It also includes two bonus epilogues only available in this box set. *Some Call It Love* A mistaken arrest, an unpaid debt, and a trip to Vegas. Living in a small town where everyone knows your business isn't easy. But when your dad is the business everyone talks about, it's even harder. When Willa Montgomery becomes collateral to pay off her dad's debt to local playboy Jameson Drake, she realizes things can always get worse. Forced to work for Jameson, she soon realizes there is more to him than meets the eye. Behind the delectable wrapping and gruff demeanor is a good guy who's ready to help whenever Willa needs him. And the way he looks at her makes her think that the rumors are wrong. Because just maybe he doesn't hate her as much as she thought. But has the former player really changed, or is he just warming up for his big game? This is the first book in the Sweet Dreams series and can be read as a standalone. *Some Call It Temptation* Some temptations are too hard to resist. After fleeing her controlling family, Stella is ready to experience life to the fullest—starting with moving to a city that has more than one traffic light. Too bad she's broke and living on her friend's couch. At least she has a job. If only temporary. Now she just has to keep her head down and save up enough to leave. But the one thing she didn't count on was Mason Drake. Forced to move in with the man who stars in her every fantasy, Stella knows she can never give in to the temptation that is Mason. Not only because he thinks of her as nothing but a spoiled brat, but because she needs her job. And he's her boss. This is the second book in the Sweet Dreams series and can be read as a standalone. *Some Call It Fate* Will the billionaire be able to convince her that they're meant to be? When talented dressmaker Maisie Slater discovers her fiancée in bed with not one, but two other women, she sets her dreams of a happily-ever-after and her cheating ex's clothes on fire. And what better way to kick off her new life than hooking up with a handsome stranger? But no matter how much she promises herself they can keep things casual, she can't deny their connection that only seems to grow stronger the more time they spend together. Oliver Thorpe always gets what he wants. He might be the heir to a business empire, but he doesn't shy away from hard work. When he meets Maisie, he knows he wants to spend the rest of his life with her. Even if she doesn't agree. But when fate throws them an unexpected curveball, he knows it's his chance to bind Maisie to him forever. But Oliver has secrets that are catching up to him. And once Maisie finds out, he's in for the biggest fight of his life. Good thing he never loses. This is the

third book in the Sweet Dreams series and can be read as a standalone. Note from the author: In order not to get kicked out of the good (okay goodish.... fine, sometimes good) girls club, I'd like to point out that this is a steamy romcom and my characters use bad language (sometimes) and like to get it on. There's no cheating and all my books have a HEA.

Sweet Dreams Leigh Duncan, 2017-07-11 The second book in The Orange Blossom series.

Sweet Dreams Marika Ray, 2018-02-15 I just want to drink hot chocolate all day, but that guy with all the muscles and the killer tan is super distracting. As a new business owner selling gourmet hot chocolate to tourists and locals alike in our little beach town, I don't allow for distractions. My plans are set and they don't include a man. But things heat up faster than I can handle when a bronzed lifeguard pursues me in the most delicious of ways. Mix in a stalker determined to throw me off my game and an ass-kicking Squad of friends...well, then you have a comical situation. If it was happening to someone else. I may appear to be a damsel in distress, but I can save my own damn self, thank you very much. And I might just keep that hot lifeguard as the whipped cream on top of my sweet dreams. Sweet Dreams is the first book in a series of small town romance novels with a splash of humor. If you like strong, sassy heroines, witty banter, and happily ever afters set at the beach, then you'll love Marika Ray's Beach Squad series.

Reading the Adolescent Romance Amy Pattee, 2011-01-25 Reading the Adolescent Romance provides an exhaustive study of the developments in young adult literature since the 1980s with a focus on Francine Pascal's Sweet Valley High series, which has become a cultural and literary touchstone for both fans and critics of the novels. Pattee carefully examines the series' content, structure, and readers, allowing her to investigate an influential marketing and literary phenomenon and to interrogate the intersecting influences of history, audience positioning, and readability that allowed Sweet Valley and other teen series to flourish. This book demonstrates that, as a series of generic romance novels, Sweet Valley High exhibits tropes associated with both adolescent and adult romance and, as a product of the early 1980s, has and continues to espouse the conservative romantic ideologies associated with the time period. While erstwhile readers of the series recall the novels with pleasure, re-readers of Pascal's novels — who remember reading the series as young people and have re-visited the books as adults — are more critical. Interestingly, both populations continue to value Sweet Valley High as an identity touchstone. Amy Pattee is an associate professor of library and information science at the Graduate School of Library and Information Science at Simmons College in Boston, Massachusetts. There, she teaches children's and young adult literature in both the library school and in a dual degree program affiliated with Simmons College's Center for the Study of Children's Literature.

