

At The Heart Of The White Rose

Hans Scholl,Sophie Scholl

At the Heart of the White Rose Hans Scholl,Sophie Scholl,1987 The White Rose (German: die Weiße Rose) was a non-violent, intellectual resistance group in Nazi Germany, consisting of students from the University of Munich and their philosophy professor. The group became known for an anonymous leaflet and graffiti campaign, lasting from June 1942 until February 1943, that called for active opposition to dictator Adolf Hitler's regime. The six most recognized members of the group were arrested by the Gestapo and beheaded in 1943. The text of their sixth leaflet was smuggled by Helmuth James Graf von Moltke out of Germany through Scandinavia to the United Kingdom, and in July 1943 copies of it were dropped over Germany by Allied planes, retitled The Manifesto of the Students of Munich. Another member, Hans Conrad Leipelt, who helped distribute Leaflet 6 in Hamburg, was executed on January 29, 1945, for his participation. Today, the members of the White Rose are honored in Germany amongst its greatest heroes, since they opposed the Third Reich in the face of almost certain death.--Wikipedia.

Dying Is Not Death Lee Hoinacki,2007-01-01 Dying Is Not Death examines from a traditional humanistic position the act of dying. The author views death as a universal experience that can and perhaps should force us to explore various technological intrusions upon it. Each chapter is an independent narrative, and some chapters tell stories of those struggling to die when confronted with the medical system's technological artifacts. Recounting different persons' experiences of death, Lee Hoinacki suggests that the medical system's conventional approaches to dying and death can distort our preparation for this most important experience. Borrowing from Jacques Ellul and Ivan Illich, Hoinacki acknowledges technology as an all-embracing system with powerful symbolic effects on the human condition and argues to a conflict between faith and technology. Indeed, with Ellul, he holds that in order to criticize technology, one must find some place outside the technological milieu that would act as a kind of Archimedean lever. One must somehow get to the Beyond to judge where one stands in the world.

From the Heart of a Man Rick Mizuno,2009 Once again, the provocatively engaging style of this true romantic has created a book that is sure to touch the hearts of his ever-increasing fans. Like reading passages from his personal diary From the Heart of a Man is a moving collection of letters and poems about Love, Romance and just a little Heartbreak. Wonderful! Reminded me of one of my favorite compilations by Leonard Cohen and I thought he was a genius. Loved the

mixture of passages, poetry, the variety, the sensuality...wow... took my breath away. For a man to express himself like this is an unexpected treat. This book is truly one of a kind! JJ Kennedy, MS/LMFT - Radio Personality - New York, NY Mizuno gives an intense account of manly desires. His stories are divided by beautiful fine-line images of lovers and touching poems with lines like, '... a cloud-like latte of tiny bubbles.' His voice reveals the ecstasy of a desire-filled teenager and the sensual expressions of Rumi. The book is positive and uplifting, and it is obvious to any reader that he adores and respects women. Bravo to Rick Mizuno for this ecstatic, sexy, sweet book. Marcielle Brandler, Educator/Producer and Author of *The Breathing House: Imagist Poems* - Pasadena, CA An amazingly gifted writer, Rick's ability to create vivid images and articulate his inner feelings is a sensuous blend of simple eloquence and unabashed raw passion. As you read each original piece, you will begin to sense a personal connection with each passionate expression. Such a book as this may very well secure an endearing place on your bedside table.

Dagger of Black Eyes in My Heart Hira Lal, 2024-04-30 Perhaps there is no person who doesn't love a man or a woman in life. Nobody wants to lose their love, but they rather want to live their life with love. If you hope for such a loving life, then every step must be placed on the path of love by rationality, otherwise the result can be truly terrible. *Dagger of Black Eyes in My Heart* contains love-loaded poetry. Every poem deliberately tugs at the heartstrings (which is where the feelings of every human heart are hidden), touching the depths of the heart and presenting its mood. In short, this book brings out the dormant feelings of love. If you want to explore the depth of true love, then this book may be a perfect place to look.

Black Heart White Rose Mywand Zazay, 2018-11-26 The title of the book represents a black heart and white rose. As many know a black heart is dark and it has little to do with love. The Black heart in the title stands for a love so deep in red it

seems black. The White Rose stands for the death of love or ending of a relationship. Just as if attending a funeral with white roses. The book is a collection of light and dark poems to show both spectrums dealing with a love of any sort. The words are up and down to show imperfections make the world beautiful. Depends how the reader perceives it.
