Stalin's Guerrillas Kenneth Slepyan, 2006 A detailed study of the operations, politics, culture, and autonomy of Soviet partisans (or guerrillas) who fought the German army in WWII. Blending military, political, social, and cultural history, Slepyan also provides a prism for viewing relations between the suffocating Stalinist state and its independent partisan warriors.

Nikolai Demidov Nikolai Demidov, 2016-07-01 At the time of his death, Stanislavsky considered Nikolai Demidov to be 'his only student, who understands the System'. Demidov's incredibly forward-thinking processes not only continued his

teacher's pioneering work, but also solved the problems of an actor's creativity that Stanislavsky never conquered. This book brings together Demidov's five volumes on actor training. Supplementary materials, including transcriptions of Demidov's classes, and notes and correspondence from the author make this the definitive collection on one of Russian theatre's most important figures.