Sweet Dreams Series Box Set Part Two Sarah Peis, 2022-06-24 This steamy romantic comedy box set contains the novellas *Worship* and *Spark* (exclusive to this collection), the novels *Some Call It Devotion* and *Some Call It Attraction*. *Worship* What happens in Vegas doesn't always stay there. After a devastating blow, Kinsley Fitzgerald's ten-year plan is derailed, leaving her lost and confused. She needs a change. And what better way to take a break from her life than a trip to Las Vegas? But life doesn't always go as expected, and what was supposed to be a fun, carefree weekend turns into so much more. Getting married to a stranger definitely wasn't part of her plan. No matter how much she's attracted to the man she just met. *Some Call It Devotion* What would you do if you found out that you're married but can't remember your wedding? Kinsley Fitzgerald thought the hardest part of getting married was planning the wedding. Turns out it's getting divorced from the man she can't remember saying yes to. Tracking down her husband was easy. Getting him to sign the divorce papers isn't. Because Landon West has an agenda: He'll sign the papers if she lives with him for twenty-one days. If she still wants to get a divorce at the end, he'll give it to her. Running out of time and options, she agrees to the deal and realizes her mistake as soon as she's moved in. Because what if she doesn't want their marriage to end once the twenty-one days are up? But that isn't an option. She's engaged to another man, and they're getting married in less than three months. She has three weeks to decide, and he's determined not to make it easy. This is the fourth book in the Sweet Dreams series and can be read as a standalone. *Some Call It Attraction* He grew up with champagne and caviar. She grew up with burgers and boxed wine. But they became best friends anyway. Grayson Jones was always certain that Rayna Montgomery would be in his life forever. They were as opposite as two people could get, but it didn't stop them from becoming inseparable. When a lie tears them apart, Rayna is heartbroken but certain that walking away is the right thing to do. Years later, Rayna lands a role as a contestant on a reality TV show. The last person she expects to run into on set is Grayson, reminding her of the easy friendship they once had. And the feelings they both tried so hard to ignore resurface. And this time, they refuse to stay buried. What will Grayson do when he finds out the reason Rayna left all those years ago? Because she can't walk away a second time. Not even when being with him could get her kicked off the show. This is the fifth book in the Sweet Dreams series and can be read as a standalone. *Spark* Keeping things professional has never been harder (pun intended). Glenys never thought she'd end up in a quirky little town called Humptulips. And she definitely never expected to feel an instant connection with a handsome and funny stranger who seems to have a slight tea doily fetish. The only problem: he's her coworker, and once they find out, they agree to keep things strictly professional. But she can't stop thinking about the man who haunts her every waking moment. But is a man she barely knows worth risking her dream job for? Note from the author:

In order not to get kicked out of the good (okay goodish.... fine, sometimes good) girls club, I'd like to point out that this is a steamy romcom and my characters use bad language (sometimes) and like to get it on.

Teaching Young Adult Literature Today Judith A. Hayn, Jeffrey S. Kaplan, 2012-03-15 Teaching Young Adult Literature Today introduces the reader to what is current and relevant in the plethora of good books available for adolescents. More importantly, literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads—smart, insightful, and engaging books that are specifically written for adolescents. Hayn, Kaplan, and their contributors address a wide range of topics: how to avoid common obstacles to using YAL; selecting quality YAL for classrooms while balancing these with curriculum requirements; engaging disenfranchised readers; pairing YAL with technology as an innovative way to teach curriculum standards across all content areas. Contributors also discuss more theoretical subjects, such as the absence of lesbian, gay, bisexual, transgender and questioning (LGBTQ) young adult literature in secondary classrooms; and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen.

Perspectives on Elmore Leonard Andrew J. Rausch, 2022-05-09 American crime novelist Elmore Leonard (1925-2013) has a voice that is original and immediately recognizable. This collection of original interviews with fellow authors, filmmakers, collaborators and critics covers all things Leonard, from analyses of characterization and dialogue in his writing to his many screen adaptations. What makes Leonard's work more cinematic than that of other talented contemporaries is his deceptively simplistic method of description that still manages to paint a vivid picture in the reader's mind. The unique perspectives in

this collection discuss many of Leonard's 44 novels, including those that have been adapted to television and motion pictures like *Get Shorty*, *Out of Sight*, and *Jackie Brown*.
