Summary of Jonathan Cahn's The Oracle Everest Media,2022-08-21T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Jubilean mysteries are a mystery of mysteries. They were birthed in a desert not unlike this one and on a mountaintop not unlike the one on which we sit. They have determined the course of empires and superpowers, kings and presidents. #2 I was a skeptic. I didn't believe in any purpose or significance in life. I saw everything as a series of random events and accidents. I was the last person to be telling you about the fingerprints of God. #3 The Oracle was a person who spoke divine revelation or counsel or prophecy. The ancient world was filled with oracles, and as long as people seek revelation, there will always be oracles of one kind or another. #4 The oracles were a part of pagan religion. The Bible speaks of the pagan soothsayers and warns against their practices, the channeling of spirits, the practicing of divination, and the worship of pagan gods. But the Bible is also filled with those called and appointed to bring forth divine messages and revelations, to share divine counsel, and to discern and interpret the signs of the times.

Summary of The Return of the Gods Sellwave Audio,2025-11-13 The Return of the Gods delivers a gripping idea: what if the ancient deities of Mesopotamia never truly disappeared, but returned—and are now shaping modern culture in ways we can't see? Jonathan Cahn traces clues from ancient Sumer and Babylon to present-day America, connecting old inscriptions to today's social upheavals, moral shifts, and cultural battles. He explores whether the forces we call trends, movements, and ideologies might actually be echoes of ancient spiritual powers—the Possessor, the Enchanter, the Destroyer, the Dark

Trinity—playing out their influence through politics, media, family breakdown, and even the timing of major national events. Cahn reveals signs, patterns, and real-world moments that suggest these ancient forces have re-entered the modern world, shaping everything from entertainment to education to identity itself. Fast-paced and dramatic, the book pulls the listener into a mystery that spans thousands of years, offering a startling new lens for understanding the chaos of our time—and what it might mean for every one of us.

The Bible Timeline Revealed Daniel Keck, 2025-01-31 There is a mystery, a mystery of the Jubilee or fifty-year cycles that have been hidden in plain view since Adam's creation. This mystery allows for the calculation of the exact dates of Adam's creation, the flood of Noah, the time of the patriarchs, and the exact year of the resurrection of Jesus based on biblical information. Historical and archaeological data combined with numerical anomalies prove these dates to be accurate. These results reveal that converging anniversaries are about to occur in a few short years. What could all this mean? Is the return of Christ soon?

Cahn, a Messianic rabbi, identifies these manipulative ancient forces as operating in a hidden dimension that's influencing world politics.
