The Quote Verifier Ralph Keyes,2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's The Quote Verifier considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, The Quote Verifier also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, The Quote Verifier is not only a fascinating piece of literary sleuthing, but also a great read.

**The Design of Dissent, Expanded Edition** Milton Glaser,Mirko Ilic,Tony Kushner,2017-09-05 Dissent is an essential part of keeping democratic societies healthy, and our ability as citizens to voice our opinions is not only our privilege, it is our responsibility. Most importantly, it is a human right, one which must be fervently fought for, protected, and defended. Many of the issues and conflicts visited in the first edition of this book remain vividly present today. They are reminders of how democracy and social change are often incremental, requiring patience, diligence, hope, and the continuing brave voices of designers whose skillful imagery emboldens in the face of struggle. The 160-plus new works in this edition document the Arab Spring, the Obama presidency, Occupy Wall Street, Black Lives Matter, the election of Donald Trump, Vladimir Putin's continuing influence, the Women's March, the ongoing refugee crises, the environment, and much more. This powerful collection, totaling well over 550 images, stands not only as a testament to the power of imagery, but also as an urgent call to action. This edition includes the original Foreword by Tony Kushner as well as Steven Heller's interview of Milton Glaser entitled, Dissenting Conditions.--provided by Amazon.com.

The Design of Dissent Milton Glaser, Mirko Ilic, 2006-10-01 Chosen by the Editors at Amazon.com as one of the top 50 Best Books of 2005 - Now in paperback! With the world's economy in a slump, the Middle East's never ending conflict, and the on-going war on terrorism, there is a heightened awareness in the world community of the many sides of the numerous issues that both directly and indirectly affect our lives. Increasingly, people are feeling powerless and underrepresented because they have no voice. Designers, however, have a voice. They are among the most influential bystanders because their skills enable them to communicate a message easily through the Web or through posters and printed pieces. A picture is worth a thousand words and designers have used this adage to their advantage for years by creating simple yet powerful designs that immediately convey the message to the viewer. The Design of Dissent focuses on graphic work that designers have made as a result of social and political concerns. The time is certainly ripe as the U.S., and world, flares in opposition on so many important issues.

**Vengeance** George Jonas, 2012-09-04 In 1972, 11 Israeli athletes were murdered at the Munich Olympics. This is the chilling account of how they were avenged. First published in 1984, George Jonas's #1 bestseller Vengeance has become a real-life espionage classic. The story of five ordinary young Israelis whose mission it was to hunt down and kill the terrorists responsible for the massacre of eleven athletes at the 1972 Munich Olympics, Vengeance plunges the reader into an explosive world of terrorism and political murder. This is an account of what happened when five idealistic volunteer agents were sent to track down and kill the central figures of the PLO's Munich operation, told from the point of view of Avner, a

member of the team chosen to avenge the monstrous crime, and the first Mossad agent to come out of deep cover to tell his story. His description of the mechanics, the horrors and the unrelenting suspense of this mission surpasses the wildest fabrications of today's blockbuster movies and bestselling crime thrillers. As these men moved from country to country, changing identities and risking their lives, they soon became targets themselves—tracked, hunted and even killed. A profoundly human story, *Vengeance* explores firsthand the revulsion and doubt that came to torment the Israeli agents, inexorably changing their view of the mission and ultimately how they felt about themselves. It is also a stark examination of the timeless concerns that continue to plague our consciousness today: the nature of good and evil, and the difference between right and wrong.

**An Eye for an Eye Makes the Whole World Blind** Allen Cohen, Clive Matson, 2002 *An Eye For An Eye Makes The Whole World Blind* features poems by over 100 poets from all over The United States of America. This important book creates an alternative poetic response to the din of collective madness that has characterized our national dialogue since 9/11/2001. Many of the poets have projected themselves into the minds and the bodies of the victims of 9/11, and the firemen and policemen who were searching the wreckage of the buildings and even the hijackers. The poets express deep emotions and profound thoughts with the severe attention to detail that makes poems revelatory. Upon reading these poems written by so many diverse poets one sees a deepening of perception, of renewed seriousness about the human predicament and about the necessity to evolve into our full humanity. We hope the poems will help readers feel more deeply, think about our future, and ultimately act to achieve a more peaceful and just world. Poets include: Lawrence Ferlinghetti, Diane di Prima, Robert Creeley, Opal Palmer Adisa, Robert Pinsky, Michael McClure, Deborah Major, Nellie Wong, Jack Hirschman, David Meltzer, Neeli Cherkovski, Lyn Lifshin, Antler, John Sinclair, Allen Cohen, Clive Matson, Al Young, Steve Kowit, Gerald Nicosia, Q.R. Hand, Ira Cohen, Julia Vinograd, Jack Foley, Janine Pommy Vega, A.D. Winans, Shepherd Bliss, S.A. Griffin, Coleman Barks, Claire Burch, Gail Ford, Charles Pappas, and many more.

*King Sorrow* Joe Hill, 2025-10-21 From #1 New York Times bestselling author Joe Hill, a chilling tale of modern-world dangers, dark academia, and the unexpected consequences of revenge as six friends dabble in the occult and are tragically, horrifyingly successful... calling forth an evil entity that demands regular human sacrifice. "A brilliantly Faustian fable with a heart as huge as a dragon's, and a stinging twist in its tail. I devoured it." —Ruth Ware, New York Times bestselling author of *The Woman in Suite 11* Arthur Oakes is a reader, a dreamer, and a student at Rackham College, Maine, renowned for its frosty winters, exceptional library, and beautiful buildings. But his idyll—and burgeoning romance with Gwen Underfoot—is shattered when a local drug dealer and her partner corner him into one of the worst crimes he can imagine: stealing rare books from the college library. Trapped and desperate, Arthur turns to his closest friends for comfort and help. Together they dream up a wild, fantastical scheme to free Arthur from the cruel trap in which he finds himself. Wealthy, irrepressible Colin

Wren suggests using the unnerving Crane journal (bound in the skin of its author) to summon a dragon to do their bidding. The others—brave, beautiful Alison Shiner; the battling twins Donna and Donovan McBride; and brainy, bold Gwen—don't hesitate to join Colin in an effort to smash reality and bring a creature of the impossible into our world. But there's nothing simple about dealing with dragons, and their pact to save Arthur becomes a terrifying bargain in which the six must choose a new sacrifice for King Sorrow every year—or become his next meal.
