*One with the One* Emily Jean Entwistle, 2021-03-21 Emily Jean Entwistle, a former executive and material girl with a mystical bent, was badly damaged by a childhood rife with sexual and psychological abuse. In *One with the One*, she shares a story of transformation because of a soul level agreement to evolve through suffering into wholeness and joy. Entwistle chronicles her path to wholeness, offering details of her life. She was adopted into a frightening home and was a virtual prisoner until age eighteen. She was to die and go to heaven just when she reached tenuous stability as an adult. She returned from heaven, back to her broken body for the sake of another and was taught through service that the greatest law of life is love. In this memoir, she tells how conscious communion with God can be experienced by anyone. While her story illustrates how this happened to her, it offers guidance on how others can experience this, too. Through her trials and triumphs, Entwistle has learned that we are eternal beings floating in a sea of love. Her journey from darkness to light teaches the truth that we are co-creators being led back, with the greatest love of all, to conscious communion with God.

*You Can Consciously Create a Joy-Filled Life* Irene Tjardes Betz, 2019-08-28 *Consciously Creating a Joy-Filled Life* helps the reader recognize those concepts that he can focus on to create a harmonious relationship with himself and others. He either contributes or contaminates by his thinking. Commitment, truth, trust, and good communication contribute to a peaceful and loving relationship; while blaming, infidelity, domestic violence, negativity, and poor communication contaminate it. You create your life. Choose to do it consciously. Raise your consciousness by the secrets listed on the back cover and in this book.

*There's A Leak In My Boat!* Flo Levia, 2021-10-20 *There's a Leak in My Boat!* is a gripping personal tale about all the things that contributed to the author's chronic illnesses, shared in the hopes that they may resonate with others who are wrestling with similar challenges and staring down the same why me? questions. Here is an intimate account of the many therapies and individuals whose gifts were helpful to her. Together, they guide readers to transform past hurts and traumas into rich compost that facilitates profound personal growth. This is a journey of many small steps, but it's a rewarding one, a journey of growth in love and compassion for ourselves and all the players in our lives. Along the way, we learn that we can surface from the depths of anxiety and depression to realize our nervous systems have been stuck in fight/flight/freeze for much of our lives, setting us up for a body full of inflammation and a head full of limiting beliefs. It is a book of resources and inspiration, hope and empowerment, all of it offered by someone who's walked this stony path and learned the tools for navigating it. She hopes readers who want to understand themselves better will use *There's a Leak in My Boat!* to take (baby) steps toward a better quality of life.
