The Christos Grail Averill Nicole Richardson,2025-03-21 What would you do if you were personally offered a psycho-spiritual destiny? The author claims this happened to her in 1994. The invitation came in the form of a channelled psychic message when she consulted a New Age healer about her husband's ill health. She was asked if she would like to become a 'teacher of teachers'. Interpreting this to mean a career move into a university or some other august institution of higher learning, the author replied, "Yes, I'd like that." Little did she understand what she'd agreed to. The Christos Grail is an autobiographical account of the adventure which followed her husband's death. She received regular channelled psychic feedback and clues from her Guiding Angel and late husband through many different human mediums. Her search for answers led her to Sophia, the Grail Goddess and the energy source of the Christos. She concluded that Christ-consciousness is another way of describing divine self-awareness, which is available to all who genuinely seek it.

A Cubism Reader Mark Antliff,Patricia Dee Leighton,2008 This definitive anthology covers the historical genesis of cubism from 1906 to 1914, with documents that range from manifestos and poetry to exhibition prefaces and reviews to articles that address the cultural, political, and philosophical issues related to the movement. Most of the texts Mark Antliff and Patricia Leighton have selected are from French sources, but their inclusion of carefully culled German, English, Czech, Italian, and Spanish documents speaks to the international reach of cubist art and ideas. Equally wide-ranging are the writers

represented--a group that includes Guillaume Apollinaire, Gertrude Stein, Jean Metzinger, Albert Gleizes, Fernand Léger, Francis Picabia, André Salmon, Raymond Duchamp-Villon, Henri Le Fauconnier, and many others.--Publisher description.

Now Lucas Cabral, the person responsible for the events on that fateful night, has returned. But life on the island isn't the same, and everyone Lucas once considered a friend refuses to speak to him. Everyone except for Zoey Passmore. Zoey knows that Lucas is off-limits . . . but she can't seem to stay away from him. Even though she knows it would be better for everyone if he had never come back. Even though she is dating Jake, the brother of the boy who died. As Lucas and Zoey grow closer, Zoey risks tearing apart her close-knit group of friends if they discover the truth . . . that she's falling for her boyfriend's worst enemy.
