**G Psacharopoulos**

**Sea Glass Secrets** Julia Reesor,2023-07-02 Sea Glass Secrets is an excavation of the past that explores themes of Childhood Trauma, Grief, and Healing, in three parts known as Shatter, Sorrow, and Shift. It follows the metaphorical journey of shattered glass through the sea of Childhood Trauma and Grief. It taps into themes of generational trauma, mental health, growing up with addiction, being a parent to your siblings at a young age, absent parents, experiencing grief and loss, and ultimately finding your way to the shore known as Healing.

*Sea Glass Secrets* Valerie Raudonis,2004-01-01

Bittersweet Manor Tory McCagg,2025-07-30 After a four-month estrangement from her family, thirty-two-year-old Emma Michaels visits The Harbor View Assisted Living Home to tell her grandmother, Gussie, that she has made a decision: she's going to sell the family property—her inheritance. Sitting on the dock of Poquatuck Village, Connecticut, looking across the harbor to their family's longtime home, the two women debate over Emma's choice—and their conversation lays the framework for the book, which flows over the decades, all the way back to Gussie's youth and marriage, then forward through the lives of her three children, Auggie, Livy, and Alyssa, whose hopes and talents are warped by their mother's influence and disappointed expectations. Expectations passed down through the generations. Subtle. Unspoken. Implacable. As Emma and Gussie remember the choices and dynamics that have produced the complicated tapestry that is their family's history, Emma makes a number of surprising discoveries about her loved ones—and herself—and she prepares to do what no one else in her family has dared: let go of the past to make room for the future, though doing so will destroy the thing her grandmother holds most dear.
