

Lorraine Motel Civil Rights Museum

Scott C. Dulebohn

The National Civil Rights Museum and the Lorraine Motel in Memphis National Civil Rights Museum, 1998

The Civil Rights Movement in America Peter B. Levy, 2015-04-28 This single-volume work provides a concise, up-to-date, and reliable reference work that students, teachers, and general readers can turn to for a comprehensive overview of the civil rights movement—a period of time incorporating events that shaped today's society. This single volume encyclopedia not only provides accessible A-Z entries about the well-known people and events of the Civil Rights Movement but also offers coverage of lesser-known contributors to the movement's overall success and outcomes. This comprehensive work provides both authoritative ready reference and curricular content presented in a lively and accessible format that will support inquiry, critical thinking, and a deeper understanding of the importance of the time period. *The Civil Rights Movement in America: From Black Nationalism to the Women's Political Council* provides high school readers with accessible factual information and sources for further exploration. Its entries serve to document how the movement eventually toppled Jim Crow and inspired broader struggles for human rights, including the women's and gay liberation movements in the United States and around the globe. Just as importantly, the events of the civil rights movement serve to demonstrate the ability of ordinary people such as Rosa Parks to alter the course of history—an apt lesson for all readers.

Moon U.S. Civil Rights Trail Deborah D. Douglas, 2021-01-12 The U.S. Civil Rights Trail offers a vivid glimpse into the story of Black America's fight for freedom and equality. From eye-opening landmarks to celebrations of triumph over adversity, experience a tangible piece of history with Moon U.S. Civil Rights Trail. Flexible Itineraries: Travel the entire trail through the South, or take a weekend getaway to Charleston, Birmingham, Jackson, Memphis, Washington DC, and more places significant to the Civil Rights Movement. Historic Civil Rights Sites: Learn about Dr. King's legacy at the Lorraine Motel in Memphis, be transformed at the small but mighty Emmett Till Intrepid Center, and stand tall with Little Rock Nine at their memorial in Arkansas. The Culture of the Movement: Get to know the voices, stories, music, and flavors that shape and celebrate Black America both then and now. Take a seat at a lunch counter where sit-ins took place or dig in to heaping plates of soul food and barbecue. Spend the day at museums that connect our present to the past or spend the night in the birthplace of the blues. Expert Insight: Award-winning journalist Deborah Douglas offers her valuable perspective and knowledge, including suggestions for engaging with local communities by supporting Black-owned businesses and seeking

out activist groups Travel Tools: Find driving directions for exploring the sites on a road trip, tips on where to stay, and full-color photos and maps throughout Detailed coverage of: Charleston, Atlanta, Selma to Montgomery, Birmingham, Jackson, the Mississippi Delta, Little Rock, Memphis, Nashville, Raleigh, Durham, Virginia, and Washington DC Foreword by Bree Newsome Bass: activist, filmmaker, and artist Journey through history, understand struggles past and present, and get inspired to create a better future with Moon U.S. Civil Rights Trail. About Moon Travel Guides: Moon was founded in 1973 to empower independent, active, and conscious travel. We prioritize local businesses, outdoor recreation, and traveling strategically and sustainably. Moon Travel Guides are written by local, expert authors with great stories to tell—and they can't wait to share their favorite places with you. For more inspiration, follow @moonguides on social media.

Room 306 Ben Kamin, 2012-03-15 A tragic landmark in the civil rights movement, the Lorraine Motel in Memphis is best known for what occurred there on April 4, 1968. As he stood on the balcony of Room 306, Dr. Martin Luther King Jr. was assassinated, ending a golden age of nonviolent resistance, and sparking riots in more than one hundred cities. Formerly a seedy, segregated motel, and prior to that a brothel, the motel quickly achieved the status of national shrine. The motel attracts a variety of pilgrims—white politicians seeking photo ops, aging civil rights leaders, New Age musicians, and visitors to its current incarnation, the National Civil Rights Museum. A moving and emotional account that comprises a panorama of voices, Room 306 is an important oral history unlike any other.

Salute to the Civil Rights Movement, 1991

American Icons Dennis R. Hall, Susan Grove Hall, 2006-06-30 What do Madonna, Ray Charles, Mount Rushmore, suburbia, the banjo, and the Ford Mustang have in common? Whether we adore, ignore, or deplore them, they all influence our culture, and color the way America is perceived by the world. In this A-to-Z collection of essays scholars explore more than one hundred people, places, and phenomena as they seek to discover what it means to be labeled icon. From the Alamo to Muhammad Ali, from John Wayne to the zipper, the American icons covered in this unique three-volume set include subjects from culture, law, art, food, religion, and science. By providing numerous ways for the reader to engage in the process of interpreting these images and artifacts, the work serves as a unique resource for students of American history and culture. Features 100 illustrations. What do Madonna, Ray Charles, Mount Rushmore, suburbia, the banjo, and the Ford Mustang have in common? Whether we adore, ignore, or deplore them, they all influence our culture, and color the way America is perceived by the world. This A-to-Z collection of essays explores more than one hundred people, places, and phenomena that have taken on iconic status in American culture. The scholars and writers whose thoughts are gathered in this unique three-volume set examine these icons through a diverse array of perspectives and fields of expertise. Ranging from the Alamo to Muhammad Ali, from John Wayne to the zipper, this selection of American icons represents essential elements of our culture, including law, art, food, religion, and science. Featuring more than 100 illustrations, this work will serve as a unique

resource for students of American history and culture. The interdisciplinary scholars in this work examine what it means when something is labeled as an icon. What common features do the people, places, and things we deem to be iconic share? To begin with, an icon generates strong responses in people, it often stands for a group of values (John Wayne), it reflects forces of its time, it can be reshaped or extended by imitation, and it often breaks down barriers between various segments of American culture, such as those that exist between white and black America, or between high and low art. The essays contained in this set examine all these aspects of American icons from a variety of perspectives and through a lively range of rhetoric styles.

