J. Robson Scott

My life in a man-made jungle Belle J. Benchley,1943

My Life in a man-made jungle Belle Jennings Benchley,1943

Animal Attractions Elizabeth Hanson,2004-02-15 Examines the meaning of nature in the city by looking at the ways zoos have assembled and displayed their animal collections.--Cover.

World War Zoos John M. Kinder,2025-04-22 A new and heartbreaking history of World War II as told through the shocking experiences of zoos across the globe. As Europe lurched into war in 1939, zookeepers started killing their animals. On September 1, as German forces invaded Poland, Warsaw began with its reptiles. Two days later, workers at the London Zoo launched a similar spree, dispatching six alligators, seven iguanas, sixteen southern anacondas, six Indian fruit bats, a fishing cat, a binturong, a Siberian tiger, five magpies, an Alexandrine parakeet, two bullfrogs, three lion cubs, a cheetah, four wolves, and a manatee over the next few months. Zoos worldwide did the same. The reasons were many, but the pattern was clear: The war that was about to kill so many people started by killing so many animals. Why? And how did zoos, nevertheless, not just survive the war but play a key role in how people did, too? A harrowing yet surprisingly uplifting chronicle, Kinder's World War Zoos traces how zoos survived the deadliest decades of global history, from the Great Depression, through the terrors of World War II, to the dawn of the Cold War. More than anything before or since, World War II represented an existential threat to the world's zoological institutions. Some zoos were bombed; others bore the indignities of foreign occupation. Even zoos that were spared had to wrestle with questions rarely asked in public: What should they do when supplies ran low? Which animals should be killed to protect the lives of others? And how could zoos justify keeping dangerous animals that might escape and run wild during an aerial attack? Zoos in wartime reveal the shared vulnerabilities of humans and animals during periods of social unrest and environmental peril. World War II-era zoos offered people ways to think about and grapple with imprisonment, powerlessness, and degradation. Viewed today, the story of zoos during World War II can be read as an allegory of twenty-first-century crises, as the effects of climate change threaten all life across the planet. A one-of-a-kind history, World War Zoos is the story of how the world's zoos survived the deadliest conflict of the twentieth century—and what was lost along the way.

Books for Young People ,1929

Life at the Zoo Phillip T. Robinson, 2007 Based on 15 years of work at the world-famous San Diego Zoo, this charming book is an eminent zoo veterinarians personal account of the challenges, hazards, and rewards of running a modern zoo.

My Life in a Man-made Jungle Belle Jennings Benchley, 1940 Miss Benchley was the director of the Zoological Gardens of San Diego - she was, in fact, the only woman zoo director in the world at the time - and her zoo is situated in a warm sunny land where the animals lead a healthy outdoor existence. If you like wild animals and pets, you cannot help but be fascinated by this book, and you will particularly enjoy learning how to make friends with animals and birds. For the practical-minded, her chapters on the construction and running of a zoo are richly informative.
