Deerslayer Malcolm Shuman,M. S. Karl,2014-08-26 When a young boy is implicated in a murder, Brady goes hunting for the real killer In Pete Brady's new hometown, hunting is a religion, and he is expected to convert if he's to run the local newspaper. When Sheriff Garitty takes his son out for his first hunt, he invites Pete to join them in the deer stand—a drafty, miserable place that would be unbearable if young Scotty weren't so excited. Pete is staring down his rifle barrel, trying to decide if he has the nerve to kill a deer, when a shot rings out. The boy has hit his target. But when they go to retrieve the kill, they find it isn't a deer, but a man. Scotty has trained his whole life for this moment, and Pete can't believe he would have mistaken a man—even a drunk like Dwayne Elkins—for an animal. To clear the boy's name, Brady goes in search of an ingenious killer, and soon finds himself in the crosshairs.

The Columbia Granger's Index to Poetry in Anthologies Tessa Kale,2007 For over a hundred years, The Columbia Granger's Index to Poetry in Anthologies has been the preeminent index for answers to questions about the world of poetry, identifying the author of a poem or the anthologies in which it can be found when only a title, first line, or last line is known. This latest edition-a must have for libraries-brings its index up to date as of May 31, 2006. This latest version features 85,000 classic and contemporary poems by 12,000 poets. Also included are works in translation and for the first time poetry in Spanish, Vietnamese, and French. The subject organization of the poems is especially useful. Hundreds of new subjects have been added, indexing poems on highly relevant topics such as Osama bin Laden, the war in Iraq, Dick Cheney, the Internet, and Rosa Parks, as well as timeless subjects like the Bill of Rights, unspoken love, faith, and inspiration. Our impressive team of consultants includes J. D. McClatchy, Harvey Shapiro, and former poet laureate Mark Strand. From The Norton Anthology of Poetry (2005 edition) to Poetry after 9/11 and Garrison Keillor's Good Poems, this new edition puts readers in touch with the best of the latest anthologies and the lasting favorites.

Teenage Shooters Travis Barrett,2008-06 Teenage Shooters is about Freddy Louche's world. Who is Freddy Louche? If you asked him he would tell you that he is an all-American teenage loser who lives in a neighborhood populated by gangbangers and bullies. He hates school because the classes are boring and many of the students are intimidators. But there are three things Freddy loves: his skateboard, his video games, and his father.His skateboard is a Serial Killer which sports an image of Charles Manson. In a strange way Freddy never feels alone when he is riding Manson, who is also his protector, at least until that fateful night when Freddy's life begins to rapidly unravel.Resident Evil is Freddy's favorite video games because in the world of survival horror he can defend himself against the zombies and other monsters that remind him of the cretin bullies who hang out in the corridors of his school and the thugs that roam the streets of his city, a city that is in many ways like Raccoon City, which was also an all-American city until the walking dead and other beasts took control of its streets.Freddy's father is the one adult Freddy can always depend upon. Unfortunately, Mr. Louche, like the school authorities and the police, cannot protect his son from the thugs and bullies who constantly harass him. Thus, a time finally comes when Freddy and his loser friends must take on their tormentors.
