Claire Chambers,Ipek Demir

The Centre Ayesha Manazir Siddiqi, 2023-07-11 A The New Yorker Best Book of the Year • A New York Times Editors' Choice • An Amazon Editors' Pick for Best Mystery, Thriller & Suspense "The most fascinating debut I've read in years—enigmatic, biting, absurd, and right when you think you've got it figured out, utterly horrifying." —Daniel Kraus, New York Times bestselling author of *Whalefall* and *The Shape of Water* (with Guillermo del Toro) "A gripping, surreal mystery about language, identity, and greed." —Peng Shepherd, bestselling author of *The Cartographers* "The Centre draws you in with a gentle hand until it throws the mallet down." —Chelsea G. Summers, author of *A Certain Hunger* "The Centre is as haunting as it is tempting; this book devoured me back." —Sarah Gailey, author of *Just Like Home* and *Eat the Rich* In this "dazzling" speculative debut, a London-based Pakistani translator furthers her stalled career by attending a mysterious language school that boasts near-instant fluency—but at a secret, sinister cost (Gillian Flynn). Anisa Ellahi dreams of being a translator of "great works of literature," but mostly spends her days subtitling Bollywood movies and living off her parents' generous allowance. Adding to her growing sense of inadequacy, her mediocre white boyfriend, Adam, has successfully leveraged his savant-level aptitude for languages into an enviable career. But when Adam learns to speak Urdu practically overnight, Anisa forces him to reveal his secret. Adam begrudgingly tells her about The Centre, an elite, invite-only program that guarantees complete fluency in any language, in just ten days. This sounds, to Anisa, like a step toward the life she's always wanted. Stripped of her belongings and all contact with the outside world, she enrolls and undergoes The Centre's strange and rigorous processes. But as Anisa enmeshes herself further within the organization, seduced by all that it's made possible, she soon realizes the hidden cost of its services. By turns darkly comic and surreal, and with twists as page-turning as they are shocking, *The Centre* journeys through Karachi, London, and New Delhi, interrogating the sticky politics of language, translation, and appropriation along the way. Through Anisa's addictive tale of striving and self-actualization, Ayesha Manazir Siddiqi ultimately asks the reader: What is the real price we pay in our scramble to the center?

The Centre Ayesha Manazir Siddiqi, 2023 'Absolutely stunning . . . thrilling and unique' - GILLIAN FLYNN 'Creepy, provocative and wildly entertaining' - EMMA STONEX 'A banger!' - CHELSEA G SUMMERS Welcome to The Centre. You'll never be the same . . . Anisa Ellahi spends her days writing subtitles for Bollywood films in her London flat, all the while longing to be a translator of 'great works of literature'. Her boyfriend Adam's extraordinary aptitude for languages only

makes her feel worse, but when Adam learns to speak Urdu practically overnight, Anisa forces him to reveal his secret. Adam tells Anisa about the Centre, an elite, invite-only programme that guarantees total fluency in any language in just ten days. Sceptical but intrigued, Anisa enrolls. Stripped of her belongings and contact with the outside world, she undergoes the Centre's strange and rigorous processes. But as she enmeshes herself further within the organization, seduced by all that it's made possible, she soon realizes the disturbing, hidden cost of its services. By turns dark, funny and surreal, The Centre takes the reader on a journey through Karachi, London and New Delhi, interrogating the sticky politics of language, translation and appropriation with biting specificity, and ultimately asking: what price would you be willing to pay for success? A remarkable debut from Ayesha Manazir Siddiqi, announcing the arrival of an extraordinary new talent.

Translation and Decolonisation Claire Chambers, Ipek Demir, 2024-05-31 Translation and Decolonisation: Interdisciplinary Approaches offers compelling explorations of the pivotal role that translation plays in the complex and necessarily incomplete process of decolonisation. In a world where translation has historically been a tool of empire and colonisation, this collection shines the spotlight on the potential for translation to be a driving force in decolonial resistance. The book bridges the divide between translation studies and the decolonial turn in the social sciences and humanities, revealing the ways in which translation can challenge colonial imaginaries, institutions, and practice, and how translation opens up South-to-South conversations. It brings together scholars from diverse disciplines and fields, including sociology, literature, languages, migration, politics, anthropology, and more, offering interdisciplinary approaches and perspectives. By examining both the theoretical and practical aspects of this intersection, the chapters of this agenda-setting collection explore the impact of translation on decolonisation and highlight the need to decolonise translation studies itself. The book illuminates the transformative power of translation in transcending linguistic, cultural, and political boundaries.

Characters reveal themselves in slippery glimpses, through positive affirmations, social media accounts and secret appetites. Ravishing Eshani Surya, 2025-11-11 A brilliant and compelling debut, Ravishing shines a light on the dark enticements of the beauty industry and how it capitalizes on our desire to be someone we are not A provocative, darkly surreal novel of two Indian American siblings caught in the clutches of a beauty tech company, Ravishing is a searing portrait of the beauty industry's dangerous ability to change people's relationship to their bodies and the cult-like grip it has on youth. For teenage Kashmira, it's painful to look in the mirror; she has her father's face, and every feature is a reminder of his abandonment. When a friend introduces her to Evolvoir, a beauty product that changes users' features, Kashmira is quickly hooked on how it allows her to erase the triggers of her grief. Meanwhile, at Evolvoir's corporate offices, Kashmira's estranged brother Nikhil first sees the product as an opportunity to make a difference and a name for himself, but is quickly mired in corporate complicity as reports surface of the product causing severe pain and persistent symptoms in some users. As chaos ensues,

Kashmira is hospitalized and must negotiate the constraints of her new reality, while Nikhil uncovers a vicious truth that will force him to decide where his loyalties lie. Perfect for readers of *Gold Diggers* and *You Too Can Have a Body Like Mine*, *Ravishing* is a visceral, yet immensely tender, coming-of-age story of two Indian American siblings caught in the clutches of a predatory beauty tech company, providing an illuminating portrait of the complexities of growing up brown, chronic illness, and our relationship to ourselves.

And sure, they only became a band for detention, but this could be the start of everything they dreamed of... 2022.
