Marriage and Divorce in Vedic Astrology Ram Babu Sao,2025-11-06 “Our life is what our thoughts make it”. This book “Marriage and Divorce in Vedic Astrology” is a unique book and is very simple to understand. Marriage is considered to be the most important event in one’s life. A wrong marriage can make life hell. Misunderstanding, ego-clash, adultery, violence, childlessness are some of the issues that breaks a marriage. Family provides a significant meaning to an individual’s marriage and married life. It gives a sense of belonging, a purpose for living, and also an identity for one’s presence. Marriage is one such event that initiates a person into the journey of living selflessly for the wife, kids, in laws, grandchildren and so on. Marriage is considered to be the most important event in one’s life, and it is a principal part of most of the civilisations across the globe. It can be said that it is the concept of marriage that demarcates human beings from animals. All tend to work directly/indirectly for the benefit of the family. First for the parents, and then for the wife and children, and the cycle goes on. A wrong marriage can make life hell, in fact worse than the real hell. It is not that the people are problematic, but it is the Match that was problematic. Ancient munis/saints had chalked out astrological rules 5000 years back, and all of them work with 99 per cent precision. In this article we discuss few aspects on which a marriage match making is carried out. Basis for Compatibility in Marriage or Match making is done as below: 1. Varna Kuta: It indicates the ego development between partners. It carries 1 point out of 36 points. 2.. Vashya Kuta: It indicates the mutual attraction and affection between the couple. It carries 2 points out of 36 points 3. Tara Kuta: It indicates the health and well being of the couple. It carries 3 points out of 36 points. 4. Yoni Kuta: It indicates the biological satisfaction between the couple. It carries 4 points out of 36 points. 5. Graha maitri Kuta: It indicates outlook and objective levels between the couple. It carries 5 points out of 36 points. 6. Gana Kuta: It indicates the temperamental behaviour between the couple. It carries 6 points out of 36 points 7. Bhukti Kuta: It indicates family welfare . It carries 7 points out of 36 points 8. Naadi Kuta: It indicates internal metabolism between couple. It carries 8 points out of 36 points.

The Moving Universe Joseph Polansky, 2016-12-09 The Moving Universe is designed for the student of astrology, and is the only book on transits that deals with both the mundane and spiritual interpretations. It is as much a spiritual teaching as it is an astrology book. The mundane (worldly) interpretation shows what is likely happening in the outer life. The spiritual perspective gives the interior lessons and challenges that the transits are bringing. Understanding these issues gives the student a deeper perspective on what's going on in the client's (or their own) life. Many students of astrology are on a spiritual path, and understanding the spiritual perspective will help them.

Astrological Transits April Elliott Kent, 2015-08-15 Your birth chart is a snapshot of the sky taken at the moment and place of your birth, one that reflects your character, personality, strengths, and challenges. But the moment after that picture was taken, the planets moved on--some quickly, some very slowly. Astrologers call the moving planets transits, and by comparing their movements to your birth chart you can gain a complete view of how best to prepare for challenges, meet opportunities, and stay grounded in a constantly-changing world. In Astrological Transits, astrologer April Elliott Kent will guide you through the best ways to make the most of your birth chart. Learn how to make the most of good transits and harness and transform the energy of bad ones. You'll also understand planetary cycles and anticipate your own transits. Finally, you'll know how to read planetary return charts, work with planetary retrogrades, and use eclipses to recognize major patterns and turning points in your life. If you are comfortable reading a birth chart, you are ready to move your chart into the future using transits. Instructions, tables, and worksheets will make tracking your transit cycles simple and exciting!
