Alan Doyle

The Sheet Music of George Gershwin Thomas Inglis, Janice Grower, 2007

Where I Belong Alan Doyle, 2014-10-14 From the lead singer of the band Great Big Sea comes a lyrical and captivating musical memoir about growing up in the tiny fishing village of Petty Harbour, Newfoundland, and then taking to the world stage. Singer-songwriter and front man of the great Canadian band Great Big Sea, Alan Doyle is also a lyrical storyteller and a creative force. In *Where I Belong*, Alan paints a vivid, raucous and heartwarming portrait of a curious young lad born into the small coastal fishing community of Petty Harbour, Newfoundland, and destined to become a renowned musician who carried the musical tradition of generations before him and brought his signature sound to the world. He tells of a childhood surrounded by larger-than-life characters who made an indelible impression on his music and work; of his first job on the wharf cutting out cod tongues for fishermen; of growing up in a family of five in a two-bedroom house with a beef-bucket as a toilet, yet lacking nothing; of learning at his father's knee how to sing the story of a song and learning from his mother how to simply be good; and finally, of how everything he ever learned as a kid prepared him for that pivotal moment when he became part of Great Big Sea and sailed away on what would be the greatest musical adventure of his life. Filled with the lore and traditions of the East Coast and told in a voice that is at once captivating and refreshingly candid, this is a narrative journey about small-town life, curiosity and creative fulfillment, and finally, about leaving everything you know behind only to learn that no matter where you go, home will always be with you.

Autobiography of a Nobody Sherrill Lynn Dix, 2013-10-29 This book is about my nobody life. Many of the events written have happened to other people. It is really the way one handles these events that describes oneself. I try to stay in a happy mode most of the time. Wonderful and not-so-wonderful things have happened in my life as has in everyone. I still have those days when nothing helps my pity parties. We all have pity parties, but with the help of our dear friends and family, they can help us get past those days. When these people aren't available, one needs to look to ourselves for that strength. After all, we actually are somebody.
