Encyclopedia of Contemporary Christian Fiction Nancy M. Tischler,2009-09-10 A biographical encyclopedia of

American and British Christian-themed writers from World War II to the present, covering acclaimed literary works and popular evangelical fiction. *Encyclopedia of Contemporary Christian Fiction: From C.S. Lewis to Left Behind* spans the entire breadth of Christian-themed British and American writing from World War II to the present—well-known and less familiar authors, acclaimed literary novels, and popular writing in a variety of genres (mysteries, thrillers, romances), works that explore matters of faith, works that challenge orthodoxy and church practices, and works wholly written by and for devout evangelicals. *Encyclopedia of Contemporary Christian Fiction* offers 90 alphabetically organized entries covering the field's most important writers. Each entry includes a brief biography, religious and educational background, a survey of major works and themes, and a summary of critical response, as well as a bibliography of major works and criticism. By examining evocative, sometimes overlooked Christian elements in modern fiction, and by exploring the depth and scope of popular evangelical fiction, *Encyclopedia of Contemporary Christian Fiction* offers the richest, most complete portrait of the role of faith in modern English writing ever published.

As You Go Alvin Reid, 2014-02-27 Today's students long for a rich, meaningful faith. They want something more than a moral code and therapeutic worship that leaves them unsatisfied and uninspired. Speaker, author, and evangelism professor Alvin L. Reid reveals a key to capturing students' hearts for life: a missional youth ministry. Through practical teaching and powerful application tools, discover how giving teens a grander purpose and vision and encouraging them to see all of life as a mission field transforms their faith, their lives, and the world.
