Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today’s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

Cultures and Religions Rafael Barracuda, 2024-06-04 This book is about Cultures, Religions and their ethics in the world, their development and their transition to a world that is becoming more and more one. All kinds of aspects of different cultures are described: The difference between race and culture, modern subcultures like e.g. the Gothics, and immigration cultures in Europe especially of Muslims. In addition, there is a chapter on paranormal matters considered from a scientific point of view. It also describes Western, Hindu and Chinese numerology and the I Ching. Then there is a chapter on the core of Judaism, Christianity, Islam and other religions. There is a special chapter describing traditional ethnic cultures, of various Indian and African peoples and myths both from Ancient Egypt, the Gilgamesh epic, the King Gesar epic, from Tibet and Mongolia and myths from Korea, Australia and other peoples. For example, a description of the Book of Giants is included, shedding new light on Genesis, which holds a warning for the future. Then there is a description of a possible rule of life, education and philosophy, which can take place in a globalised world. According to the author, all cultures and religions must change if they are to be part of a future multicultural, multi-religious world that has become one. For this, the bad

elements must disappear from all ethnic and other cultures and the good elements must be preserved.

The Books of Og, Enoch and the Giants Demmon, 2017-03-10 Included in this volume: 1. The Manichean BOOK OF GIANTS 2. The first 36 chapters of THE BOOK OF ENOCH 3. THE BOOK OF KING OG Much has been written on the BOOK OF ENOCH and the BOOK OF GIANTS. In fact, when one researches this subject matter, one can see the various writers struggling mightily to say something new on the subject to no real avail. The BOOK OF ENOCH and the BOOK OF GIANTS are readily available to anyone with an Internet connection. However, what has not been available in literary form are the two previously mentioned texts coupled with the recently translated (into English) text of THE BOOK OF KING OG. The contents of this text combining the above mentioned three ancient manuscripts shatters that lack of new things to say paradigm with great violence and resolute logic. The BOOK OF KING OG has answers to questions that have boggled the minds of MEN for thousands of years. This is a book full of antediluvian history. It tells of the undying faith in Baal that the Rephaim had. It speaks of human sacrifice and circumcision. It is a full meditation from the mind of a giant on the spiritual darkness that had to be wiped out by a universally recognized flood.

Jasher Insights Book One S N Strutt, 2019-08-06 JASHER INSIGHTS: A very in-depth study of ancient biblical history and about the patriarchs Enoch, Noah, Abraham, Jacob and his 12 sons. Excellent commentaries which are very helpful in understanding fully each passage of this book. Estrella - Spain For those who would like to study and investigate the true and sometimes shocking history of mankind, not written in our history books, this book is for you! John Watkins - USA Your book is answering many of the questions I've had about our true history, not written in the history books. Jeremy S - UK I have started reading your book, and one thing that has called my attention and has thrilled me has been the way Jasher states that the animals came to the ark, and how they were chosen to get onto it, whether they crouched before Noah or not. It thrilled me to know how the Lord made the animals come over by throngs and surrounded the ark. Andres NV - S.A. These books are very interesting. We learnt many things that we didn't know about before. We also liked the way that you organized the presentation of the book, as it made for easy reading with the cross references to Bible as well as the excellent comments that explain many of the hidden details. The Book of Giants Joseph Lumpkin, 2022-03-10 Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, *The Book of Giants*. It is thought to have been based on the *Book of Enoch*, a pseudepigraphical Jewish work from the 3rd century BCE. *The Book of Giants*, like the *Book of Enoch*, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating that the *Book of Giants* was once part of the *Book of Enoch*, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the *Book of Giants* and the *Book of Enoch* we will examine all the biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.

