Rescue Road Peter Zheutlin, 2015-10-06 Peter Zheutlin has written a lovely, moving, important book about a subject that is both heartbreaking and joyful. - Dean Koontz How far would you go to save a life? This is the extraordinary story of one man who has driven more than 1 million miles to rescue thousands of dogs from hunger, abuse and neglect and give them a second chance at life and love. Dog Is My Copilot Patrick Regan, 2012-06-19 True stories of dogs rescued by a national organization of volunteer pilots who fly pets to their new forever homes. Since 2008, an unlikely alliance of volunteer pilots and animal rescue enthusiasts has worked together to save thousands of death-row dogs by flying them to safe havens and better lives. Through two dozen accounts of real life animal rescues, Dog Is My Copilot tells the inspiring story of Pilots N Paws, America's most unique and high-flying animal rescue organization. Founded "accidentally" when a private pilot offered to fly a mission of mercy to save an abused dog for a friend, Pilots N Paws has grown to include thousands of pilots who have transported tens of thousands of dogs slated for euthanasia (and a fair amount of cats and other animals), sometimes more than 1,000 miles away to new homes or no-kill shelters, where they have a much higher chance of adoption. These short, captivating stories are accompanied by more than 100 charming, poignant, color photos—most taken by the pilots themselves—of their canine passengers in flight. Unexpected things can happen when dogs reach cruising altitude, and the stories in Dog Is My Copilot run the emotional range from hilarious to heart rending—but the endings are always happy. These dogs are the lucky ones, and most of the pilots will tell you that when they get on the plane, they know it. After all, waiting for them on the ground hundreds of miles away is a second chance at a happy life with a loving forever family. Dog Is My Copilot—it's Chicken Soup for the Soul meets Marley and Me . . . with just a dash of The Right Stuff. A portion of the proceeds from the sale of this book will be donated to the Pilots N Paws organization.

How To Rescue Abandoned Dogs and Cats HowExpert, Linda Brooks, 2017-06-11 If you want to learn how to rescue pets, then get How To Rescue Abandoned Dogs and Pets. • Are you an animal lover? • Are you saddened by the fate of homeless pets? • Wish you could do something, but you're not sure how? • You're in luck! I have written this book from my

own experiences to help you do that “something” you’ve been thinking about. There are hundreds of thousands of homeless pets. If you save even one of them, you have done something! But you don’t have to stop there if you don’t want to. This book will help teach you • How to identify your rescue abilities and goals • How to start your rescuing efforts • Where the animals who need your help are • How to locate and manage a feral cat colony • The importance of spaying and neutering • What to expect if you rescue a pregnant cat • Feline gestation periods • How to handle the delivery of kittens • How to care for kittens in the first 8 weeks • How to meet and network with other cat rescuers • How to expand and set up a corporation for your rescue • The benefits of applying for 501(c)(3) non-profit corporation status for your organization • Tips on recruiting volunteers • How to request donations for your rescue About the Expert Just like the people I wrote this book for, my husband and I started our pet rescue efforts on a very small scale. We responded to a craigslist ad by a local rescue organization that was trying to rehome an abandoned dog. We contacted the administrator and adopted the dog. As we spoke, she gave us some back-ground on her charity and explained how many dogs and cats are abandoned and homeless, and end up being euthanized at the local shelter. Through her and social media, we became more and more interested in doing our part, and basically went through the same steps I have outlined in this book. You can visit us on Facebook at PlanetNub (Nubbins was our beloved rescue cat who died at only two years of age of a severe seizure disorder). I would love to hear from you and hope you find the information in this book helpful. Thanks so much for reading it! HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

Animal Rescue Tanya Savory, 2008 When it comes to “animal rescue,” the rescuer is often a human rescuing an animal. But it can also involve an animal rescuing a human. This book tells true stories from both sides—amazing feats of courage, kindness, and love: • Tossed out on the side of the road, Lucky was one unlucky cat until Jen adopted him. One stormy night, Lucky gets the chance to show his devotion when an escaped prisoner crashes through the front door and attacks Jen. • A toothless old dog named “Poochie” puts herself in the direct path of a charging alligator in order to protect her friend. • Three baby whales are the only survivors when thirty whales mysteriously beach themselves on a New England shore. Rescuers face endless challenges in their attempts to save these three orphans.
