Motivational Quotes to Beat Procrastination and Inspire Success Jenny Kellett, 2017-03-04 Motivational Quotes No one said the road to success was easy - there are always pitfalls along the way, and procrastination is one of the biggest productivity killers. Even the most motivated of people have days when they struggle to get out of bed or keep working on the goals they have set. Sometimes even the best of us need a push in the right direction to get started. Often all it takes to get back on track is to be inspired by others that have achieved success in their own lives and are passing on their wisdom to you. Whether you're on the rollercoaster of self-employment or simply want to be inspired to be a better person, the 200+ motivational quotes in this book will have you fast-tracking your way to success. From John F. Kennedy and Albert Einstein to Oprah Winfrey and Richard Branson, there are motivational quotes from people who have all lead completely different lives yet have one thing in common: they are successful. Not every motivational quote in this book will resonate with everyone, but when you find the one that just 'clicks' with you, you won't forget it. It will inspire you for years to come. Author Jenny Kellett compiled this book as an act of procrastination, showing that sometimes you find inspiration in the most unlikely of places. Perhaps you'll find yours in this book! Motivational Books Jenny Kellett, 2017-03-02 *Motivational Quotes by Powerful Women* There are few people in this world who have that 'get-up-and-go' attitude every single day of the year. Even the best of us have days where we feel lethargic, uninspired and unmotivated. One of the best ways to beat procrastination and feel empowered is to be inspired by other women who have achieved their goals. You may not have heard of all of the women mentioned in *Motivational Quotes by Powerful Women*, but they have all achieved incredible things. From entertainers and philanthropists to poets and athletes, they have one thing in common: they never gave up on their dreams. *Motivational Quotes* Don't limit yourself. Many people limit themselves to what they think they can do. You can go as far as your mind lets you. What you believe, remember, you can achieve. -Mary Kay Ash (Founder, Mary Kay Cosmetics) ----- Stop wearing your wishbone where your backbone ought to be. -Elizabeth Gilbert (Author) ----- Don't be intimidated by what you don't know. That can be your greatest strength and ensure that you do things differently from everyone else. -Sara Blakely (Founder of Spanx - World's Youngest Female Billionaire) ... and over 150 more inspirational quotes. *Motivational Quotes by Powerful Women* will become your go-to book when you find yourself deviating from your goals. Not all of the quotes will have the same effect on everyone - but you are certain to find your favorites, which will stick with you throughout your journey to success.

Was It Really Like That? Gino Gammaldi, 2019-09-03 This book gives a startling account of many aspects of the author's life and an insight into the life of a peasant family, who migrated to Australia in the mid 1950's, leaving everything behind to face an uncertain future in a strange and unfamiliar country on the far side of the world. There were no guarantees of rich rewards or promises of an easier life, just a sincere hope for a chance at a new start, especially for their children. There was anticipation and there was fear, but it was their hope and aspirations which sustained them and gave them courage. The experience was a daunting one for any migrant of those times, but the contributions made to Australian life must not go unnoticed. The changes were many, as were the trials and tribulations. This book also gives a 'potted' insight into the author's early childhood and adulthood; his memoirs, a record of events of which he has a reasonably intimate knowledge being based upon personal observations and events. Gino also remembers all the good and fun times, and he portrays these beautifully and graphically through the many characters you will encounter in this book. He brings them to life and engages the reader, simply by the humour and by the special qualities that each one of these characters magnifies and how all of these experiences impacted on his own life. To some extent it's an autobiography of how all this impacted on him from boyhood and beyond shaping his life in ways he could not have imagined. A reflection on simpler times, coupled with the advances of technology, give an interesting and, perhaps, timely reminder of where we have been, where we are, and what could lie ahead for all of us at different stages of our own lives. The numerous old photos, cleverly scattered throughout this book, bring to life some of the realities of the times.

Life's meaning perception spirituality Jatin Rathod, 2025-02-16 Unlock the mysteries of life and delve into the depths of your mind with *Life's Meaning: Perception, Spirituality, and Beyond*.
