Autobiographical Writings on Mexico Richard D. Woods, 2024-10-14 This is the definitive bibliography of autobiographical writings on Mexico. The book incorporates works by Mexicans and foreigners, with authors ranging from disinherited peasants, women, servants and revolutionaries to more famous painters, writers, singers, journalists and politicians. Primary sources of historic and artistic value, the writings listed provide multiple perspectives on Mexico's past and give clues to a national Mexican identity. This work presents 1,850 entries, including autobiographies, memoirs, collections of letters, diaries, oral autobiographies, interviews, and autobiographical novels and essays. Over 1,500 entries list works from native-born Mexicans written between 1691 and 2003. Entries include basic bibliographical data, genre, author's life dates, narrative dates, available translations into English, and annotation. The bibliography is indexed by author, title and subject, and appendices provide a chronological listing of works and a list of selected outstanding autobiographies.

Contextos de interacción valores y práctica docente Darney Mendoza Morales, 2025-09-15 La idea de formación docente articula los contextos que los autores exponen en este libro. Tres de los cinco trabajos están respaldados por evidencias

empíricas. En uno de ellos, sus autores exploran los sentidos que una egresada construye sobre su formación profesional. En los otros dos, la preocupación de sus autores se focaliza en la caracterización social y académica de las estudiantes y en la exploración de las relaciones de convivencia entre estudiantes normalistas. Asimismo, los autores de los dos artículos restantes exponen ideas relacionadas con el construccionismo y la socioformación. En este marco, este colectivo indaga en significados y en construir sentidos sobre la formación inicial docente desde la experiencia de profesores formadores de docentes de educación básica.
