. Bringing together interviews from 30 years of the annual Writer's Symposium by the Sea, Nelson reveals writers' motives, connects the dots to their past, and acknowledges their struggles. Often beginning with, “I've never said this publicly before...”, these treasured authors' revelations give aspiring writers of every level the courage and support necessary to live the writing life.

A True Story... How I Survived My Life with a Psychopath Jacquelyn White, 2014-09-11 This is an Autobiography written by an average person, living an extraordinary life. Jacquelyn tells this story in a very unique and compelling style of writing

which leaves the reader unable to put the book down as they wonder, Then what happens? It is an amazing tale of survival as Jacquelyn moves heaven and earth in an unbelievable battle for her freedom. To actually become, free she almost loses her life and must sacrifice all she has. This is a story of a mother's unconditional love for her children. The children she is willing to die to protect, as she overcomes the chains that bind her. It is a tale of hope and leaves the reader with a deep appreciation for their own journey and a new found inspiration for living. The story is made all the more powerful by the legal evidence she has provided in the book to support her claims. This evidence has been fully admitted to in court and is now a matter of public record. The recorded evidence is chilling as it gives a rare insight into the mind of a monster, as it is written in his very own hand writing on his business letter head. Jacquelyn also offers a detailed insight into the systems that she and many others have had to navigate through. This book may help to change some of the laws surrounding these issues. Powerfully moving, deeply engaging and written with raw honesty, this book is well worth the read. This book will be marketed to the millions of people screaming for change, awareness and insight to bring safety and justice to our world.