Civil Rights in the United States Waldo E. Martin, Patricia Sullivan, 2000 This two-volume reference offers a fresh historical perspective that sees civil rights as evolving out of many, often diverse, sources and movements, including the Bill of Rights as well as critical developments such as the African-American civil rights movement of post-World War II in America. Presenting theory as well as the historical realities, editors Martin (history, U. of California) and Sullivan (W.E.B. Du Bois Institute, Harvard U.) treat both the upside and the downside of the theory and practice of civil rights in the U.S. since the founding of the nation. The individual and group-based biographical entries, along with other accounts and discussions, seek to capture the diverse and various tributaries that have flowed into and out of the mighty river of civil rights. In particular, they shift the discussion to include the struggles of other peoples of color as well as of other marginalized groups such as women, lesbians and gays, immigrants, and the differently abled, thus showing that the struggle for civil rights is at the very center of the American experience. Contains many b&w photographs. Annotation copyrighted by Book News, Inc., Portland, OR.

The Mississippi and the Making of a Nation Stephen E. Ambrose, Douglas Brinkley, 2002 An exploration of the Mississippi River, tracing its length from Minnesota to the Gulf of Mexico, and discussing its important role in the history of the United States. Includes photographs, period illustrations, artwork, documents, and maps.

Urban Land, 2003

Race and Ethnicity in America Russell M. Lawson, Benjamin A. Lawson, 2019-10-11 Divided into four volumes, *Race and Ethnicity in America* provides a complete overview of the history of racial and ethnic relations in America, from pre-contact to the present. The five hundred years since Europeans made contact with the indigenous peoples of America have been dominated by racial and ethnic tensions. During the colonial period, from 1500 to 1776, slavery and servitude of whites, blacks, and Indians formed the foundation for race and ethnic relations. After the American Revolution, slavery, labor inequalities, and immigration led to racial and ethnic tensions; after the Civil War, labor inequalities, immigration, and the fight for civil rights dominated America's racial and ethnic experience. From the 1960s to the present, the unfulfilled promise of civil rights for all ethnic and racial groups in America has been the most important sociopolitical issue in America. Race

and Ethnicity in America tells this story of the fight for equality in America. The first volume spans pre-contact to the American Revolution; the second, the American Revolution to the Civil War; the third, Reconstruction to the Civil Rights Movement; and the fourth, the Civil Rights Movement to the present. All volumes explore the culture, society, labor, war and politics, and cultural expressions of racial and ethnic groups.

The African American Encyclopedia, 1993 Deals extensively with the African American experience in the United States from the very beginning up to the present day with an in-depth examination of the history and contributions of a people who want to be recognized.

Elvis Culture Erika Doss, 1999 Doss (fine arts and American studies, U. of Colorado-Boulder) examines the image of Elvis from a number of perspectives, including as a religious icon honored in household shrines, as a sexual fantasy for women and men, as an inspiration for impersonators, as a not- altogether positive emblem of whiteness for many blacks, and as a commodity to be protected by Elvis Presley Enterprises. Bandw illustrations. Annotation copyrighted by Book News, Inc., Portland, OR

The Black Collegian, 1996

Peace Movement Directory James R. Bennett, 2001 The year 2000 has been proclaimed by the United Nations as the Year of Peace, and the ten years to follow, the Decade of Peace. The UN has issued a Manifesto for a Culture of Peace outlining the goals of the envisioned future. The world may have taken on a hopeful attitude for peace in the new millennium, and this work serves as a reference book to organizations, programs, museums, and memorials located in North America that are dedicated to peace. The entries are numbered and each one includes the following (where applicable): name of organization, college, museum, memorial or journal; year founded or dedicated; address, phone number, e-mail address and website address; and text that provides historical information.

The African-American Almanac Kenneth Estell, 1994 A comprehensive reference work on the historical contributions, accomplishments, and current status of Black Americans in a variety of professional fields from entertainment to politics.

Frommer's Nashville & Memphis Linda Romine, 2008-04-21 With Frommer's in hand, you'll discover the highlights of two major capitals of American music: Nashville, country music's mecca, and Memphis, the city that gave birth to the blues. We'll take you to the hottest shows, and to sizzling nightclubs where you can two-step, hear the old masters play, or discover up-and-coming new talent. From the Grand Ol' Opry to the hallowed halls of Graceland, you'll walk in the footsteps of musical giants. We've also got the lowdown on the region's best restaurants, serving everything from elegant New Southern cuisine to down-home barbecue. And you'll have a wide variety of accommodations to choose from: the classic Peabody, with its signature marching ducks; the bustling Opryland Hotel; B&Bs with true Southern hospitality; and reliable, affordable motels. Detailed and accurate, it all comes complete with neighborhood maps; a complete shopping guide; the best trip-planning

advice; and side trips to nearby distilleries and Civil War battlefields.
