

Down A Dark Hall Lois Duncan

Gabrielle Moss

Down a Dark Hall Lois Duncan, 2024-09-24 A paranormal rollercoaster ride with goosebumps at every turn--now a motion picture starring Uma Thurman and Anna Sophia Robb! Kit Gordy sees Blackwood Hall towering over black iron gates, and she can't help thinking, This place is evil. The imposing mansion sends a shiver of fear through her. But Kit settles into a routine, trying to ignore the rumors that the highly exclusive boarding school is haunted. Then her classmates begin to show extraordinary and unknown talents. The strange dreams, the voices, the lost letters to family and friends, all become overshadowed by the magic around them. When Kit and her friends realize that Blackwood isn't what it claims to be, it might be too late.

American Tabloid Media and the Satanic Panic, 1970-2000 Sarah A. Hughes, 2021-10-27 This book examines the "satanic panic" of the 1980s as an essential part of the growing relationship between tabloid media and American conservative politics in the 1980s. It argues that widespread fears of Satanism in a range of cultural institutions was indispensable to the development and success of both infotainment, or tabloid content on television, and the rise of the New Right, a conservative political movement that was heavily guided by a growing coalition of influential televangelists, or evangelical preachers on television. It takes as its particular focus the hundreds of accusations that devil-worshippers were operating America's white middle-class suburban daycare centers. Dozens of communities around the country became embroiled in trials against center owners, the most publicized of which was the McMartin Preschool trial in Manhattan Beach, California. It remains the longest and most expensive criminal trial in the nation's history.

Paperback Crush Gabrielle Moss, 2018-10-30 For fans of vintage YA, a humorous and in-depth history of beloved teen literature from the 1980s and 1990s, full of trivia and pop culture fun. Those pink covers. That flimsy paper. The nonstop series installments that hooked readers throughout their entire adolescence. These were not the serious-issue novels of the 1970s, nor the blockbuster YA trilogies that arrived in the 2000s. Nestled in between were the girl-centric teen books of the '80s and '90s—short, cheap, and utterly adored. In *Paperback Crush*, author Gabrielle Moss explores the history of this genre with affection and humor, highlighting the best-known series along with their many diverse knockoffs. From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens, these stories feature girl protagonists in all their glory. Journey back to your younger days, a time of girl power nourished by sustained silent reading. Let *Paperback Crush*

lead you on a visual tour of nostalgia-inducing book covers from the library stacks of the past.

I Know What You Did Last Summer Lois Duncan-Arquette, 2010-10-05 Soon to be a new major motion picture, coming July 18, 2025! Four teens fight to outsmart a killer who intends to avenge a young boy's death in this suspenseful thriller that inspired the classic horror film. After a party, four teens are in a hit-and-run accident that results in a young boy's death. Unable to deal with the consequences, they leave the body behind and make an anonymous phone call to the police, tipping them off. The group makes a secret pact to bury the memory of that night and never speak of it again, but when one of the girls receives a note that reads I know what you did last summer, their dark lie is unearthed. With twists and turns at every corner, they'll have to fight to stay steps ahead of a killer determined to make them pay.

The Shimmering Ghost of Riversend Norma Lehr, 1991 Eleven-year-old Kathy, spending the summer with her aunt in her old family mansion, is visited by the ghost of a beautiful woman who died in the nineteenth century.