Floodgates David R. Parsons, 2018-03-06 Where Are We on the Prophetic Timetable? When Jesus's disciples asked for His views on the end times, He pointed to the "days of Noah" as the key to unlock the timing of "the coming of the Son of Man." But what exactly did He mean by that? *Floodgates* unravels precisely what happened in the Flood of Noah and explains why this important biblical event is so analogous to our day. By tracking humanity's moral slide during Noah's generation, we roll back the curtain on our own times in remarkable ways. We also discover a clear biblical paradigm for determining where we are on the prophetic timetable, based on the actual teachings of Jesus and the apostles. After reading *Floodgates*, you will know if the countdown to final judgment has already begun. Reflecting careful research and keen biblical insights, *Floodgates* reveals God's righteous dealings with humanity and the fate that soon awaits those now in open rebellion against Him. Author David Parsons lays the axe to the root of this moral rebellion, found in the collapsing claims of Darwinian evolution. He also identifies God's "end game"—His specific strategy—for how He wants to bring this present age to a close. As we draw nearer to that day, Jesus calls every believer to be salt and light in the world, warning people of the coming judgment and showing the way to eternal life in Him. This book is a powerful reminder that everyone has a choice to make

concerning their ultimate destiny—and time is growing short.

The Book of Giants Joseph B. Lumpkin, 2014-11-12

The Books of Enoch and the Book of Giants Joseph Lumpkin, 2018-12-12 One of the many discoveries from the caves of Qumran is a scroll given the name, The Book of Giants. It is thought to have been based on The Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE, which was based on Genesis 6:1-4. The Book of Giants, like The Book of Enoch, concerns itself with the nephilim, which, in the Enoch version, are the offspring of human women and fallen angels, who are called the Watchers. The angels saw the beauty of the daughters of men. They broke their allegiance to heaven, descended to Earth, and married the women, and thus fathered giants. The Book of Giants attempts to fill in the details about the nephilim, giants and their offspring that the Book of Enoch is lacking. Indeed, there has been a theory put forth that the Book of Giants was actually part of the Book of Enoch at one time. The text relates how some giants, named Ohya, Hahya and Mahway, sons of the fallen angels, were compelled to dream. In these dreams they foresaw the Biblical Deluge, and their own demise. There is dialog concerning the futility of fighting God or his angels, even though they could conquer any human alive. Seeing their coming fate they seek to enlist the help of Enoch. The mention of Enoch and the storyline referencing the patriarch places The Book of Giants firmly in the list of Enochian texts, along with 1 Enoch, 2 Enoch, and 3 Enoch, also known as The Ethiopic Book of Enoch, The Slavonic Secrets of Enoch, and The Hebrew Book of Enoch respectively. This Volume presents the complete The Book of Giants, placed back into its original context within The First Book of Enoch, along with notes and commentary. The Volume also contains the complete books of Second and Third Enoch with commentary. Together, these four books of Giants, 1 Enoch, 2 Enoch, and 3 Enoch, make up the majority of the Enochian library.

Enoch and the Giants Victor Lindsay Hill, 2024-02-02 Enoch and the Giants by Victor Hill is a book that operates on several levels. For sure this will be of great interest to academics of the subject but Victor Hill's book is also a read which acts as a modern parable, functioning on a simpler level with a message for us all. Enoch and the Giants is a modern day epic with commentary on heaven and earth of truly biblical proportions which will have as much appeal on a secular level as it will to disciples of the Bible. Translated directly from the original, the author is meticulous with his footnotes and referencing which act in tandem to provide commentary on and insight to the text. It is a revelation and almost a poetic story with a rhythm and meter all its own. A truly epic read.

The Three Books of Enoch and the Book of Giants, 2017-05-28 This book includes 1 Enoch: The Ethiopic Book of Enoch; 2 Enoch: The Slavonic Book of the Secrets of Enoch; 3 Enoch: The Hebrew Book of Enoch; and versions of the Book of Giants. The 1st Book of Enoch, the Ethiopic Book of Enoch, or 1 Enoch is more known as simply the Book of Enoch. Although this book is considered apocryphal for the Western canon, it is contained in the Ethiopic Bible. It was considered sacred by some

