Summary of Robert Henderson's Operating in the Courts of Heaven Everest Media,2022-06-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The place of the initial conflict is in a courtroom, not on a battlefield. Christians should first win their verdicts in the courtroom of Heaven before going out to win

on the battlefield. #2 The first thing we must see is that Heaven is open. This means that there is revelation and things we need to discern in the Heavenly realm. Prayer and warfare should not be a shot in the dark. We should be able to pinpoint the things that need to be dealt with and touch them with accuracy. #3 When we pray, we are entering a courtroom. If the widow in Jesus' parable could get an answer and a verdict from an unjust judge through her persistent activity in a court, how much more can we gain answers as the elect of God before the Righteous Judge of all. #4 The widow in the parable of the courtroom was praying for a verdict from the court, not from the battlefield. She realized that she didn't need to march onto a battlefield and yell at her adversary. She just needed a verdict from the court.

Oath and Honor Liz Cheney, 2023-12-05 **INSTANT #1 BESTSELLER:** A gripping first-hand account of the January 6th, 2021, insurrection from inside the halls of Congress, from origins to aftermath, as Donald Trump and his enablers betrayed the American people and the Constitution—by the House Republican leader who dared to stand up to it. In the aftermath of

the 2020 presidential election, Donald Trump and many around him, including certain other elected Republican officials, intentionally breached their oath to the Constitution: they ignored the rulings of dozens of courts, plotted to overturn a lawful election, and provoked a violent attack on our Capitol. Liz Cheney, one of the few Republican officials to take a stand against these efforts, witnessed the attack first-hand, and then helped lead the Congressional Select Committee investigation into how it happened. In *Oath and Honor*, she tells the story of this perilous moment in our history, those who helped Trump spread the stolen election lie, those whose actions preserved our constitutional framework, and the risks we still face.

Manual - Courts of Heaven for Beginners Ronald Montijn,2019-08-20 This manual is an invaluable addition to the paperback Courts of heaven for beginners. The assignments in the paperback can be fulfilled in this manual. The manual helps you to prepare your court case, to present your case and to write down the verdict from the Judge.For most Christians, the courts of heaven are still an unfamiliar concept, but that is changing rapidly. More and more believers are experiencing, that praying from a courtroom perspective, is finally ending the injustice being inflicted on them. There are two parts in this book. Ronald explains in the first part the Biblical foundation for the existence of the courts of heaven and what our mandate is to pray there. Subjects like the power of the covenant and why we need God as our Judge, are extensively dealt with. He also explains in which court we should present our case and with what attitude we should enter this court. In part two, the practical application, the reader is assisted with the preparation of their court case, establishing the matter of guilt and preparing their plea. The reader is then able to present his case to the heavenly Judge, using the written prayers in this book. Then Ronald explains how to execute the written judgment, that we receive from the heavenly Judge. The revelation of the courts of heaven is a revelation from God and it has been hidden for centuries. Since the victory of Christ on the cross, believers are able to condemn every voice, that speaks against them in court. This book is a powerful tool how do this, so that we are finally able to lead the life God has prepared for us.
