A Thousand Weddings Marvin Downing,2025-03-21 Born at the dawn of the twentieth century, Hope Hart's life spanned a dynamic period in American history, particularly in the South. As the daughter of Sterling Hart, a traveling Methodist minister from Weakley County in northwest Tennessee, Hope's early years were shaped by her father's work preaching and performing wedding ceremonies across Tennessee, Kentucky, Mississippi, and Arkansas. Throughout her childhood, Hart witnessed the last days of the nineteenth-century Methodist circuit riders and the rapid evolution of the post-Civil War South.

As an adult, Hart worked as a teacher and high school principal in northwest Tennessee before moving to Washington, DC, where she served as an administrative assistant to several US representatives over the course of her career. Completed in 1962 and published here for the first time, *A Thousand Weddings* offers a firsthand account of a rapidly changing West Tennessee and its surrounding regions during the early twentieth century. Hart paints a vivid picture of life during this time, including rich descriptions of clothing (especially wedding attire), food, transportation, and attitudes toward religion, race, education, and marriage. In presenting Hart's story, editor Marvin Downing adds crucial context and commentary that situate the events of her life against the backdrop of significant moments in American history, including the Jackson Purchase, the growing influence of Jim Crow laws, and the First World War. With its blend of personal anecdotes and historical context, *A Thousand Weddings* is both a heartwarming and engaging read and a thought-provoking journey through many facets of Tennessee history.

The Frozen Heart Almudena Grandes, 2010-03-25 From the Spanish Maggie O'Farrell, a sweeping epic about the Spanish Civil War. 'A classy blockbuster - a layered saga of family life, rivalry and redemption' GUARDIAN In the small town of Torrelodones on the outskirts of Madrid, a funeral is taking place. Julio Carrión González, a man of tremendous wealth and influence in Madrid, has come home to be buried. But as the family stand by the graveside, his son Alvaro notices the arrival of a stranger -- a young and attractive woman. No one appears to know who she is, or why she is there. Alvaro's questions only deepen when the family inherits an enormous amount of money that is a surprise even to them. In his father's study Alvaro discovers an old folder with letters sent to his father in Russia between 1941 and 1943, faded photos of people he never met and a locked grey metal box. The woman is Raquel Fernández Perea, the daughter of Spaniards who fled during the Civil War. One episode in her past has marked her for ever -- the only time she saw her grandfather cry. Her fate, and that of the family, now hangs on the secrets of Julio's past. From the provincial heartlands of Spain to the battlefields of Russia, *THE FROZEN HEART* is a mesmerising journey through a war that tore families apart, pitted fathers against sons, brothers against brothers, wives against husbands. Against such a past, where do faith and loyalty lie?