important first followers of Christ but it was left out of the Bible and disappeared for centuries until it was rediscovered in 1773 in Ethiopic. This manuscript was first translated into English in the 1820s and into German in the 1830s. According to most scholars, part of it was written in third century BCE and part of it in the first century CE (the part related to the Son of Man). Although the oldest complete copies of 1 Enoch are K-9 or Kebran 9, dated late fourteenth early fifteenth century and Ethiopian Monastic Microfilm Library (EMML 2080) of the fifteenth or fourteenth century, fragments found in Qumram in the 1950s are more than 2000 years old. Other old important manuscripts are Abbadianus 55 (possibly fifteenth century) and British Museum Orient 485 (first half of the sixteenth century). The 2nd Book of Enoch, the Slavonic Enoch, or 2 Enoch, is another apocryphal book, found complete only in Old Slavonic manuscripts, and it was once present in the Old Slavonic Bible. It's usually dated to the first century CE although Matthew Black in *The Oxford Guide to People & Places of the Bible* state that there is no manuscript earlier than the fourteenth century BE. The 3rd Book of Enoch, the Hebrew Enoch, or 3 Enoch, is a Rabbinic text originally written in Hebrew usually dated to the fifth century CE. Some experts believe it was written by Rabbi Ishmael (second century CE), familiar with both 1 Enoch and 2 Enoch. The Book of Giants contains a narrative that involves the antediluvian giant offspring originally known from both the Genesis and the Book of Enoch. The Book of Giants resembles particularly 1 Enoch: The First Book of Enoch.

The Book of Enoch Enoch,2013-01-03 The Book of Enoch is the most notable extant apocalyptic work outside the canonical Scriptures. It describes the fall of the Watchers, the angels who fathered the Nephilim (cf. the bene Elohim, Genesis 6: 1-2). The fallen angels went to Enoch to intercede on their behalf with God after he declared to them their doom. The remainder of the book describes Enoch's visit to Heaven in the form of a vision, and his revelations.

The Books of Enoch Enoch, History Academy, 2020-09-04 The study of Enoch's words awakened the desire to explore spiritual dimensions in a deeper way. Enoch once said: I write not for my own, but for the extreme future generations, for you human beings who will come. Enoch, the seventh of Adam's descendants describes his journey through the seven heavens, where he receives revelations like when he is described the creation of the world and the secrets of the future. Enoch's journey culminates with the encounter with God after a life that lasted 365 years. From the mists of time he has shown humanity a luminous path to follow. Enoch goes back to the causes of evil and great are his sufferings for human wickedness and his exhortations to cultivate good and wisdom. All his writings, which are reported alongside the interpretation of History Academy, were found and collected in the time before the birth of Christ. Not recognized by the Church and ignored in the Old Testament collection, they are now published for everyone to read. Besides giving us a clear overview of the extraordinary civilization that flourished on Earth in those times, they offer clear explanations of the beginning of sin, the angels' fall, the intervention of the archangels on the future of humanity, the apocalypse and the arrival of the Messiah and the kingdom of God on Earth. Why do angels and archangels interact with high-minded human beings? The Ancient Book of Enoch tells the history of the angels who fell in the days of Jared, Enoch's father, who married human women and conducted

genetic experiments. This commentary includes a previously unknown chapter from the Dead Sea Scrolls that explains how they did their genetic tampering. Enoch's Books are among the most relevant apocryphal texts in religious history. They are presented here for the first time in a restored and uncensored complete edition, translated from their original versions in Hebrew and Greek. The text is also accompanied by a rich theological, scientific, archaeological and esoteric analysis that explains its contents in detail. It is a necessary resource for those who want to know more about Angels, Demons, Watchers, Nephilim, Melchizedek, the angel Metatron and the Merkabah. This volume is an indispensable resource for those engaged in the study of religion, religious history, angelology, demonology, mysticism or the Kabbalah. In every period of crisis in human history, when morality is despised and wickedness reigns everywhere, divine help is invoked that will make its supreme justice prevail against all the diabolical and materialistic oppositions of earthly justice
