*Free Yourself From Anxiety* Emma Fletcher, Martha Langley, 2009-01-09 Anxiety disorders can rob you of independence, happiness and self-esteem. This book will enable you to free yourself from the crippling effects of anxiety and to go on to a happier and more fulfilled life. The authors describe simple self-help techniques and practical tips derived from years of helping people with anxiety problems. This book enables the reader to: assess what changes you need to make; create a personal recovery programme; set realistic goals and work towards them; change unhelpful ways of thinking; and, take back control of your life. The techniques can be used for all forms of anxiety: phobias (including Agoraphobia and Social Phobia), Obsessive Compulsive Disorder, Panic Attacks and General Anxiety Disorder. However bad your anxiety, and however long you've had it, you can recover. Using true life examples from anxiety sufferers, this book shows you just how you can do it.

**The Distinctive Character of the Free University in Amsterdam, 1880-2005** Arie Theodorus van Deursen, 2008-04-17 Translated by Herbert Donald Morton The central theme of this history is the Free University as a private institution founded to provide Christian higher education. At its founding in 1880, the Vrije University had only five professors and five students. Among the other public universities, it struck an odd figure and seemed destined for failure. Yet founder Abraham Kuyper never wavered in his determination to build a special Reformed, Calvinist university. Arie van Deursen here recounts the engrossing history of this unique university in its 125th year, using fully documented archival sources to detail the school's ups and downs over the years.
