*Of Cages and Crowns* Brianna Joy Crump, 2024-06-18 Fire at her fingertips. Watch the world burn. When Monroe Benson was born with the power to summon fire from her fingertips, her family knew she had to stay hidden. But when Queen Viera calls for the Culling, an age-old tradition in Erydia where ten goddess-touched girls battle to the death in order to claim the crown, Monroe can no longer hide. She's whisked away from her home, from her mother, from everything she's ever known to fight alongside the other girls—each with their own power—for a throne she does not want. Duty is his destiny. There's no way out. As the son of the queen and the next king, Cohen can't question tradition. Not even when he's being mysteriously poisoned. Not even when his sister goes missing and no one seems to care. The Culling makes choices for him—who will become his wife, who will rule by his side. And when rebellion rises, what little control Cohen has over his future is threatened. Together they'll stand. Together they'll fall. But Monroe sees a different Cohen than the rest of the world. She sees him as more than just the crown, more than just the next cruel ruler in a long line of cruel leaders. In turn, he sees her as more than just her powers. More than just a goddess-touched girl destined to lose her life. When a betrayal threatens both their relationship and the monarchy, Monroe and Cohen face a choice that will change their lives . . . forever.

**Of Princes and Poisons** Brianna Joy Crump,2024-06-18 Once there were ten. Ten goddess-touched girls were born. Each was blessed—or cursed—with a unique power that set them apart. As part of an ancient ritual called the Culling, they were supposed to fight to the death in the arena until only one survived. That girl would marry the prince and ascend to the throne. Now only four girls remain. Power in her blood. Monroe Benson is one of the lucky ones. With fire at her fingertips, she survived the arena and the intrigues of the palace. Now she's turned her back on her destiny, choosing to throw in her lot with the rebellion seeking to overturn the Erydian rulers. Monroe has never wanted the throne. She knows that her future lies elsewhere, but first she'll have to convince the rebels to believe her. A traitorous heart. Monroe thought Cohen was one of the few good things about the Culling. She believed that he would have made a good ruler, but that doesn't mean that she wanted to sit beside him on the throne. And now, she finds herself drawn to a rebel leader. A man with secrets of his own. In the end, Monroe will have to trust in more than her power or even her heart if she's to forge her own path and find her freedom.
